

How About A Huddle!

HealthPAC 2012

Clinical Goals:

- ♦ Implement and sustain panel management services.
 - ♦ Integrate behavioral health and physical health services.
 - ♦ Improve care transitions.
- *****

Enrollment in HealthPAC continues to grow (90,000 enrollees):

- ♦ MCE—48%
- ♦ HCCI—7%
- ♦ County— 45%

♦ One of the best ways to improve team communication can occur before you see patients. Having a team huddle can promote communication, avoid duplicated work, ensure team members plan tasks with necessary input from others and promote teamwork. For more on how to get started, call 667-7955.
