Alameda County Conducts Online Auction

County Treasurer Tax Collector Donald R. White announces the County's online auction to sell tax delinquent parcels of property. The auction will take place at www.bid4assets.com March 30 through March 31, 2010.

The properties are being sold using Bid4Assets, Inc., a leading asset disposition and advisory services company. Interested persons may preview the properties on the website at www.bid4assets.com, starting March 5th through March 29th. Bidding will begin on March 30th and end on March 31st. If a potential bidder does not have Internet access, an Offline Bid Form is available from the Tax Collector's Office, which is located at 1221 Oak Street, 1st floor, in Oakland.

"By utilizing the Internet we have expanded our potential buyer base and have sold a greater number of properties. We have also reduced our administrative costs associated with the sales," says White.

The properties for sale are located primarily in Oakland. To be eligible to participate in the auction, a bidder must pre-qualify with a \$5,000.00 deposit. More information regarding the online auction can be obtained from the Treasurer Tax Collector's website at www.acgov.org/treasurer/index.shtml .
