COLLEGE OF ALAMEDA

GREEN DIESEL HEAVY-DUTY VEHICLE MAINTENANCE TECHNICIAN PROGRAM

This program introduces students to Green Diesel technology and skills. This includes periodic smoke inspection, compressed natural gas (CNG), engine service and diesel particulate filter (DPF) technology inspection and service. The program provides students training for the position of Entry Level PMI Technician.

Program Orientations:

- Monday July 12th 10 am at College of Alameda, E-100 Diesel Mechanics Building
- Tuesday July 13th 6 pm at College of Alameda, E-100 Diesel Mechanics Building

Courses Include:

- **DMECH 248 A Preventative Maintenance Inspection Class**
 - Saturday August 14th to Saturday October 30th, 8 am to 4:30 pm
- **CDL A Commercial Driver's License Class A**
 - 1 – Monday August 16th to Friday September 17th, 7 am to 3:30 pm
 - 2 – Monday September 20th to Friday October 22nd, 7 am to 3:30 pm
- **Auto Body 12 Welding Class**
 - 1 – Monday August 16th to Thursday September 16th, 1 pm to 5 pm
 - 2 – Monday September 27th to Thursday October 29th, 1 pm to 5 pm

Length of Program: 12 weeks; Monday to Saturday, between 7am and 5pm

Preventive Maintenance and Inspection and the Welding classes are held at The College of Alameda campus: 555 Ralph Appezato Memorial Parkway, Alameda; the CDL Class is offered by the Northern California Teamsters Apprentice Training Trust - classes take place at an off campus location near the Oakland Airport.
