What is AC Alert?

AC Alert is the Mass Notification System used by City and County agencies throughout Alameda County to rapidly disseminate emergency alerts to people who live, work in, or visit our County. AC Alert is capable of sending alerts by voice, text and email, as well as messaging Nixle subscribers, posting to social media pages, and sending FEMA Wireless Alerts (WEA).

The County of Alameda and our partner Cities strongly encourage all who live, work in, or frequently visit Alameda County, to opt-in to the AC Alert system. When you register with AC Alert you can provide multiple methods of contact, including your cell, home & work phones, and email addresses. You can designate multiple locations in Alameda County where you want to receive emergency alerts. Additionally, you can sign up for community subscription topics offered by participating jurisdictions.

To make sure we can reach you in an emergency, when you need to take protective actions, register with AC Alert at www.acalert.org.
