## Alameda County Juvenile Justice Coordinating Council is currently seeking volunteers to serve on a Juvenile Justice Coordinating Council Subcommittee

According to 1995(a) of the Welfare and Institution Code, a county shall create a subcommittee of the Juvenile Justice Coordinating Council to develop a plan describing the facilities, programs, placements, services, supervision, and re-entry strategies that are needed to provide appropriate rehabilitation and supervision for realigned youth from the Division of Juvenile Justice to be eligible for funding. We are seeking individuals to partner with local county and community-based agencies to contribute their ideas for the development of Alameda County's long-term comprehensive plan to serve this population. It is our goal to ensure that each district in Alameda County is represented on the subcommittee.

If you are an individual who has a desire to assist in the design, and meet one of the following criteria, we invite you to apply:

- Experience providing community-based youth services; or
- Youth justice advocate with expertise and knowledge of the juvenile justice system; or
- Have been directly involved in the juvenile justice system.

If you are interested in participating in this unique opportunity, please submit your completed application to [ankane@acgov.org](mailto:ankane@acgov.org) by 5:00pm on January 20, 2021.

Note: Individuals 21 years or younger who have experience in the justice system are also encouraged to apply.
