AGENDA

DISCUSSION

ACTION NEEDED

How long is the assessment period? When is the treatment plan due?

The assessment and treatment planning periods are based on Medi Cal standards, 60 days to complete a comprehensive assessment and 60 days to complete a treatment plan.

Has there been conversations about utilizing a trauma screener and more comprehensive assessment?

A specific trauma screener has not been implemented, the trauma is addressed in the comprehensive assessment.

What is ACOE's involvement with understanding the youth's needs?

ACOE participates in the Care Coordination Meetings and are notified of necessary information pertaining to youth.
