

What is HealthPAC?

HealthPAC is a low-cost health program only for low-income people who live in Alameda County. You must apply and be approved to get HealthPAC coverage. HealthPAC is not health insurance. If you have health insurance, do not drop it.

When you enroll in HealthPAC you get coverage for most of your health care needs. To learn about covered services, go to the HealthPAC page at www.ACHealthcare.org or visit www.acgov.org/health/indigent. All HealthPAC participants get a Medical Home and access to HealthPAC Customer Service. You may need to pay a co-payment depending on the service and your income and family size.
