SUBJECT: APPROVE DOCUMENTARY TRANSFER TAX REFUND CLAIM FOR LAM RESEARCH CORPORATION – INSTRUMENT NUMBER 2023108911

Dear Board Members:

RECOMMENDATION:

Approve the Documentary Transfer Tax Claim for Refund for Lam Research Corporation in the amount of \$38,472.50.

DISCUSSION/SUMMARY:

Documentary Transfer Tax (“DTT”) in the amount of \$38,472.50 was collected when a Grant Deed with Instrument Number 2023108911 was presented to the Recorder’s Office on September 22, 2023.

The claimant has proven through related documentation that they were the beneficial owner of the property prior to the recording of the deed. The recorded documents reflect synthetic leases where Lam Research Corporation remains the owner, and no changes in ownership occurred in connection with the Grant Deed recorded. The Clerk-Recorder is therefore recommending the approval for the refund of Documentary Transfer Tax for document number 2023108911 in the amount of \$38,472.50.

The Alameda County Clerk-Recorder requests that the Board approve the claim. The Clerk-Recorder will provide claimant with notice of the Board’s decision.

FINANCING:

No additional appropriations are required, and there will be no increase to the net County cost.

VISION 2026 GOAL:

Accurate and transparent financial information, as well as fiscal stewardship meet the County of Alameda's 10x goal pathways in support of our shared vision of a **Prosperous and Vibrant Economy**.

Attachment to Claim For Refund of Documentary Transfer Tax Lam Research Corporation

This claim for refund is filed by Lam Research Corporation (“*Lam*”) with respect to Documentary Transfer Tax (“*Transfer Tax*”) paid in connection with the recording of that certain Grant Deed recorded on September 22, 2023, as Document Number 2023108911 (the “*Deed*”) with the Alameda County Recorder’s, in the amount of \$38,472.50. The real property covered by the Deed is that certain real property known as 1 Portola Avenue, Livermore, California 94551 (the “*Property*”).

Lam seeks a refund of the entire amount of Transfer Tax paid on the grounds that Lam was the beneficial owner of the Property before the recording of the Deed, and therefore recording the Deed was not in connection with “realty sold” within the meaning of Section 11911 of the California Revenue and Taxation Code (the “*CRTC*”).

Statement of Facts

Background of the Finance Leases

Lam acquired beneficial ownership of the Property From KLA-Tencor on April 18, 2002, and has used the Property in connection with its business since that time.

Instead of obtaining conventional debt financing with respect to the Property, Lam decided to use a financing lease (also known as a “synthetic lease”) with a finance company. Under this arrangement, Lam caused title to the Property to be transferred to BNP Paribas Leasing Corporation, a finance company, and concurrently entered into a lease of the Property from the finance company, which lease gave to Lam significant rights over, and obligations with respect to, the Property. The Property was refinanced on January 10, 2014, with a different finance company, MUFG Americas Capital Leasing & Finance, LLC, formerly known as BTMU Capital Leasing & Finance, Inc. (the “*Final Finance Company*”). At that time, title to, but not beneficial ownership of, the Property was transferred to the Final Finance Company, and Lam and the Final Finance Company entered into a revised financing lease for the Property.

This last lease was documented in the Second Amended and Restated Lease Agreement between Lam (as Lessee) and the Final Finance Company, as Lessor, dated September 21, 2020 (the “*Lease Agreement*”). At the same time, the Final Finance Company and Lam entered into several other documents governing their respective rights and obligations with respect to the Property, including:

- (i) the Participation Agreement, dated as of September 21, 2020, between Lessor and Lessee (the “*Participation Agreement*”),
- (ii) the Pledge Agreement between Lessee and Lessor, dated as of September 21, 2020 (the “*Pledge Agreement*”); and

- (iii) the Deposit Agreement between MUFG Bank, Ltd., Lessee and Lessor (the “*Deposit Agreement*” and, together with the Lease, the Participation Agreement, and the Pledge Agreement, the “*Operative Documents*”).

Beneficial Ownership Under the Operative Documents

The Operative Documents gave to Lam all the benefits and burdens associated with the ownership of the Property. In particular, Lam was granted the following rights and obligations with respect to the Property:

1. Lam had the exclusive right to possess and occupy the Property.
2. Lam was required to maintain the Property at its own expense.
3. Lam was allowed to make alterations to the Property at its own expense. Section 9.2 of the Lease Agreement.
4. Lam had the right to sublease the Property. Article XII of the Lease.
5. Lam had the right to terminate the Lease at any time (the “*Early Termination Option*”) and obtain title to the Property for an amount equal to the remaining principal and interest due on the financing (the “*Break Even Price*”). Lease Section 20.1.
6. If the Property was taken through condemnation or otherwise, Lam was still required to pay the Final Finance Company the Break Even Price for the Property. Similarly, if the Property were to be destroyed, Lam was required to pay the Break Even Price to the Final Finance Company or replace the Property at its own expense. Section 13.1(a) of the Lease.
7. Lam had the right at any time to have the Property marketed and sold. In this case, the Final Finance Company was entitled to retain only an amount of sales proceeds equal to the Break Even Price. Any excess had to be paid over to Lam. In addition, if the sales proceeds were less than the Break Even Price, Lam was obligated to pay the amount of the shortfall to the Final Finance Company. Section 20.3 of the Lease.
8. At the end of the Lease term, if Lam did not elect to purchase the Property, the Final Finance Company could require Lam to market the Property for sale. In all events, Lam was required to pay to the Lessor (through sales proceeds or otherwise) an amount that protected the Lessor from economic loss. And, if the sales proceeds exceeded the Break Even Price, Lam was entitled to retain the excess. Section 21.1 of the Lease.

Furthermore, the parties to the Operative Documents clearly indicated their intent with respect to the treatment of the Lease as a financing lease. Section 2.12(b) of the Participation Agreement provides:

“It is the intention of the parties that:

- (a) each Lease constitutes a finance lease from Lessor to Lessee for purposes of Lessee's financial reporting under GAAP; and
- (b) for United States federal, state and local income tax, property tax, transfer tax, sales tax, franchise tax, general corporation tax and other similar taxes that may be imposed upon net or gross income, bankruptcy (including the substantive law upon which bankruptcy proceedings are based), real estate, commercial law and all other purposes:
 - (i) such Leases and the Overall Transaction constitute a financing by the Lessor to the Lessee, the obligations of the Lessee to pay Basic Rent shall be treated as payments of interest to the Lessor, and the payment by the Lessee of any amounts in respect of the Lease Balance shall be treated as payments of principal to the Lessor;
 - (ii) Lessee will not be entitled to, and shall not avail itself of, any of the rights or benefits accorded to a lessee under Applicable Law except as expressly permitted under the Leases and the Lessor will be deemed and will have the rights of a lender making secured loans to the Lessee secured by, among other things the Lessee Collateral; and
 - (iii) Lessee is and will be the owner of the Sites and the Improvements.”

Accordingly, under the Operative Documents, Lam retained all of the benefits of ownership, including the right to use the Property. Lam could sell or sublease the Property, and, in the event of a sale, Lam was entitled to receive any appreciation in the value of the Property over the term of the Lease. Lam was required to maintain the Property and pay property taxes with respect to the Property. If the Property decreased in value, Lam bore the economic loss because Lam was required to pay the Break Even Price to the Final Finance Company in all events.

In contrast, the Final Finance Company only had the right to be repaid its principal plus interest. Although the Final Finance Company held legal title to the Property, that was to secure Lam's obligation to pay amounts due under the Lease. Lam could, by exercising the Early Termination Option, obtain legal title at any time by paying the remaining amounts due under the financing.

Exercise of the Early Termination Option

In September 2023 Lam exercised the Early Termination Option under the Lease. Lam paid the Break Even Price to the Final Finance Company, and the Final Finance Company recorded the Deed to transfer title to the Property to Lam.

Legal Analysis

Section 11911(a) of the CRTC authorizes counties to impose the Transfer Tax on the recording of instruments by which “realty sold” within the county shall be conveyed to the purchaser or purchasers.

Recording the Deed Is Exempt Under CRTC Section 11921

Section 11921 of the CRTC provides that the Transfer Tax “shall not apply to any instrument in writing given to secure a debt.” This rule necessarily applies equally to any writing recorded when the debt is repaid. As discussed above, the Lease of the Property was a financing transaction in which Lam retained all of the benefits and burdens of ownership of the Property. The retention of legal title by the Final Finance Company was merely a means of securing the financing and securing Lam’s obligation to repay the debt. When the financing was repaid by Lam, the Final Finance Company returned title to the Property to Lam. Therefore, under CRTC Section 11921, the recording of the Deed was exempt from the Transfer Tax. Lam is entitled to a full refund of the amount of Transfer Tax paid.

The Transfer Tax Does Not Apply When There is No Change In Ownership

Under California’s Property Tax laws, the assessed value of real property cannot be increased by more than fixed percent per year, unless the property has undergone a “change in ownership.” If there has been a “change in ownership” of property, the property is reassessed for Property Tax purposes at its full cash value.

CRTC Section 60 provides that a “change in ownership” of real property occurs when there is “a transfer of a present interest in real property, including the beneficial use thereof, the value of which is substantially equal to the value of the fee interest.” Sections 61 through 65 of the CRTC address whether certain types of transactions, including transfers of interests in legal entities and leases of real property, constitute changes in ownership of real property.

As stated above, Section 11911 authorizes the imposition of Transfer Tax only on “realty sold.” Numerous courts have ruled that the term “realty sold” is equivalent to the term “change in ownership” under the Property Tax rules. Thus, for example, in Thrifty Corp. v. County of Los Angeles, 210 Cal. App. 3d 881 (1989), the California Court of Appeal, Second Appellate District, held that a lease of real estate for 20 years, with a single 10-year extension option, was not subject to Transfer Tax because such a lease was not a change in ownership under the Property Tax statutes. The Thrifty court reasoned that, although the Transfer Tax statute did not define “realty sold,” the phrase is “sufficiently similar to the phrase ‘change in ownership’” to give each phrase the same meaning.

Similarly, in 926 North Ardmore Avenue, LLC v. County of Los Angeles, 229 Cal. App. 4th 1335 (2017), the California Supreme Court held that the Transfer Tax did apply to a transfer of interests in a legal entity, even though no deed was recorded, because such a transfer resulted in a “change in ownership” of the realty held by the legal entity under CRTC Section 64. The Court concluded that “the critical factor in determining whether the documentary transfer tax

may be imposed is whether there was a sale that resulted in a transfer of beneficial ownership of real property.”

Further, the California Attorney General, citing the Thrifty case, also found that the term “realty sold” should be construed to mean “change in ownership” as used in the Property Tax statutes. Atty Gen Op 98-1203 (Mar. 26, 1999). The opinion holds that the transfer of real property from a parent corporation to a wholly owned subsidiary was not subject to the Transfer Tax because such a transfer did not constitute a change in ownership under CRTC Sections 62 and 64.

The Unwind of the Lease Did Not Constitute a Change in Ownership

Lam’s exercise of the Early Termination Option under the Lease, and the transfer of legal title to the Property to Lam as a result, clearly did not constitute a change in ownership of the Property for purposes of the Property Tax.

First, as stated above, CRTC Section 60 defines a “change in ownership” as a transfer of a present interest in real property “the value of which is substantially equal to the value of the fee interest.” In this case, Lam already possessed beneficial ownership of the Property; all that was transferred was bare legal title. The consideration paid by Lam to exercise the Early Termination Option was the Break Even Price, which was only the remaining principal and interest on the financing, and bore no relationship to the fair market value of the Property. In fact, based on an analysis Lam prepared before deciding to exercise the Early Termination Option, the Break Even Price was far less than the full fair market value of the Property. Thus, there was no transfer of an interest equivalent to the value of the fee, and therefore there was no change in ownership of the Property.

Moreover, both administrative and case law support the position that the lessee in a “synthetic lease” or a “financing lease” is the owner of the subject property for Property Tax purposes. If the property is already owned by the lessee, the unwinding of the lease, and the transfer of title to the lessee, cannot constitute a change in ownership.

The State Board of Equalization stated expressly in a Property Tax annotation that the lessee under a financing lease is the owner of the leased property for property tax purposes. See SBE Annotation 220.0354 (5/24/2005), which states that the true owner of the property subject to a financing lease is considered to be the lessee, even though legal title to the property remains in the lessor for purposes of security. That annotation also provides that a “synthetic lease” is a financing agreement used to convey a security interest in real property in exchange for capital.

Further, the Supreme Court of California established many years ago that a purchaser under a conditional sales contract, where the seller retained title simply as security for the payment of the remainder of the purchase price, is the “owner” of real property for property tax purposes. Sherman v. Quinn, 31 Cal 2d 661 (1948).

Similarly, in Mayhew Tech Center, Phase II, v. County of Sacramento, 4 Cal. App. 4th 497 (1992), the California Court of Appeal for the Third Appellate District held that the State of California was the beneficial owner of a facility used by the Franchise Tax Board under a

financing lease. The court found that the lease transferred all the benefits and burdens of ownership to the State, and the lessor retained title solely for security purposes. The court noted that the State was responsible for all maintenance and repair on the property, and any insurance proceeds would be made available to the State for that purpose. The State was responsible for utilities and services provided on the property. The State also agreed to pay any taxes and assessments levied on the property. The lease provided for automatic vesting of title in the State at the end of the lease term, and gave the State an option to purchase the property before termination. The court also pointed out that, if the State defaulted on its obligation to pay rent under the lease, the property would be sold and the State was entitled to keep any amounts after payment of principal and interest on the financing.

As described above, the Operative Documents granted to Lam all of the benefits and burdens of ownership of the Property. Therefore, under the foregoing authorities, it is clear that Lam was the owner of the Property for Property Tax purposes during the term of the Lease. We note in this regard that Lam directly paid property tax with respect to the Property to Alameda County while the Lease was in effect.

Accordingly, the transfer of title to Lam on unwinding the Lease could not, and did not, constitute a change in ownership of the Property. If the unwinding of the Lease did not give rise to a change in ownership of the Property, then the unwinding was also not subject to Transfer Tax. Lam is entitled to a full refund of Transfer Tax paid in connection with recording the Deed.

Amounts repaid or prepaid in respect of the Equity Investment may not be re-borrowed.

SECTION 2.2. Equity Investment.

(a) *Procedure for Investment.* With respect to the Closing Date for the renewal, consolidation, amendment and restatement of the Existing Leases with respect to the Improvements and the related Sites, subject to the terms and conditions of this Agreement, the Lessor agrees that it shall maintain outstanding its Equity Investment in an amount equal to the Commitment as set forth on Schedule I hereto.

(b) *Returns on and of Equity Investment.* Lessor shall be entitled to a return on the Equity Investment in the amount of Yield, which is payable in accordance with Section 2.4 hereof. With respect to the Leases, Lessor shall be entitled to a return of its Equity Investment outstanding, in full, allocated to such Lease together with (i) Yield accrued thereon to the date of return, and (ii) all other amounts then due and payable by Lessee hereunder or under the other Operative Documents (except under Other Lease Documents) to the Lessor, upon the first to occur of:

(ii) the Return Date.

(c) *Scheduled Return of Investment.* Except in the case of a required return described in Section 2.2(b) above or upon default, no return in respect of the Equity Investment

shall be due prior to the Final Maturity Date. On the Final Maturity Date, the Lessor shall be entitled to the aggregate unpaid Equity Investment as of such date.

SECTION 2.3. Calculation of Basic Rent.

With respect to each Lease, Basic Rent shall be payable from time to time on each Payment Date during the Base Term in an amount equal to all Yield then due on the outstanding Equity Investment.

SECTION 2.4. Yield.

(a) *Calculation of Yield.* During the Base Term under each Lease, the amount of the Equity Investment outstanding from time to time with respect to such Lease shall accrue Yield during each Payment Period at a rate *per annum* equal to the Yield Rate. Yield shall be payable in arrears on each Payment Date. For the avoidance of doubt, Yield shall accrue on the Equity Investment until paid in full and any amount of the Equity Investment outstanding after the Base Term Expiration Date shall accrue interest at the Overdue Rate for the period commencing on the Base Term Expiration Date and ending on the date of repayment thereof.

(b) *Overdue Rate.* If all or a portion of (i) any Equity Investment, (ii) any Yield payable on any Equity Investment, or (iii) any other amount payable to Lessor hereunder (whether in respect of yield, fees or other amounts) shall not be paid when due (whether at the stated maturity thereof, by acceleration or otherwise), then such overdue amount shall bear interest, payable on demand, at a rate per annum which is equal to the Overdue Rate. Without duplication of the foregoing, upon the occurrence and during the continuance of any Event of Default, the Equity Investment and, to the extent permitted by Applicable Law, Yield on the Equity Investment and interest on any other amounts owing hereunder or under the other Operative Documents shall bear interest, payable on demand, at a *per annum* rate of two percent (2%) greater than the rate which would otherwise be applicable. Such interest shall be added to and constitute Supplemental Rent, payable by Lessee.

SECTION 2.5. Intentionally Omitted.

SECTION 2.6. Fees.

(a) On the Closing Date, the Lessee shall pay to the Arranger an upfront fee (the "*Upfront Fee*") as previously agreed to in the Fee Letter.

(b) On the Closing Date, Lessee shall pay for any and all Transaction Costs with respect to which invoices have been received at least five (5) Business Days prior to the Closing Date.

SECTION 2.7. Computations.

Yield on the Equity Investment and other accrued amounts under the Operative Documents shall be calculated on the basis of a 360-day year and twelve (12) thirty-day months. Each

determination of the Yield Rate by the Lessor pursuant to any provision of this Agreement or any other Operative Document shall be binding on Lessee in the absence of manifest error.

SECTION 2.8. Intentionally Omitted.

SECTION 2.9. Change of Circumstances.

(a) *Change of Law.* If on or after the date hereof, any Change of Law:

(i) shall subject the Lessor (or its applicable lending office) to any Tax with respect to its Equity Investment, or shall change the basis of taxation of payments to the Lessor (or its applicable lending office) of the principal of or yield on its obligations hereunder or any other amounts due under the Operative Documents in respect of its obligations hereunder or thereunder (except for (A) franchise taxes or Taxes related to the general authority of the Lessor or its applicable lending office to do business, (B) Taxes imposed other than by way of withholding from payments under this Agreement on the gross income of the Lessor or its applicable lending office, (C) Taxes imposed by the jurisdiction where the Lessor is incorporated (or any political subdivision thereof) or where it is managed or controlled or where its applicable lending office is located, (D) Taxes that would not have been imposed but for the failure to provide an IRS Form W-8BEN, W-8ECI or W-8IMY or such other certification that may reasonably be requested in order to avoid or eliminate any Taxes (or the withholding thereof), (E) withholding taxes imposed under the laws of any jurisdiction other than the United States or any State thereof, or (F) U.S. withholding Taxes imposed pursuant to FATCA); or

(ii) shall impose, modify or deem applicable any reserve (including, without limitation, any such requirement imposed by the F.R.S. Board), special deposit, insurance assessment or similar requirement against assets of, deposits with or for the account of, or credit extended by, the Lessor (or its applicable lending office)

and the result of any of the foregoing is to increase the cost to the Lessor (or its applicable lending office) of making or maintaining any Equity Investment or to reduce the amount of any sum received or receivable by the Lessor (or its applicable lending office) under this Agreement or any Lease by an amount deemed by the Lessor to be material (provided, that any such determination by Lessor hereunder is made in good faith on a basis that is neither arbitrary nor capricious and shall be conclusive and binding on Lessee absent manifest error), then, within thirty (30) days after demand by the Lessor, the Lessee shall pay to the Lessor such additional amount or amounts as will compensate the Lessor for such increased cost or reduction.

(b) *Capital Requirements.* If the Lessor shall have determined, in good faith (which determination shall be made on a basis that is neither arbitrary nor capricious) that (i) any Change of Law affects the amount of capital required or expected to be maintained by the Lessor or its applicable lending office (a “**Capital Adequacy Requirement**”) and (ii) the result of the Capital Adequacy Requirement shall be to increase the cost to Lessor of making or maintaining any Equity Investment (taking into account the Lessor’s policies with respect to capital adequacy),

then from time to time, within fifteen (15) days after demand therefor by the Lessor, the Lessee shall pay to the Lessor such additional amount or amounts.

(c) *Notice.* Except as otherwise provided in this Section 2.9, the Lessor will notify the Lessee of any event occurring after the date of this Agreement that will entitle the Lessor to compensation pursuant to this Section 2.9 as promptly as is practicable; provided that Lessee is not required to compensate the Lessor under this Section 2.9 for any increased costs or reduction incurred more than one hundred eighty (180) days before the date Lessor first notifies Lessee of its intention to demand compensation under this Section 2.9; provided further that if the Change of Law that gives rise to such increased cost or reduction is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof. A certificate of the Lessor claiming compensation under this Section 2.9 and setting forth the additional amount or amounts to be paid to it hereunder, accompanied by a computation in reasonable detail of such amount or amounts, shall be conclusive absent manifest error. In determining such amount, the Lessor may use any reasonable averaging and attribution methods provided, that, such methods shall not be inconsistent with the methods used by the Lessor in calculating the reduction in return allocable to other similar loans, investments or commitments to other companies.

SECTION 2.10. Intentionally Omitted.

SECTION 2.11. Intentionally Omitted.

SECTION 2.12. Nature of Transaction.

It is the intention of the parties that:

(a) each Lease constitutes a finance lease from Lessor to Lessee for purposes of Lessee's financial reporting under GAAP; and

(i) such Leases and the Overall Transaction constitute a financing by the Lessor to the Lessee, the obligations of the Lessee to pay Basic Rent shall be treated as payments of interest to the Lessor, and the payment by the Lessee of any amounts in respect of the Lease Balance shall be treated as payments of principal to the Lessor;

(ii) Lessee will not be entitled to, and shall not avail itself of, any of the rights or benefits accorded to a lessee under Applicable Law except as expressly permitted under the Leases and the Lessor will be deemed and will have the rights of a lender making secured loans to the Lessee secured by, among other things the Lessee Collateral; and

Nevertheless, the Lessee acknowledges and agrees that the Lessor has not made, in any capacity, any representations or warranties concerning the tax, accounting or legal consequences or characteristics of the Operative Documents or any aspect of the Overall Transaction and that the Lessee has obtained and relied upon such tax, accounting and legal advice concerning the Operative Documents and the Overall Transaction as it deems appropriate, provided, that the Lessee may rely on the representations and warranties contained in the Operative Documents and the legal opinions issued to it in connection therewith and to which it is an addressee. The Lessor acknowledges and agrees that the Lessee has not made any representations or warranties concerning the tax, accounting or legal consequences or characteristics of the Operative Documents or any aspect of the Overall Transaction and that the Lessor has obtained and relied upon such tax, accounting and legal advice concerning the Operative Documents and the Overall Transaction as it deems appropriate, provided, that the Lessor may rely on the representations and warranties contained in the Operative Documents and the legal opinions issued in connection therewith.

SECTION 2.13. Amounts Due.

(a) Anything else herein or elsewhere to the contrary notwithstanding, it is the intention of the Lessee and the Lessor that (i) during the Base Term, the amount and timing of installments of Basic Rent due and payable from time to time from the Lessee under each Lease shall be equal to the aggregate payments due and payable in respect of Yield accrued on the Equity Investment due on each Payment Date for such Lease; (ii) if the Lessee elects an Early Termination Option or a Purchase Option under a Lease, the Equity Investment, all Yield thereon, all Fees and Transaction Costs and all other obligations of the Lessee owing to the Lessor shall be paid in full by the Lessee in accordance with Article XX or Article XXI of such Lease, as applicable; (iii) if the Lessee properly elects a Return Option and remarkets a Leased Property in accordance with Article XXII of a Lease, in the absence of a Default or Event of Default thereunder, Lessee shall be required to pay the Sale Proceeds of the sale of such Leased Property (in an amount not to exceed the Lease Balance, any excess being payable to the Lessee, except in the case of application of Section 22.4 of such Lease), and if the Sale Proceeds are less than the related Lease Balance, the lesser of (x) the amount of such difference and (y) the Recourse Deficiency Amount, all in accordance with Article XXII of such Lease, and any amounts due pursuant to Article VII hereof and Section 22.3(a) of such Lease (which aggregate amounts may be less than the related Lease Balance); and (iv) upon a Default or Event of Default, the amounts then due and payable by the Lessee under the related Lease shall include all amounts necessary to pay in full the outstanding Equity Investment and all accrued Yield thereon, plus all other amounts then payable by the Lessee to the Lessor under Operative Documents.

(c) *Dissolution or Winding Up.* The Lessee has not taken any action nor have any steps been taken or legal proceedings commenced or, to the Actual Knowledge of a Responsible Officer of the Lessee, threatened, against the Lessee for its dissolution, winding-up,

examination, administration, court protection or reorganization or for the appointment of a receiver, administrator, administrative receiver, examiner, trustee or similar official with respect to the Lessee or any substantial part of its assets or revenues. Prior to and after giving effect to the Overall Transaction, the Lessee is and will be Solvent.

(i) The audited consolidated balance sheet of the Lessee and its Consolidated Subsidiaries as of June 30, 2019 and the related consolidated statements of income, cash flows and changes in stockholders' equity for the fiscal year then ended, reported on by Ernst & Young LLP, a copy of which has been delivered to the Lessor, fairly present in all material respects, in conformity with generally accepted accounting principles, the consolidated financial position of Lessee and its Consolidated Subsidiaries as of such date and their consolidated results of operations, cash flows and changes in stockholders' equity for such fiscal year.

(ii) There has been no change since June 30, 2019, which has had or could be reasonably expected to have a Material Adverse Effect.

(f) *No Conflicts, etc.* The execution, delivery and performance by the Lessee of the Operative Documents to which it is a party and the transactions contemplated thereby do not and will not, by the passage of time, the giving of notice or otherwise, (i) violate any Applicable Law relating to the Lessee, (ii) conflict with, result in a breach of or constitute a default under the charter documents or resolutions of the Lessee, or any indenture or other material agreement or instrument to which the Lessee is a party, or any Governmental Action relating to the Lessee, except, in any case, as could not reasonably be expected to have a Material Adverse Effect, or (iii) result in or require the creation or imposition of any Lien upon or with respect to any Leased Property or any Site (except as contemplated by the Operative Documents) or any material Lien upon or with respect to any other property now owned or hereafter acquired by the Lessee.

(g) *Enforceability.* Each of the Operative Documents to which the Lessee is a party constitutes the legal, valid and binding obligation of the Lessee, enforceable in accordance with its terms, except as such enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar debtor relief laws from time to time in effect which affect the enforcement of creditors' rights in general and the availability of equitable remedies.

(h) *Pari Passu.* The claims of the Lessor against the Lessee under the Operative Documents rank at least pari passu with the claims of all of Lessee's other unsecured creditors, except those whose claims are preferred solely by any laws of general application having effect in relation to bankruptcy, insolvency, liquidation or other similar events.

(k) *Compliance with ERISA.* Except where instances of non-compliance, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, (i) Lessee and each ERISA Affiliate has fulfilled its obligations under the minimum funding standards of ERISA and the Code with respect to each Plan and is in compliance in all material respects with the presently applicable provisions of ERISA and the Code with respect to each Plan and (ii) neither the Lessee nor any ERISA Affiliate has (A) sought a waiver of the minimum funding standard under Section 412 of the Code in respect of any Plan, (B) failed to make any contribution or payment to any Plan or Multiemployer Plan or made any amendment to any Plan which in either case has resulted or could result in the imposition of a Lien or the posting of a bond or other security under ERISA or the Code or (C) incurred any Withdrawal Liability or any liability under Title IV of ERISA other than a liability to the PBGC for premiums under Section 4007 of ERISA. Assuming that the source of funds for the Lessor does not include assets of any employee benefit plan (as defined in Section 3 of ERISA) or Plan other than an employee benefit plan or Plan exempt from the coverage of ERISA, Section 4975 of the Code and similar Laws; and the Lessor is not using, directly or indirectly, the assets of any Employee Benefit Plan that is subject to ERISA or Section 4975 of the Code or any similar provisions of Federal, state or local law or any regulations promulgated thereunder to make the Equity Investment, neither Lessee nor any ERISA Affiliate has engaged in a “prohibited transaction” (within the meaning of Section 4975 of the Code or Section 406 of ERISA) which could reasonably be expected to subject Lessee to the tax or penalties on prohibited transactions imposed by Section 4975 of the Code or Section 502 of ERISA and which would result in a Material Adverse Effect.

(l) *Labor.* Neither the Lessee nor any of its Subsidiaries has experienced strikes, labor disputes, slow downs or work stoppages due to labor disagreements that currently have or could reasonably be expected to have a Material Adverse Effect, and to the knowledge of the Lessee there are no such strikes, disputes, slow downs or work stoppages threatened against it or against any Subsidiary. All material payments due on

account of wages or employee health and welfare insurance and other benefits from the Lessee or from any Subsidiary have been paid or accrued as liabilities on its books.

(m) *Title to Properties Generally.* Except when the failure to do so does not have and could not reasonably be expected to have a Material Adverse Effect, the Lessee and its Subsidiaries have and will have and maintain good and indefeasible fee simple title to or valid leasehold interests in all of its real property and good title to or a valid leasehold interest in all of its other material assets, as such properties and assets are reflected in the most recent financial statements delivered to the Lessor, other than properties or assets disposed of in the ordinary course of business since such date.

(n) *No Approvals, etc.* The execution and delivery by the Lessee of any of the Operative Documents to which it is a party does not require the consent or approval of, or the giving of notice to or registration with, or the taking of any other action in respect of, any Authority.

(o) *Litigation.* There is no action, proceeding or investigation pending or, to its knowledge, threatened against the Lessee which questions the validity of the Operative Documents, and there is no action, proceeding or investigation pending or, to its knowledge, threatened which is likely to result, either in any case or in the aggregate, in any Material Adverse Effect.

(p) *Compliance with Law; Governmental Approvals.* Other than with respect to environmental matters, which are treated exclusively in Section 4.1(q) hereof, (i) the Lessee has obtained or received all Governmental Action required by any Applicable Law with respect to the then current status of the Improvements and each Site, each of which is in full force and effect and not subject to any pending proceedings or appeals (administrative, judicial or otherwise), except for any other Governmental Action the failure to obtain which, or the appeal of or further procedures with respect to which, would not reasonably be expected to have a Material Adverse Effect, and (ii) the Lessee and each Leased Property are in compliance with each Governmental Action applicable to it and in compliance with all other Applicable Law relating to it in each case, except where the failure to do so could not reasonably be expected to have a Material Adverse Effect.

(q) *Environmental Matters.* Except as previously disclosed to Lessor in the Environmental Reports or as could not reasonably be expected to have a Material Adverse Effect:

(i) no Leased Property (including soils, surface waters and ground waters on, at or under the related Site or such structures) contains, nor is any Leased Property otherwise adversely affected by, and, to the Lessee's knowledge, no Leased Property has previously contained or been adversely affected by, any Hazardous Materials in amounts or concentrations which (A) constitute or constituted an Environmental Violation or (B) could give rise to any liability or obligation under applicable Environmental Laws;

(e) *Transactions with Affiliates.* Enter into any transaction of any kind with any Affiliate of the Lessee, other than upon fair and reasonable terms as could reasonably be obtained in an arm’s-length transaction with a Person that is not an Affiliate in accordance with prevailing industry customs and practices; provided the foregoing shall not apply between and among Lessee and its Subsidiaries.

(f) *Prohibited ERISA Transaction.* Enter into any transaction which would cause any of the Operative Documents or any related documents executed or accepted by the Lessor (or any exercise of the Lessor rights hereunder or thereunder) to constitute a non-exempt prohibited transaction under ERISA (a “**Prohibited ERISA Transaction**”); provided, that it shall not constitute a breach of this Section 5.3(f) if a Prohibited ERISA Transaction occurs by reason of any of the funds used by the Lessor in connection with any of the transactions under the Operative Documents constituting assets of a “benefit plan investor” as defined in 29 C.F.R. (c) *Securities.* Lessee shall not, nor shall it permit anyone (other than the Lessor) authorized to act on its behalf to, take any action which would subject the issuance or sale of the Equity Investment, the Leased Property or the Operative Documents, or any security or lease the offering of which, for purposes of the Securities Act or any state securities laws would be deemed to be part of the same offering as the offering of the aforementioned items, to the registration requirements of Section 5 of the Securities Act or any state securities laws.

ARTICLE VI

OTHER COVENANTS; ASSIGNMENTS

SECTION 6.1. Cooperation with Lessee.

The Lessor shall, to the extent reasonably requested by the Lessee (but without assuming additional liability on account thereof), as a Transaction Cost, and at the Lessee's expense thereafter, cooperate to allow the Lessee to further the Lessee's requirements as lessee of each Leased Property including to file any statement with respect to any tax abatements or other requirements; provided none of the foregoing expose the Lessor to increased liability under the Operative Documents.

SECTION 6.2. Covenants of the Lessor.

(a) *Discharge of Liens.* The Lessor will not create or permit to exist at any time, and will promptly take such action as may be necessary duly to discharge, or to cause to be discharged, all Lessor Liens attributable to it and will cause restitution to be made to the Lessee (as its interests may appear) in the amount of any diminution of the value of the affected Leased Property as a result of its failure to comply with its obligations under this Section 6.2(a). Notwithstanding the foregoing, the Lessor shall not be required to so discharge any such Lessor Lien while the same is being contested by a Permitted Contest, made in good faith by appropriate proceedings diligently prosecuted so long as such proceedings shall not involve any meaningful danger of the sale, forfeiture, loss or diminution in value of, and shall not interfere with the use, operation or disposition of, any part of the affected Leased Property, any Lease or title thereto or any interest therein or the payment of Rent payable under any Lease; provided, however, that the Lessor shall discharge any such Lessor Lien attributable to it, whether or not subject to contest as provided above, upon the purchase of such Leased Property by the Lessee pursuant to the related Lease or a sale of such Leased Property pursuant to the Return Option.

(b) *Change of Information.* Lessor shall give prompt notice to the Lessee if any facts regarding it shall change where such change might reasonably affect its interests in any Leased Property.

(c) *Depreciation.* Prior to the termination of any Lease, the Lessor shall not claim any United States federal, state, or local tax attributes or benefits as the owner for tax purposes (including depreciation) relating to such Leased Property unless required to do so by an appropriate taxing Authority or after a clearly applicable change in Applicable Law or as a protective response to a proposed adjustment by an Authority; provided, however, that if an appropriate taxing authority shall require the Lessor to claim any such United States federal, state, or local tax attributes or benefits, such Person shall promptly notify the Lessee thereof and shall permit the Lessee to contest such requirement in a manner similar to the contest rights provided in, and subject to any applicable limitation to a contest contained in, Section 7.2(b) hereof.

(d) *Quiet Possession.* If and so long as no Event of Default shall have occurred and be continuing, the Lessor agrees that it shall not interfere with the Lessee's right to the use, possession and quiet enjoyment of the Leased Property and the Site according to the terms hereof and of the other Operative Documents.

(e) *Insurance Covenants.* The Lessor hereby accepts all covenants between the Lessee and each insurer made in accordance with the terms of the Operative Documents for their respective benefit, including, but not limited to, the naming of the Lessor as an additional insured or as loss payee, as the case may be.

(f) *Further Assurances.* Upon the written request of Lessee delivered at least thirty (30) days prior to the date specified in such request for a restructuring of the Overall Transaction, as a result of a change or proposed change in the applicable accounting rules, the Lessor agrees to cooperate with the reasonable requests of Lessee promptly and in good faith to negotiate with a view toward causing a restructuring of the obligations represented by the Lease and the other Operative Documents, provided Lessee shall reimburse the Lessor for its out-of-pocket expenses incurred in connection with any such written request including the reasonable and properly documented fees and expenses of its legal counsel. In the event any such restructuring involves a change in the nature and scope of the Lessor's obligations under the Operative Documents and does not involve a transfer by the Lessor of its interest in any Improvements or any Site, the Lessee and the Lessor shall agree upon a reasonable and appropriate amount to be paid to the Lessor as reimbursement for reasonable, out-of-pocket personnel expenses incurred by the Lessor in such restructuring. Notwithstanding any of the foregoing negotiations, neither Lessor nor Lessee shall be obligated to restructure the transaction.

(g) *Lessor Confirmation Letter.* Upon the written request of Lessee, which request may not be made more than one time in each calendar quarter, the Lessor shall deliver to the Lessee a lessor confirmation letter, in the form approved by Lessee prior to the date thereof, providing information related to ASC 810.

SECTION 6.3. Assignments.

(a) *Restrictions on Transfers.* Except by a Permitted Transfer, Lessor will not assign, transfer, mortgage, pledge, encumber or hypothecate the Leases or the other Operative Documents or any interest of Lessor in and to the Leased Property during the Lease Term without the prior consent of Lessee, which consent Lessee may withhold in its sole discretion.

(b) *Effect of Permitted Transfer or other Assignment by Lessor.* If by a Permitted Transfer Lessor sells or otherwise transfers any portion of the Leased Property and assigns to the transferee all of Lessor's rights under the Leases and under the other Operative Documents, and if the transferee expressly assumes all of Lessor's obligations under the Leases and under the other Operative Documents, then Lessor will thereby be released from any obligations arising after such assumption under the Leases or under the other Operative Documents, and Lessee must look solely to each successor in interest of Lessor for performance of such obligations.

(c) *Exceptions to Restrictions.* Notwithstanding anything to the contrary contained in this Section 6.3, when an Event of Default has occurred and is continuing, no consent of the Lessee shall be required in respect of an assignment by the Lessor of all or any part of its rights and obligations under or with respect to the Leases and the other Operative Documents to any third party (whether or not a Permitted Transfer), provided, that unless (i) an Event of Default described in clause (h) or (i) of the definition thereof shall have occurred and be continuing, (ii) the Lease Balance shall have been accelerated in accordance with the Lease, or (iii) an Event of Default shall have occurred and be continuing at the Final Maturity Date, in each case under any Lease, Lessor shall not make such an assignment to a Person who fails to deliver not less than ten (10) days prior to such assignment a letter to Lessee covering the substance required by Section 3.2(d) hereof.

SECTION 6.4. Participations.

The Lessor may sell, transfer or assign a participation in all or a portion of the interests represented by its Equity Investment or any right to payment thereunder (each such sale, transfer or assignment of a participation in such interests or rights, a "***Participation***"), to any Person (a "***Participation Holder***") upon prior notice to the Lessee. In the event of any such sale by the Lessor of a Participation to a Participation Holder, the obligations of Lessor under this Agreement and under the other Operative Documents shall remain unchanged, Lessor shall remain solely responsible for the performance thereof, Lessor shall remain the holder of the Equity Investment for all purposes under this Agreement and under the other Operative Documents and the Lessee shall continue to deal solely and directly with the Lessor in connection with Lessor's rights and obligations under this Agreement and the other Operative Documents. Any agreement pursuant to which the Lessor may grant such a Participation shall provide that Lessor shall retain the sole right and responsibility to enforce the obligations of the Lessee under the Operative Documents including, without limitation, the right to approve any amendment, modification or waiver of any provision of the Operative Documents; provided, that such agreement may require Lessor to obtain the consent of the Participation Holder party thereto before Lessor enters into or approves any amendment, modification or waiver of any provision of any Operative Document that, among other things, (i) extends any date upon which any payment of money is due to the Lessor, (ii) reduces the Yield on the Equity Investment, any fee or any other payment obligation under the Operative Documents, (iii) releases any party from any payment obligations, or (iv) releases any interest of the Lessor in any Leased Property (except as otherwise expressly provided for in any Operative Document). If the Lessor sells, transfers or assigns a Participation pursuant hereto, the Lessor hereby agrees to indemnify, protect, defend and hold harmless the Lessee, on a Grossed-Up Basis, against any United States federal or state Withholding Tax which may arise from its Participation,

except to the extent such Withholding Tax is imposed on the Lessee as a result of the fraud, gross negligence or willful misconduct of the Lessee. Any such Participation shall be at no cost to the Lessee.

ARTICLE VII

INDEMNIFICATION AND ADDITIONAL PAYMENTS

SECTION 7.1. General Indemnification.

(a) Subject to clauses (b) and (f) below, the Lessee will indemnify, defend and hold each Indemnitee harmless, on a Grossed-Up Basis, from and against any and all Claims (which may include the outstanding Lease Balance or any portion thereof subject to any limitations set forth in the Operative Documents, including, without limitation, payments limited to the applicable Recourse Deficiency Amount) that directly or indirectly relate to, result from or arise out of or are alleged to relate to, result from or arise out of any of the following (whether or not any such Indemnitee is indemnified as to such matter by any other Person and whether or not such Claim arises or accrues prior to the Closing Date or after the Lease Expiration Date):

(i) each Leased Property, each Site, the Lessee Collateral or, in each case, any part thereof;

(ii) any of the Operative Documents or any of the transactions contemplated thereby, or any investigation, litigation, enforcement or proceeding in connection therewith, and any amendment, modification or waiver in respect thereof;

(iii) the regulation of the ownership, construction, installation, leasing, use or operation of each Leased Property, each Site or any part thereof, but only to the extent that the Indemnitee is subjected to such regulation as a result of its being a party to or beneficiary of the Operative Documents or its involvement in the transactions contemplated in the Operative Documents;

(iv) the offer, financing, refinancing, inspection, mortgaging, pledging, granting of a security interest in, design, manufacture, construction, purchase, ownership, acquisition, acceptance, rejection, delivery, nondelivery, redelivery, possession, transportation, lease, sublease, installation, condition, transfer of title or other ownership interest, rental, use, operation, storage, maintenance, modification, alteration, repair, assembly, sale, return, abandonment or other application or disposition of all or any part of each Leased Property or any product produced therewith, each Site or any interest therein or improvements thereto or the failure to perform or accomplish any of the foregoing in accordance with the requirements of the Operative Documents, other agreements governing such matters or Applicable Laws or Regulations including, without limitation, Claims or penalties arising from any violation of law or in tort (strict liability or otherwise), latent or other defects, whether or not discoverable, any Claim based upon a violation or alleged violation of the terms of any restriction, easement, condition or covenant or other matter affecting title to a Leased Property or a Site, the making of any Alterations in violation of any standards imposed by any insurance policies required to be maintained by

the Lessee pursuant to the Lease which policies are in effect at any time with respect to a Leased Property or any part thereof, any Claim for patent, trademark or copyright infringement, and Claims arising from any public improvements with respect to a Leased Property or a Site resulting in any change or special assessments being levied against such Leased Property or such Site or any plans to modify, widen or realign any street or highway adjacent to any Leased Property or any Claim for utility “tap-in” fees;

(v) a breach by the Lessee of any of its covenants under any Operative Document, or a misrepresentation by the Lessee (including any omission by Lessee that makes any representation made by Lessee materially misleading) in any Operative Document or in any certificate or other document delivered by the Lessee to the Lessor pursuant to any Operative Document, or the occurrence of any Default or Event of Default, or the material inaccuracy of any information provided by any such party to any third party in connection with the preparation by such third party of a report or other document required to be delivered pursuant to any Operative Document;

(vi) the existence of any Lien on or with respect to any Leased Property, any Site, title thereto, any interest therein or any Basic Rent or Supplemental Rent, including any Liens which arise out of the possession, use, occupancy, construction, repair or rebuilding of any Leased Property or any Site or by reason of labor or materials furnished or claimed to have been furnished to the Lessee, or any of its contractors or agents or by reason of the financing of any personality or equipment purchased or leased by the Lessee or Alterations constructed by the Lessee, except Liens in favor of the Lessee or the Lessor, but expressly excluding any Lessor Liens; and

(vii) any Environmental Claim.

Lessee shall be entitled to credit against any payments due to an Indemnitee under this Section 7.1 both (x) any insurance recoveries received by such Indemnitee in respect of the matters described herein under or from insurance paid for by any Person other than the Indemnitee or an Affiliate thereof or assigned to the Lessor by the Lessee and (y) any other indemnity amount received by such Indemnitee in respect of such matters from a Person (other than the Lessor) unrelated to such Indemnitee.

(b) *Exclusions.* The provisions of Section 7.1(a) shall not apply to any Claim:

(i) with respect to the Indemnities, to the extent attributable to the willful misconduct or gross negligence of, or negligence in the handling of funds by, such Indemnitee, its officers, agents, employees and Affiliates or the breach in any material respect of any representation made by any Indemnitee under the Operative Documents;

(ii) to the extent attributable to acts or events that occur after the commencement of day to day operation of any Improvements by the Lessor or any Person designated by the Lessor following an Event of Default or the return of a Leased Property pursuant to the Return Option as such Claim relates to such Improvements or Leased Property (except (A) to the extent fairly attributable to circumstances existing or acts, events, liabilities or damages occurring or accruing prior to such day to day operation, or

(B) to the extent relating to the acts or omissions of the Lessee or any other LAM Person in relation to, or liabilities arising out of, the location, structure, installation, putting into service, operation, repair, servicing, maintenance, replacement or dismantling of such Improvements or remaining on or the entering onto such Site or such Improvements by any such Person); or

(iii) in respect of Taxes, which are governed by Section 7.2, other than a payment necessary to make payments under this Section 7.1 on a Grossed-Up Basis.

(c) *Contests.* In respect of the indemnification provided under Section 7.1(a), promptly after receipt by an Indemnitee of notice of any pending or threatened Claim, such Indemnitee shall, if a claim for indemnification in respect thereof is to be made against the Lessee, give notice thereof to the Lessee. So long as no Event of Default is continuing, the Lessee, at its own expense, may elect to assume the defense of any such Claim through its own counsel, which shall be subject to the reasonable approval of the Indemnitee, on behalf of the Indemnitee (with full right of subrogation to the Indemnitee's rights and defenses). Lessee must indicate its election to assume such defense by written notice to the Indemnitee within thirty (30) days following receipt of Indemnitee's notice of the Claim, or in the case of a third-party claim which requires a shorter time for response then within such shorter period as specified in the Indemnitee's notice of Claim; provided that such Indemnitee has given the Lessee notice thereof. If the Lessee denies liability or fails to respond to the notice within the time period set forth above, the Indemnitee may defend or compromise the Claim as it deems appropriate without prejudice to any of Indemnitee's rights hereunder. If the Lessee shall have elected to assume the defense of any such Claim, then upon the request of the Lessee, the Indemnitee requesting payment of indemnity under Section 7.1(a) shall promptly furnish the Lessee with copies of any records or documents pertaining to the matter to be indemnified and, to the extent known by such Indemnitee, a reasonably detailed explanation of the circumstances giving rise to the claim of indemnification and the determination of the amount of the requested indemnity payment. Upon payment in full to Indemnitee of any indemnity pursuant to Section 7.1(a), the Lessee shall be subrogated to any right of Indemnitee in respect of the matter against which such indemnity has been paid. If the Lessee shall have elected to assume the defense of any such Claim, upon the written request at any time and from time to time of the Lessee, Indemnitee shall, at the expense of the Lessee, take such reasonable actions and execute such documents as are necessary or reasonably appropriate to assist the Lessee in the preservation and enforcement against third parties of the Lessee's right of subrogation hereunder. The Indemnitee may employ separate counsel in any such Claim and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of the Indemnitee unless the Indemnitee and the Lessee shall have been advised by counsel that there exists an irresolvable conflict of interest in such counsel's representation of the Indemnitee and the Lessee in which case the fees and expenses of such separate counsel shall be for the account of the Lessee. All reasonable out-of-pocket fees and expenses shall be paid periodically as incurred. So long as no Event of Default shall have occurred and be continuing, the Lessee shall not be liable for any settlement of any such Claim effected without its consent unless the Lessee shall fail to, or elect in writing not to, assume the defense thereof in which case the Indemnitee, without waiving any rights to indemnification hereunder, may defend such Claim and enter into any good faith settlement thereof without the prior written consent of the Lessee. Lessee shall not, without the prior written consent (not to be unreasonably withheld) of the Indemnitee, effect any settlement of

any such Claim unless such settlement includes an unconditional release of the Indemnitee from all liabilities that are the subject of such Claim. The parties agree to cooperate in any defense or settlement of any such Claim and to give each other reasonable access to all information relevant thereto subject to appropriate confidentiality agreements. The parties will similarly cooperate in the prosecution of any claim or lawsuit against any third party.

(d) *Subrogation.* Upon the indefeasible payment in full of any Claim pursuant to this Section 7.1, the Lessee, without any further action, shall be subrogated to any claims the Indemnitee may have relating thereto. The Indemnitee agrees, at the Lessee's expense, to give such further assurances or agreements and to cooperate with the Lessee to permit the Lessee to pursue such claims, if any, to the extent reasonably requested by the Lessee. If the Lessee shall have paid an amount to or for an Indemnitee pursuant to this Section 7.1, and such Indemnitee subsequently shall be reimbursed in respect of such indemnified amount from any other Person, such Indemnitee shall promptly pay the Lessee, but not before the Lessee shall have made all payments then due to such Indemnitee pursuant to this Section 7.1 and any other payments then due hereunder and under any other Operative Document, the amount of such reimbursement, including interest actually received attributable thereto, net of Taxes required to be paid by such Indemnitee as a result of any refund received, after giving effect to such payment to the Lessee.

(e) *Not Residual Guaranty.* Nothing in this Section 7.1 shall be construed as a guaranty of residual value of any Leased Property.

SECTION 7.2. General Tax Indemnity.

(a) (i) *Tax Indemnity.* Lessee shall pay on a Grossed-up Basis, and on written demand shall indemnify and hold each Indemnitee at all times harmless from and against, any and all Taxes actually imposed on, or borne by, such Indemnitee, on or with respect to any Indemnitee, each Leased Property or the Lessee or any sublessee or user of any Leased Property by any taxing Authority, in connection with or in any way relating to: (A) the acquisition, design, construction, preparation, installation, inspection, delivery, non-delivery, acceptance, rejection, purchase, ownership, possession, rental, lease, sublease, repossession, maintenance, repair, alteration, modification, addition, substitution, storage, transfer of title, redelivery, use, financing, refinancing, operation, condition, repurchase, sale, return or other application or disposition of all or any part of each Leased Property or the imposition of any Lien (or incurrence of any liability to refund or pay over any amount as a result of any Lien) thereon; (B) the payment of Basic Rent or Supplemental Rent or the receipts or earnings arising from or received with respect to each Leased Property or any part thereof, or any interest therein; (C) the payment of any other amount pursuant to the Equity Investment or any other Operative Documents; (D) each Leased Property or any part thereof or any interest therein or the property or the income or other proceeds with respect thereto; (E) the execution, delivery, filing, registration or recording of any of the Operative Documents and any amendments and supplements thereto; and (F) otherwise with respect to or in connection with the transactions contemplated by the Operative Documents or the enforcement thereof;

provided, however, that the indemnification obligation of this Section 7.2(a)(i) shall not apply to:

(1) Taxes (other than Taxes that are sales, use, rental, value added, real estate transfer or similar Taxes that are not substitutes for income taxes) based upon or measured by the Indemnitee's gross or net income, gross or net receipts or that are in the nature of, or are imposed with respect to, capital, net worth, excess profits, accumulated earnings capital gains, franchise or conduct of business of such Indemnitee, except in the case of gross or net income Taxes, to the extent necessary so that payments under this Section 7.2 are made to an Indemnitee on a Grossed-Up Basis within the meaning of Section 7.4;

(2) Taxes that result from a transfer or other disposition by the Indemnitee or any of its Affiliates of all or any portion of its interest in any Leased Property, the Equity Investment or the Operative Documents (other than a transfer or disposition that occurs while a Default or Event of Default has occurred and is continuing and is related to such Default or Event of Default or that results from (a) the Lessee's exercise of the Return Option, the Early Termination Option or Purchase Option under the related Lease or (b) any other transfer to the Lessee under the Operative Documents or which is contemplated by the Operative Documents);

(3) Taxes imposed with respect to any period or portion thereof after the expiration or earlier termination of a Lease (but not to the extent attributable to events occurring on or prior to such date);

(4) Taxes resulting from (a) the gross negligence, willful misconduct or fraud of the Indemnitee or any of its Affiliates or (b) the inaccuracy or breach of a representation, warranty or covenant of the Indemnitee under the Operative Documents;

(5) Withholding Taxes, indemnification for which shall be solely as provided in Section 7.2(a)(iii) hereof;

(6) Taxes while they are being contested in accordance with Section 7.2(b);

(7) Taxes imposed on, or, in the case of value added taxes, not refunded to, an Indemnitee that results from its failure to file tax returns properly or timely, to claim a deduction or credit to which it is entitled, or to comply with certification, reporting, or similar requirements of the jurisdiction imposing the Tax, except to the extent caused by a failure of the Lessee to comply with Section 7.2(d);

(8) Taxes imposed on a transferee to the extent of the excess of such Taxes over the total amount of the Taxes of the same or similar nature that would have been imposed had there not been a transfer by the initial Indemnitee of its interest after the Closing Date; and

(9) Taxes in the nature of intangible taxes or similar taxes upon or with respect to the value of the interest of the Lessor in the Equity Investment.

(ii) *Structural Tax Indemnity.* Notwithstanding Section 7.2(a)(i), the Lessee shall indemnify and hold harmless the Lessor for any Taxes that are described in Section 7.2(a)(i) without regard to exclusions, but only to the extent that such Taxes would not have been imposed on Lessor if, for purposes of such Taxes, the advance made on the Closing Date by the Lessor had been in the form of a secured loan made directly to the Lessee, the obligation to pay a proportionate part Basic Rent were the obligation to pay interest to the Lessor, and the proportionate amount of the Lease Balance were the principal amount owed to the Lessor; provided, however, that the indemnification obligation of this Section 7.2(a)(ii) shall not apply to: (1) Taxes resulting from (a) the gross negligence, willful misconduct, or fraud of the Lessor or any of its Affiliates or (b) the inaccuracy or breach of a representation, warranty, or covenant of or by the Lessor under the Operative Documents; (2) Withholding Taxes, indemnification for which shall be solely provided in Section 7.2(a)(iii); (3) Taxes while they are being contested in accordance with Section 7.2(b); (4) Taxes imposed on the Lessor that result from its failure to file tax returns properly or timely, to claim a deduction or credit to which it is entitled, or to comply with certification, reporting or similar requirements of the jurisdiction imposing the Tax, in each case, in accordance with the intent specified in Section 2.12 or as otherwise required by Applicable Law with respect to the Lessor, except to the extent such failure by the Lessor is caused by a failure of the Lessee to comply with Section 7.2(d); (5) Taxes imposed on a transferee to the extent of the excess of such Taxes over the total amount of the Taxes of the same or similar nature that would have been imposed had there not been a transfer by the initial Lessor of its interest after the Closing Date; (6) Taxes imposed upon any Leased Property and indemnifiable pursuant to Section 7.2(a)(i); and (7) California income, franchise, corporate or other similar taxes imposed on an Indemnitee.

(iii) *Withholding Tax Indemnity.* The Lessee shall not be required to make any additional payment to or on behalf of an Indemnitee with respect to any Withholding Tax, except that the Lessee agrees to indemnify, protect, defend and hold harmless the Indemnitees, on a Grossed-Up Basis, against Withholding Taxes described in paragraphs (1) and (2) of this Section 7.2(a)(iii). If any such withholding is so required, the Lessee shall make the withholding and pay the amount withheld to the appropriate taxing Authority before penalties attach thereto or interest accrues thereon. The Lessee shall forthwith pay the relevant Indemnitee an amount that, after making all required deductions (including deductions applicable to additional sums payable under this Section), equals the amount that would have been paid if such withholding had not been required. Withholding Taxes referred to in the first sentence of this Section 7.2(a)(iii) as indemnifiable are:

(1) Withholding Taxes imposed under the laws of any jurisdiction other than the United States if such Tax is imposed solely as a result of the Lessee making the payment from such jurisdiction;

(2) Withholding Taxes imposed under the laws of the United States, or any taxing jurisdiction therein, imposed solely as the result of a change in Tax laws, regulations, rulings, interpretations or treaties after the Closing Date other than a withholding Tax that results from a change in Tax law which is excluded from the definition of Change of Law pursuant to Section 2.9(a)(i)(F).

If the Lessee pays any amount to an Indemnitee with respect to Withholding Taxes required to be withheld by law but not subject to indemnity pursuant to this Section 7.2, such Indemnitee shall reimburse the Lessee within fifteen (15) days of written demand therefor for the amount so paid by the Lessee provided that if such Indemnitee fails to reimburse the Lessee within such fifteen (15) days, such Indemnitee shall thereafter be obligated to reimburse the Lessee for such amount together with interest on such amount at the Overdue Rate from the date such reimbursement was due until the date it is paid.

(iv) Nothing contained in Section 7.2(a) shall entitle an Indemnitee to indemnification of a Tax under more than one subsection of Section 7.2(a).

(b) *Contests.* If any claim or claims is or are made against any Indemnitee for any Tax which is subject to indemnification as provided in Section 7.2(a), such Indemnitee shall as soon as practicable, but in no event more than thirty (30) days after receipt of formal written notice of the Tax or proposed Tax, notify the Lessee and if, in the reasonable opinion of the Lessee there exists a reasonable basis to contest such Tax which satisfies the requirements of ABA Formal Opinion 85-352 (and if the provisos of the definition of “Permitted Contest” continue to be satisfied), the Lessee at its expense may, to the extent permitted by Applicable Law and provided that it has acknowledged in writing its liability for the Tax at issue if the contest is not successful, contest such Tax, and subsequently may appeal any adverse determination (other than to the United States Supreme Court), in the appropriate administrative and legal forums; provided, that in all other circumstances, upon notice from the Lessee to such Indemnitee that there exists a reasonable basis to contest any such Tax which satisfies the requirements of ABA Formal Opinion 85-352 (as supported by an opinion of tax counsel to the Lessee reasonably acceptable to the Indemnitee), the Indemnitee, at the Lessee’s expense, shall contest any such Tax (so long as the provisos of the definition of “Permitted Contest” continue to be satisfied and, in the case of a Tax on gross or net income, the aggregate amount of the Tax exceeds U.S. \$100,000). Lessee shall pay all reasonable, out-of-pocket expenses actually incurred by the Indemnitee in contesting any such Tax (including, without limitation, all reasonable attorney’s and accountants’ fees), upon demand by the Indemnitee. Lessee shall have the right to participate in the conduct of any proceedings controlled by the Indemnitee to the extent that such participation by the Lessee does not interfere with the Indemnitee’s control of such contest and the Lessee shall in all events be kept informed, to the extent practicable, of material developments relative to such proceedings. The Indemnitee shall have the right to participate in the conduct of any proceedings controlled by the Lessee to the extent that such participation by the Indemnitee does not interfere with the Lessee’s control of such contest, and the Indemnitee shall in all events be kept informed, to the extent practicable, of material developments relative to such proceedings. The Indemnitees agree that a contested claim for which the Lessee would be required to make a reimbursement payment hereunder will not be settled or compromised without the Lessee’s prior written consent or the Indemnitee waives its right to indemnification hereunder and repays the Taxes advanced by the Lessee as a non-interest

bearing loan by the Lessee to such Indemnitee without interest. Indemnitee shall endeavor to settle or compromise any such contested claim in accordance with written instructions received from the Lessee; provided, that (i) the Lessee on or before the date the Indemnitee executes a settlement or compromise pays the contested Tax to the extent agreed upon or makes an indemnification payment to the Indemnitee in an amount acceptable to the Indemnitee; and (ii) the settlement or compromise does not, in the reasonable opinion of the Indemnitee materially adversely affect the right of the Lessor or such Indemnitee to receive Rent or the Lease Balance or any other payment pursuant to the Operative Documents, or involve a material risk of sale, forfeiture or loss of the affected Leased Property or any interest therein or any matter described in the provisos to the definition of "Permitted Contest." The failure of an Indemnitee to contest timely a claim against it for any Tax which is subject to indemnification under Section 7.2(a) and for which it has an obligation to the Lessee to contest under this Section 7.2(b) in the manner required by Applicable Law where the Lessee has timely requested (with regard to the time of the initial notification by Indemnitee) that such Indemnitee contest such claim shall relieve the Lessee of its obligations to such Indemnitee under Section 7.2(a) with respect to such claim only to the extent such failure results in the loss of an effective contest. If Applicable Law requires the payment of a contested Tax as a condition to, or regardless of, its being contested, and the Lessee chooses to contest such Tax or to direct the Indemnitee to contest such Tax in accordance with this Section, then the Lessee shall provide the Indemnitee with the funds to pay such Tax, such provision of funds to be deemed a non-interest bearing loan by the Lessee to the Indemnitee to be repaid by any recovery of such Tax (including the amount of any interest received by reason of payment or deposit of the Tax claimed with funds advanced by the Lessee to the Indemnitee with respect to such recovered Tax, payable on a net after-tax basis to the Indemnitee) from such contest and any remaining unpaid amount not recovered to offset the Lessee's obligation to indemnify the Indemnitee for such Tax. Lessee shall indemnify the Indemnitee on a Grossed-Up Basis in accordance with Section 7.4 for and against any adverse consequences of any such interest-free loan.

(c) *Payments.* Any Tax indemnifiable under Section 7.2(a) shall be paid by the Lessee directly when due to the applicable taxing Authority if direct payment is practicable and permitted. If direct payment to the applicable taxing Authority is not permitted or is otherwise not made, any amount payable to an Indemnitee pursuant to Section 7.2(a) shall be paid within thirty (30) days after receipt of a written demand therefor from such Indemnitee accompanied by a written statement describing in reasonable detail the amount so payable, but not before the date that the relevant Taxes are due or, in the case of taxes that are contested under Section 7.2(b), the contest is finally resolved. Any payments made pursuant to Section 7.2(a) directly to the Indemnitee entitled thereto or the Lessee, as the case may be, shall be made in immediately available funds at such bank or to such account as specified by the payee in written directions to the payor, or, if no such direction shall have been given, by check of the payor payable to the order of the payee by certified mail, postage prepaid at its address as set forth in this Agreement. Upon the request of any Indemnitee with respect to a Tax that the Lessee is required to pay, the Lessee shall furnish to such Indemnitee the original or a certified copy of a receipt for the Lessee's payment of such Tax or such other evidence of payment as is reasonably acceptable to such Indemnitee.

(d) *Ownership.* The Lessee covenants that, during the Lease Term, it shall remain organized as a corporation under the laws of the United States or any state thereof, it being

understood that the sole remedy of an Indemnitee for a breach by the Lessee of the foregoing covenant shall be the right of such Indemnitee to indemnification by the Lessee on an after-tax basis for any incremental tax liability of such Indemnitee that would not have been imposed but for such breach.

(e) *Calculation of Payments.* Any payment that the Lessee shall be required to make to or for the account of any Indemnitee with respect to any Tax that is subject to indemnification under this Section 7.2 shall be paid on a Grossed-Up Basis under Section 7.4 of this Agreement. If an Indemnitee or any Affiliate of such Indemnitee who files any tax return on a combined, consolidated, unitary or similar basis with such Indemnitee shall actually realize any saving of any Tax not indemnifiable by the Lessee pursuant to the Operative Documents (by way of credit (including any foreign tax credit), deduction, exclusion from income or otherwise) by reason of any amount with respect to which the Lessee has indemnified such Indemnitee pursuant to this Section 7.2, and such tax saving was not taken into account in determining the amount payable by the Lessee on account of such indemnification, such Indemnitee shall promptly pay to the Lessee the amount of such saving together with the amount of any tax saving resulting from any payment pursuant to this sentence (provided that such payments by such Indemnitee shall not exceed the amount of the payments made by the Lessee to or for such Indemnitee which gave rise to such savings and payment by such Indemnitee). Each Indemnitee agrees to make, at the Lessee's expense, good-faith efforts to claim any such tax saving that may reasonably be available and to provide promptly thereafter to the Lessee written notification of any action, proceeding or decision with respect to such claim.

(f) *Refund.* If an Indemnitee shall receive a refund of (or receive a credit against or any other current reduction in, any Tax not indemnified by the Lessee under this Section 7.2, in respect of) all or part of any Taxes which the Lessee shall have paid on behalf of such Indemnitee or for which the Lessee shall have reimbursed, advanced funds to or indemnified such Indemnitee, such Indemnitee shall promptly pay or repay to the Lessee an amount equal to the amount of such refund, plus any net tax benefit (taking into account any Taxes incurred by such Indemnitee by reason of the receipt of such refund, credit or reduction) realized by such Indemnitee as a result of any payment by such Indemnitee made pursuant to this sentence (provided that such payments by such Indemnitee shall not exceed the amount of the payments made by the Lessee to or for such Indemnitee which gave rise to such refund and payment by such Indemnitee). If, in addition to such refund, credit or reduction, as the case may be, such Indemnitee shall receive an amount representing interest on the amount of such refund, credit or reduction, as the case may be, such Indemnitee shall promptly pay to the Lessee that proportion of such interest that shall be fairly attributable to Taxes paid, reimbursed or advanced by the Lessee prior to the receipt of such refund. If an Indemnitee loses the benefit of any refund for which it has made a payment pursuant to this Section 7.2(f), such loss shall be treated as a Tax indemnifiable hereunder without regard to exclusions. Each Indemnitee agrees to make, at the Lessee's expense, good-faith efforts to claim any such refund, credit or reduction that may reasonably be available and to provide promptly thereafter to the Lessee written notification of any action, proceeding or decision with respect to such claim.

(g) *Restructuring for Withholding Taxes.* Each party covered by this Section 7.2 agrees to use reasonable efforts to investigate alternatives for reducing any

Withholding Taxes that are indemnified against hereunder or imposed on Rent or Yield on Equity Investment (whether or not indemnifiable hereunder) and to use reasonable efforts to reduce any Withholding Taxes that are indemnified against hereunder, including, without limitation, negotiating in good faith to relocate or restructure the advance made on the Closing Date (which relocation or restructuring shall be at the Lessee's expense in the case of indemnifiable Withholding Taxes), but no party shall be obligated to take any such action as such party determines will be adverse to its business or financial or commercial interests.

(h) *Tax Ownership.* Each Indemnitee represents and warrants that it will not, prior to the termination of a Lease, claim ownership of (or any tax benefits, including depreciation, with respect to) the related Leased Property for any income tax purposes (unless required to do so by a taxing authority) with respect to the period prior to such termination, it being understood that it is the intention of all parties to this transaction that the Lessee is and will remain the owner of such Leased Property for such income tax purposes until the termination of the Lease and such transfer.

SECTION 7.3. Withholding Tax Documentation.

(a) Lessee shall, as promptly as practicable to enable the Indemnitee to comply with the requirements of subsection (b) below, notify the Indemnitee in writing of the availability of any exemption from withholding tax under the laws or bilateral income tax treaties of any jurisdiction imposing a Withholding Tax indemnifiable under Section 7.2(a)(iii). Lessee shall furnish the Indemnitee with the applicable documentation or, to the extent commercially reasonable, information that is required to obtain such exemption or reduction.

(b) At least five (5) Business Days prior to the first payment date with respect to a payment under the Operative Documents that is subject to a Withholding Tax on interest that is indemnifiable under Section 7.2(a)(iii) and that is imposed by a jurisdiction outside the United States, the Indemnitee shall have complied with certification, information, documentation, reporting, filing, or other similar requirements concerning the nationality, residence, identity, or connection with the jurisdiction imposing such Withholding Taxes or any other similar matters that are required by law as a condition to total exemption or total relief from such Withholding Taxes and shall have notified the Lessee in writing of such compliance. The Indemnitee shall further timely comply with all requirements for keeping the exemption in full force and effect, unless a change in treaty, law, or regulation has occurred that would prevent the Indemnitee from complying and the Indemnitee promptly advises the Lessee in writing that it is not capable of receiving payments without withholding. Each of the parties hereto agrees that on the Closing Date, no certification, documentation, reporting or similar confirmation is required of an Indemnitee to establish total exemption from Withholding Taxes on interest or any other amounts relevant to this transaction in any applicable jurisdiction other than forms W-8BEN, W-8ECI or W-8IMY and any required attachments as required by Section 7.3(c) or form W-9 if requested by the Lessee.

(c) At least five (5) Business Days prior to the first date on which any payment is due under the Equity Investment for the account of any successor Lessor that is not organized or incorporated under the laws of the United States or a state thereof, such Lessor shall have

delivered to the Lessee two duly completed copies of United States Internal Revenue Service form W-8BEN, W-8ECI or W-8IMY and any required attachments, in any case with taxpayer identifying numbers, certifying that such Lessor is entitled to receive payments of Yield and a return of principal on the Equity Investment under the Operative Documents without deduction or withholding of any United States Federal income taxes. In delivering any such form or any successor or replacement form, such Lessor shall be entitled to assume that the payor of such Yield is organized under the laws of the United States or any state thereof. Each Lessor which so delivers form W-8BEN, W-8ECI or W-8IMY and any required attachments shall further deliver to the Lessee two additional copies of such form (or a successor form) on or before the date that such form expires (currently, three successive calendar years for Form W-8ECI) or becomes obsolete or within thirty (30) days after the occurrence of any event requiring a change in the most recent forms so delivered by it, and, as may be reasonably requested by Lessee such amendments thereto or extensions or renewals thereof, in each case certifying that such Lessor is entitled to receive payments under the Operative Documents without deduction or withholding of any United States Federal income taxes, unless a change in treaty, law or regulation has occurred prior to the date on which any such delivery would otherwise be required which renders all such forms inapplicable or which would prevent such Lessor from duly completing and delivering any such form with respect to it and such Lessor promptly advises the Lessee in writing that it is not capable of receiving payments without any withholding of United States Federal income tax.

(d) If any payment made to an Indemnitee hereunder would be subject to U.S. federal withholding Tax imposed by FATCA if such Indemnitee were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Indemnitee shall deliver to the Lessee at the time or times prescribed by law and at such time or times reasonably requested by the Lessee such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) as may be necessary for the Lessee to comply with their obligations under FATCA and to determine that such Indemnitee has complied with such Indemnitee's obligations under FATCA or to determine the amount to deduct and withhold from such payment.

SECTION 7.4. Gross Up.

If an Indemnitee shall not be entitled to a corresponding and equal deduction with respect to any payment or Tax which the Lessee is required to pay or reimburse under any other provision of this Article VII (each such payment or reimbursement under this Article VII, an "***original payment***") and which original payment constitutes income to such Indemnitee when accrued or received, then the Lessee shall pay to such Indemnitee on demand the amount of such original payment on a grossed-up basis such that, after subtracting all Taxes imposed on such Indemnitee with respect to such grossed-up payment by the Lessee (including any Taxes otherwise excluded by Section 7.2(a)(i) and assuming for this purpose that such Indemnitee was subject to taxation at the United States Federal, state and local marginal rates applicable and, in the case of Withholding Taxes subject to indemnification pursuant to Section 7.2(a)(iii), actually applicable provincial and foreign marginal rates to the Indemnitee for the year in which such income is taxable), such amount (*i.e.*, the grossed-up payment minus the taxes thereon) shall be equal to the original payment to be received or reimbursed (net of any credits, deductions or other tax benefits then actually recognized

that arise from the payment by such Indemnitee of any amount, including taxes, for which the payment to be received is made) (“*Grossed-Up Basis*”).

SECTION 7.5. Leased Property Indemnity.

Notwithstanding any provision to the contrary in this Article VII, in the event that (a) the Lessee elects the Return Option with respect to a Leased Property and (b) after paying to the Lessor any amounts due under Article XXII of the related Lease, the Lease Balance for such Leased Property shall not have been reduced to zero, then, except to the extent such amounts represent amounts due in respect of a Default or Event of Default, the Lessee shall promptly pay over to the Lessor on the Return Date, the shortfall between the Fair Market Value of such Leased Property as of the Return Date and the Fair Market Value anticipated for such date in the Appraisal delivered pursuant to Section 3.1(g) in an amount not to exceed such outstanding Lease Balance, unless the Lessee delivers a report from an appraiser selected by it and approved by the Lessor, in form and substance satisfactory to the Lessor and using approved methods satisfactory to the Lessor, which establishes that the reasons for the actual Fair Market Value of such Leased Property as of the Return Date being less than the Fair Market Value anticipated for such date in the Appraisal delivered pursuant to Section 3.1(g) were not due to any of the following events, circumstances or conditions, whether or not permitted under such Lease: (i) the failure to maintain such Leased Property as required by such Lease and the other Operative Documents, and in at least as good a condition as it was in on Closing Date, ordinary wear and tear excepted; (ii) the carrying out of or the failure to complete any modifications, improvements or Alterations; (iii) the existence of any environmental condition at or affecting such Leased Property that did not exist on the Closing Date; (iv) any defect, exception, easement, restriction or other encumbrance on or title to such Leased Property not existing on the Closing Date and not consented to by the Lessor; or (v) any other cause or condition within the power of the Lessee to control or affect (other than ordinary wear and tear) that did not exist on the Closing Date. Notwithstanding the foregoing, in no event shall Lessee have liability under this indemnity to the extent of any fraud, gross negligence or willful misconduct of any Indemnitee.

LRC and MUFGCLF agree that: (a) Deposit Taker has no duty to monitor the balance of the Deposit Account; (b) MUFGCLF may at any time make withdrawals from the Deposit Account and take any and all actions with respect to the Deposit Account, and Deposit Taker is hereby authorized to honor any instructions with respect to the Deposit Account (including withdrawals therefrom) which purport to be from MUFGCLF (in each case without notifying or obtaining the consent of LRC); (c) Deposit Taker may, without further inquiry, rely on and act in accordance with any instructions it receives from (or which purport to be from) MUFGCLF, notwithstanding any conflicting or contrary instructions it may receive from LRC, and Deposit Taker shall have no liability to MUFGCLF, LRC or any other person in relying on and acting in accordance with any such instructions; (d) Deposit Taker shall have no responsibility to inquire as to the form, execution, sufficiency or validity of any notice or instructions delivered to it hereunder, nor to inquire as to the identity, authority or rights of the person or persons executing or delivering the same, and (e) Deposit Taker shall have a reasonable period of time within which to act in accordance with any notice or instructions from MUFGCLF with respect to the Deposit Account. Deposit Taker is hereby authorized immediately, and without demand upon or notice to us or other formality, to take direction from MUFGCLF acting in accordance with the terms and conditions of the Pledge Agreement to (i) withdraw and deliver any and all Cash Collateral and Deposited Funds to LRC, (ii) withdraw and apply any and all Cash Collateral and Deposited Funds to reduce or satisfy any and all Secured Obligations in any order and first toward any expenses Deposit Taker incurs in Deposit Taker's discretion, as and when they arise or are due, without resort to us, any other collateral or any other obligor, or (iii) withdraw and return Cash Collateral and Deposited Funds to LRC.

4. Remedies. LRC agrees that, at any time after an Event of Default has occurred or any Secured Obligation arises or comes due, Deposit Taker may, without notice or demand (all of which LRC hereby waives), to take direction from MUFGCLF acting in its sole discretion to realize upon and apply all or any part of the Cash Collateral to the payment of all or any part of the Secured Obligations, in such order and manner as MUFGCLF may elect and Deposit Taker is authorized to take direction from MUFGCLF acting in its sole discretion to break any time deposit or certificate deposit prior to its stated maturity and for which LRC shall have responsibility for any loss of interest or early withdrawal penalties resulting therefrom. MUFGCLF shall not be required to pursue any other right or remedy against us, or any other person liable for any part of the Secured Obligations, or enforce its security interest in or liens on any other property securing the Secured Obligations, prior to enforcing Deposit Taker's rights against the Cash Collateral. 5. Representations, Warranties and Covenants. LRC hereby represents, warrants and covenants to Deposit Taker and MUFGCLF that: (i) the Collateral is and will be owned by us free and clear of all claims, liens, security interests, pledges and encumbrances of any kind, except in Deposit Taker's favor; (ii) LRC is a corporation, duly organized and validly existing in good standing under the laws of State of Delaware, and have the right and power to execute, deliver and perform this Agreement, and to pledge, assign and grant a security

interest in the Collateral in accordance herewith; (iii) this Agreement has been duly authorized, executed and delivered by LRC (and those individuals who have signed on its behalf have the authority to do so consistent with resolutions on file in Deposit Taker's offices) and constitutes its legal, valid, binding and enforceable obligation; (iv) Deposit Taker has and will continue at all times to have a first priority perfected and enforceable lien and security interest in the Collateral, subject to no other liens, security interests or encumbrances; (v) LRC shall not take any action or otherwise make any attempt to draw upon, transfer or otherwise dispose of the Collateral or permit the amount of Collateral to decrease at any time; and (vi) LRC shall from time to time at Deposit Taker's request, execute, deliver, acknowledge, file and record such agreements, documents, statements and certificates (including, without limitation, Uniform Commercial Code financing statements), and do such acts and things as are necessary or appropriate to effectuate the purposes of this Agreement. LRC hereby authorizes Deposit Taker to file any Uniform Commercial Code financing statements, amendments thereto or continuations thereof, and any other appropriate security documents or instruments and to give any notices necessary or desirable to perfect any lien or security interest granted hereby, all without the signature of the LRC or to execute such items as attorney-in-fact for the LRC, as may be necessary to further the purposes described herein. Deposit Taker shall at all times have the exclusive right to hold and possess any certificates, instruments or documents included in the Collateral. Should LRC at any time receive any such certificates, instruments or documents it shall hold the same in trust for, and immediately deliver them to, Deposit Taker. Any breach of any representation, warranty, covenant or agreement made by us herein or elsewhere shall be an **"Event of Default"**. An **"Event of Default"** shall also be as defined in the Pledge Agreement.

6. Information. Deposit Taker shall provide MUFGCLF with such information with respect to the Deposit Account and all items (and proceeds thereof) deposited in the Deposit Account as MUFGCLF may from time to time reasonably request, and LRC hereby consents to such information being provided to MUFGCLF and agrees to pay all expenses in connection therewith.

7. Exculpation; Indemnity. Deposit Taker undertakes to perform only such duties as are expressly set forth herein. Notwithstanding any other provisions of this Agreement, the parties hereby agree that Deposit Taker shall not be liable for any action taken by it in accordance with this Agreement, including, without limitation, any action so taken at MUFGCLF's request or direction, except direct damages attributable to the Deposit Taker's gross negligence or willful misconduct. In no event shall Deposit Taker be liable for any (i) losses or delays resulting from acts of God, war, computer malfunction, interruption of communication facilities, labor difficulties or other causes beyond Deposit Taker's reasonable control, or (ii) for indirect, special, punitive or consequential damages. LRC agrees to indemnify and hold Deposit Taker harmless from and against all costs, damages, claims, judgments, reasonable attorneys' fees, expenses, obligations and liabilities of every kind and nature (collectively, **"Losses"**) which Deposit Taker may incur, sustain or be required to pay (other than those attributable to Deposit Taker's gross negligence or willful misconduct) in connection with or arising out of this Agreement or the Deposit Account (including without limitation, the amount of any overdraft created in the Deposit Account resulting from a Chargeback, and to pay to Deposit Taker on demand the amount of all such Losses.) Nothing

in this Section, and no indemnification of Deposit Taker hereunder, shall affect in any way the indemnification obligations of LRC to MUFGCLF under the Pledge Agreement or other Operative Documents. The provisions of this Section shall survive termination of this Agreement.

8. Irrevocable Agreement. LRC acknowledges that the agreements made by it and the authorizations granted by it herein are irrevocable and that the authorizations granted in Section 2 are powers coupled with an interest.

9. Set-off. Except as set forth in Section 3(G) of the Pledge Agreement, Deposit Taker waives all of its existing and future rights of set-off and banker's liens against the Deposit Account and all items (and proceeds thereof) that come into possession of Deposit Taker in connection with the Deposit Account.

10. Miscellaneous. This Agreement is binding upon the parties hereto and their respective successors and assigns (including any trustee of LRC appointed or elected in any action under the Bankruptcy Code) and shall inure to their benefit. Neither LRC nor MUFGCLF may assign their respective rights hereunder unless the prior written consent of the Deposit Taker is obtained. Neither this Agreement nor any provision hereof may be changed, amended, modified or waived, except by an instrument in writing signed by the parties hereto. Any provision of this Agreement that may prove unenforceable under any law or regulation shall not affect the validity of any other provision hereof. This Agreement shall be governed by the laws of the State of New York, without giving effect to the conflicts of laws provisions of such State (including, without limitation, Section 5-1401 of the New York General Secured Obligations Law) and the parties hereto agree that the State of New York will be deemed to be Deposit Taker's jurisdiction for purposes of Section 9-304 of the New York Uniform Commercial Code as it applies to this Agreement. LRC hereby irrevocably submits to the jurisdiction of the courts of the U.S. Federal and New York State courts sitting in the Borough of Manhattan, New York and waives any objection to or based upon personal jurisdiction, venue, inconvenient forum or service of process in connection with any action or proceeding arising out of or in connection with this Agreement. LRC hereby irrevocably consents to service of process by first class or certified mail, or recognized courier for which a receipt is available, sent to the address shown in Deposit Taker's records. This Agreement may be executed in any number of counterparts which together shall constitute one and the same instrument. LRC HEREBY IRREVOCABLY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR OTHER PROCEEDING BASED UPON OR ARISING OUT OF THIS AGREEMENT, THE PLEDGE AGREEMENT OR ANY RELATED TRANSACTION.

11. Termination and Resignation. This Agreement may be terminated by agreement of MUFGCLF and LRC upon fifteen (15) days' prior written notice to Deposit Taker; provided, however, that this Agreement shall terminate immediately upon notice from MUFGCLF that all of LRC's obligations secured by the Pledge Agreement are satisfied. Deposit Taker may, at any time upon thirty (30) days' prior written notice to MUFGCLF and LRC, terminate this Agreement and close the Deposit Account; provided, however, that an Eligible Deposit Taker has been appointed for MUFGCLF or any Participant (in its capacity

as a Participant) under and as described in the Pledge Agreement. Upon termination of this Agreement any funds in the Deposit Account shall be subject to the direction of MUFGCLF, including any direction given by MUFGCLF that such funds be wired to another “Deposit Taker” designated for MUFGCLF or such Participant under and as defined in the Pledge Agreement.

12. Notices. Unless otherwise specifically provided herein, any notice or other communication required or permitted to be given shall be in writing addressed to the respective party as set forth below and may be personally served, telecopied or sent by overnight courier service and shall be deemed to have been given: (a) if delivered in person, when delivered; (b) if delivered by telecopy, on the date of transmission if transmitted on a Business Day before 4:00 P.M. SECOND AMENDED AND RESTATED LEASE AGREEMENT

(PORT 1)

THIS SECOND AMENDED AND RESTATED LEASE AGREEMENT (PORT 1), dated as of September 21, 2020 (as amended, supplemented, or otherwise modified from time to time, this "**Lease**"), is between MUFG AMERICAS CAPITAL LEASING & FINANCE, LLC, a Delaware corporation, as the Lessor (the "**Lessor**") and whose principal offices are located at 445 South Figueroa, 14th Floor, Los Angeles, California 90017, and LAM RESEARCH CORPORATION, a Delaware corporation, as the Lessee (the "**Lessee**") and whose principal offices are located at 4650 Cushing Parkway, Fremont, California 95438.

WITNESSETH:

A. The Lessee and the Lessor are entering into this Lease and the Operative Documents.

B. Subject to the terms and conditions set forth in the Operative Documents, on the Closing Date, the Lessor and the Lessee have agreed to renew the existing lease of the land described on Exhibit A attached hereto (the "**Site**") and the existing improvements thereon (the "**Improvements**") and Personal Property used thereon (collectively, the "**Leased Property**") which Leased Property is subject to that certain Amended and Restated Lease Agreement (Port 1), dated as of December 31, 2013 ("**Existing Lease Port 1**"), between the Lessor and the Lessee.

The Lessee and the Lessor desire to continue to lease the Leased Property and to amend and restate the Existing Lease in accordance with the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the mutual agreements herein contained and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto, intending to be legally bound hereby, hereby agree that the Existing Lease is hereby amended and restated in its entirety as follows:

ARTICLE I DEFINITIONS

For all purposes hereof, the capitalized terms used herein and not otherwise defined shall have the meanings assigned thereto in Appendix I to that certain Participation Agreement dated as of even date herewith, between the Lessee and the Lessor (as the same may be amended, modified, restated or supplemented from time to time, the "**Participation Agreement**").

ARTICLE II LEASE OF LEASED PROPERTY; LEASE TERM

SECTION 2.1. Acceptance and Lease.

The Lessor, subject to the satisfaction or waiver of the conditions set forth in Section 3.1 of the Participation Agreement, hereby agrees to lease all of the Leased Property (the location of

which is more particularly described on Exhibit A hereto) to the Lessee hereunder and the Lessee hereby agrees, expressly for the direct benefit of the Lessor, to lease from the Lessor for the Lease Term, all of the Leased Property. Without limiting the generality of the foregoing, the Lessee acknowledges that the leasehold estate conveyed by this Lease and the Lessee's rights hereunder are expressly made subject and subordinate to the terms and conditions of the matters listed in Schedule B to the Title Policy and all other Permitted Liens, and any other Liens not constituting Lessor Liens.

Subject to Articles XII and XVIII hereof, the Lessor will not lease nor otherwise make the Leased Property, in whole or in part, available to any Person other than the Lessee and its permitted successors, assigns and sublessees during the Lease Term, and (without derogating in any way from the Lessor's rights under Article XV hereof) during the Lease Term the Lessee shall have unimpeded physical control of the Leased Property notwithstanding the Lessor's rights to inspect the Leased Property under Article XV.

SECTION 2.2. Lease Term.

Unless earlier terminated, the term of this Lease for the Leased Property shall consist of a base lease term (the "***Base Term***" or the "***Lease Term***") which shall commence on and including the Closing Date (such day, the "***Base Term Commencement Date***") and ending on September 21, 2027.

**ARTICLE III
TAXES**

SECTION 3.1. Impositions.

During the Lease Term, the Lessee agrees to pay prior to delinquency without penalty or interest all Taxes imposed upon or levied against the Leased Property or any part thereof or interest therein consistent with Section 7.2 of the Participation Agreement. The Site consists of one or more separate tax lots for real property tax assessment purposes. Any Tax relating to a fiscal period of any taxing Authority falling partially within and partially outside the Lease Term shall be apportioned and adjusted between (i) the Lessor and the Lessee to the extent the Leased Property is returned to the Lessor pursuant to Sections 21.1(b) and Article XXII hereof or (ii) Lessor and a purchaser of the Leased Property in connection with a sale pursuant to Section 18.1). The Lessee covenants to furnish the Lessor, upon the Lessor's request, within forty-five (45) days after the last date when any Tax must be paid by the Lessee, official receipts of the appropriate taxing Authority or other proof reasonably satisfactory to the Lessor evidencing the payment thereof.

SECTION 3.2. Contests.

The Lessee shall have the right to contest any Tax in accordance with Section 7.2(b) of the Participation Agreement.

ARTICLE IV RENT

SECTION 4.1. Rental Payments.

Commencing on the first Payment Date following the Base Term Commencement Date, the Lessee shall pay to the Lessor Basic Rent, without offset or deduction, (i) on each Payment Date, (ii) on the Return Date, and (iii) on any date on which this Lease terminates or upon demand following an Event of Default pursuant to Article XVII.

SECTION 4.2. Supplemental Rent.

The Lessee shall pay to the Lessor, or to whomever shall be entitled thereto as expressly provided herein or in any other Operative Document (and the Lessor hereby directs the Lessee, on behalf of the Lessor, to so pay any such other Person), any and all Supplemental Rent promptly as the same shall become due and payable and, in the event of any failure on the part of the Lessee to pay any Supplemental Rent, the Lessor shall have all rights, powers and remedies provided for herein or by law or in equity or otherwise in the case of nonpayment of Basic Rent. The Lessee hereby reaffirms that its obligation to pay Supplemental Rent shall include the payment of any and all Additional Costs. The expiration or other termination of the Lessee's obligations to pay Basic Rent hereunder shall not limit or modify the obligations of the Lessee with respect to Supplemental Rent.

SECTION 4.3. Method and Amount of Payment.

Basic Rent and Supplemental Rent shall be paid by wire transfer by the Lessee to the Lessor (or, in the case of Supplemental Rent, to such Person as may be entitled thereto) at such place as the Lessor (or such other Person) shall specify in writing to the Lessee pursuant to Schedule II to the Participation Agreement. Each payment of Rent shall be made by the Lessee prior to 11:00 A.M. New York time (and payments made after such time shall be deemed to have been made on the next day) at the place of payment in funds consisting of Dollars which shall be immediately available on the scheduled date when such payment shall be due unless the scheduled date shall not be a Business Day, in which case such payment shall be due and made on the next succeeding Business Day. The provisions of the foregoing sentence of this Section 4.3 shall be applicable only to Basic Rent and to Supplemental Rent payable to, or on behalf of or for the account of, the Lessor and any other Indemnitee.

SECTION 4.4. Late Payment.

due date thereof (without regard to any applicable grace period) to but excluding the Business Day of payment thereof.

ARTICLE V NET LEASE

This Lease shall constitute a net lease and, notwithstanding any other provision of this Lease, it is intended that Basic Rent, Supplemental Rent, the Lease Balance and all other amounts due and payable under the Operative Documents shall be paid without counterclaim, setoff, deduction or defense of any kind and without abatement, suspension, deferment, diminution or reduction of any kind, and the Lessee's obligation to pay all such amounts throughout the Lease Term is absolute and unconditional. The obligations and liabilities of the Lessee hereunder shall, to the fullest extent permitted by Applicable Laws, in no way be released, discharged or otherwise affected for any reason (other than the indefeasible payment or performance in full of such liability or obligation) including: (a) any defect in the condition, merchantability, design, construction, quality or fitness for use of the Leased Property or any portion thereof, or any failure of the Leased Property or any portion thereof to comply with all Applicable Laws including any inability to occupy or use the Leased Property or any portion thereof by reason of such non-compliance; (b) any damage to, abandonment, loss, contamination of or Release from or destruction of or any requisition or taking of the Leased Property or any portion thereof including eviction; (c) any restriction, prevention or curtailment of or interference with any use of the Leased Property or any portion thereof, including eviction; (d) any defect in title to or rights to the Leased Property or any portion thereof or any Lien on such title or rights or on the Leased Property or any portion thereof; (e) any change, waiver, extension, indulgence or other action or omission or breach in respect of any obligation or liability of or by the Lessor; (f) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceedings relating to the Lessee, the Lessor or any other Person, or any action taken with respect to this Lease by any trustee or receiver of the Lessee, the Lessor or any other Person, or by any court, in any such proceeding; (g) any claim that the Lessee has or might have against any Person, including the Lessor or any Indemnitee arising from any of the circumstances set forth in this sentence (but will not constitute a waiver of such claim); (h) any failure on the part of the Lessor to perform or comply with any of the terms of this Lease, any other Operative Document or of any other agreement whether or not related to the Overall Transaction; (i) any invalidity or unenforceability or disaffirmance against or by the Lessee of this Lease or any provision hereof or any of the other Operative Documents or any provision of any thereof; (j) the impossibility of performance by the Lessee, the Lessor or both; (k) any action by any court, administrative agency or other Authority; (l) the construction of any Alterations; (m) the failure of the Lessee to achieve any accounting or tax benefits or the characterization of the transaction intended by Section 2.12 of the Participation Agreement; or (n) any other occurrence whatsoever, whether similar or dissimilar to the foregoing, whether or not the Lessee shall have notice or knowledge of any of the foregoing. Except as specifically set forth in Article XIII or Section 20.1 of this Lease, this Lease shall be noncancellable by the Lessee for any reason whatsoever and the Lessee, to the fullest extent permitted by Applicable Laws, waives all rights now or hereafter conferred by statute or otherwise to quit, terminate or surrender this

Lease, or to any diminution, abatement or reduction of Rent payable by the Lessee hereunder. If for any reason whatsoever this Lease shall be terminated or amended in whole or in part by operation of law or otherwise, except as expressly provided in Article XIII or Section 20.1 of this Lease, the Lessee shall, unless prohibited by Applicable Laws, pay to the Lessor (or, in the case of Supplemental Rent, to whomever shall be entitled thereto) a compensation in an amount equal to each Rent payment (including the Lease Balance and any other amount due and payable under any Operative Documents) at the time and in the manner that such payment would have become due and payable under the terms of this Lease if it had not been terminated or amended in whole or in part. Each payment of Rent including any payment of the Lease Balance and Break Even Price made by the Lessee hereunder shall be final and, absent manifest error in the computation of the amount thereof, the Lessee shall not seek or have any right to recover all or any part of such payment from the Lessor or any party to any agreements related thereto for any reason whatsoever. The Lessee assumes the sole responsibility for the condition, use, operation, maintenance, and management of the Leased Property and the Lessor shall have no responsibility in respect thereof and shall have no liability for damage to the Leased Property or the property relating thereto of the Lessee or any subtenant of the Lessee on any account or for any reason whatsoever. Without affecting the Lessee's obligation to pay Basic Rent, Supplemental Rent, the Lease Balance and all other amounts due and payable under the Operative Documents or to perform its obligations under the Operative Documents, the Lessee may, notwithstanding any other provision of the Operative Documents (other than Section 8.11 of the Participation Agreement), seek damages of any kind or any other remedy at law or equity against the Lessor for such willful misconduct or gross negligence or negligence in the handling of funds or for a breach by the Lessor of its obligations under this Lease or the other Operative Documents.

ARTICLE VI UTILITY CHARGES

During the Lease Term the Lessee shall pay or cause to be paid all development and improvement charges and all charges for electricity, power, gas, oil, water, telephone, sanitary sewer service and all other rents, utilities or public dues used in or on the Improvements or the Site during the Lease Term. The Lessee shall be entitled to receive any credit or refund with respect to any utility charge or public dues paid by the Lessee and the amount of any credit or refund received by the Lessor on account of any utility charges paid by the Lessee, net of the costs and expenses reasonably incurred by the Lessor in obtaining such credit or refund, which amount shall be promptly paid over to the Lessee. All charges for utilities imposed or public dues with respect to the Improvements and the Site for a billing period during which this Lease expires or terminates (except pursuant to Article XX or Section 21.1(a), in which case the Lessee shall be solely responsible for all such charges) shall be adjusted and prorated on a daily basis between the Lessee and any purchaser of the Leased Property, and each party shall pay or reimburse the other for each party's pro rata share thereof; provided, that in no event shall the Lessor have any liability therefor (unless Lessor is the purchaser of the Leased Property).

**ARTICLE VII
CONDITION AND USE OF LEASED PROPERTY**

LESSEE ACKNOWLEDGES AND AGREES THAT IT IS LEASING THE LEASED PROPERTY "AS IS" IN ITS PRESENT CONDITION, SUBJECT TO (A) ANY RIGHTS OF ANY PARTIES IN POSSESSION THEREOF OR OF THE SITE, (B) THE STATE OF THE TITLE THERETO OR TO THE SITE EXISTING AT THE TIME THE LESSOR ACQUIRED ITS INTEREST IN THE LEASED PROPERTY, (C) ANY STATE OF FACTS WHICH AN ACCURATE SURVEY OR PHYSICAL INSPECTION MIGHT SHOW (INCLUDING ANY SURVEY DELIVERED ON OR PRIOR TO THE CLOSING DATE), (D) ALL APPLICABLE LAWS, AND (E) ANY VIOLATIONS OF APPLICABLE LAWS WHICH MAY EXIST AT THE COMMENCEMENT OF THE LEASE TERM. LESSEE HAS EXAMINED THE LEASED PROPERTY AND (INSOFAR AS THE LESSOR IS CONCERNED) HAS FOUND THE SAME TO BE SATISFACTORY. WITHOUT LIMITING THE SPECIFIC REPRESENTATIONS AND WARRANTIES IN ARTICLE IV OF THE PARTICIPATION AGREEMENT, THE LESSOR HAS NOT MADE NOR SHALL BE DEEMED TO HAVE MADE ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, NOR SHALL BE DEEMED TO HAVE ANY LIABILITY WHATSOEVER AS TO THE TITLE TO THE LEASED PROPERTY OR THE SITE OR TO THE VALUE, MERCHANTABILITY, HABITABILITY, CONDITION, OR FITNESS FOR USE OF THE LEASED PROPERTY OR THE SITE, OR ANY PART THEREOF, OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED, WITH RESPECT TO THE LEASED PROPERTY OR THE SITE, OR ANY PART THEREOF, AND THE LESSOR SHALL NOT BE LIABLE FOR ANY LATENT, HIDDEN, OR PATENT DEFECT THEREIN OR THE FAILURE OF THE LEASED PROPERTY OR ANY PORTION THEREOF, TO COMPLY WITH ANY APPLICABLE LAWS, except that the Lessor hereby represents and warrants that as of the date of this Lease, the Leased Property is free of Lessor Liens. The Lessee, having been afforded full opportunity to inspect the Leased Property, is satisfied with the results of its inspections and is entering into this Lease solely on the basis of the results of its own inspections, and all risks incident to the matters discussed in the preceding sentence, as between the Lessor, on the one hand, and the Lessee, on the other, are to be borne by the Lessee. The provisions of this Article VII have been negotiated, and, except to the extent otherwise expressly stated, the foregoing provisions are intended to be a complete exclusion and negation of any representations or warranties by the Lessor, express or implied, with respect to the Leased Property (or any interest therein) that may arise pursuant to any law now or hereafter in effect or otherwise.

**ARTICLE VIII
LIENS; EASEMENTS**

SECTION 8.1. Liens.

During the Lease Term and subject to the Lessee's right to engage in Permitted Contests in accordance with Section 9.5, the Lessee will not directly or indirectly create, incur, assume or

suffer to exist any Lien (other than Permitted Liens) on or with respect to any portion of the Leased Property or any portion thereof or the Lessor's interest therein. The Lessee, at its own expense, will promptly pay, satisfy and otherwise take such actions as may be necessary to keep the Leased Property free and clear of, and duly to discharge, eliminate or bond in a manner reasonably satisfactory to the Lessor, any such Lien (other than Permitted Liens) if the same shall arise at any time.

SECTION 8.2. Easements.

Notwithstanding Section 8.1, at the request of the Lessee, the Lessor shall, from time to time during the Lease Term and upon reasonable advance written notice from the Lessee and receipt of the materials specified below, consent to and join in any (i) grant of easements, licenses, rights of way and other rights in the nature of easements, including utility easements which in each case facilitate the Lessee's use, development and operation of the Leased Property, (ii) release or termination of easements, licenses, rights of way or other rights in the nature of easements which releases and terminations are for the benefit of the Site or the Improvements or any portion thereof, (iii) dedication or transfer of portions of the Site, not improved with a building, for road, highway or other public purposes, provided the same are for the benefit of the Site or Improvements, (iv) execution of agreements for ingress and egress and amendments to any covenants and restrictions affecting the Site or Improvements or any portion thereof, and (v) request to any Authority for platting or subdivision or replatting or resubdivision approval with respect to the Site or any portion thereof or any parcel of land of which the Site or any portion thereof forms a part or a request for any variance from zoning or other governmental requirements, *provided that*:

(a) any such action shall be at the sole cost and expense of the Lessee and the Lessee shall pay all reasonable out-of-pocket costs of the Lessor in connection therewith (including the reasonable fees of attorneys, architects, engineers, planners, appraisers and other professionals reasonably retained by the Lessor in connection with any such action);

(b) the Lessee shall have delivered to the Lessor a certificate of a Responsible Officer of the Lessee stating that:

(i) such action will not cause the Leased Property, the Site or the Improvements or any portion thereof to fail to comply in any material respect with the provisions of the Lease or any other Operative Documents, or in any material respect with Applicable Laws; and

(ii) such action will not materially reduce the Fair Market Value, utility or useful life of the Leased Property, the Site or the Improvements or the Lessor's interest therein;

(c) in the case of any release or conveyance, if the Lessor so reasonably requests, the Lessee will cause to be issued and delivered to the Lessor by the Title Insurance Company endorsements to the Title Policies (to the extent available) pursuant to which the Title Insurance

Company agrees that its liability for the payment of any loss or damage under the terms and provisions of the Title Policies will not be affected by reason of the fact that a portion of the real property referred to in Schedule A of the Title Policies has been released or conveyed by the Lessor; and

- (d) there shall be no abatement of Rent as a result thereof.

ARTICLE IX MAINTENANCE AND REPAIR; ALTERATIONS AND ADDITIONS

SECTION 9.1. Maintenance and Repair; Compliance With Law.

At all times during the Lease Term, the Lessee shall (a) maintain the Improvements and the Site in good operating condition and repair, subject to ordinary wear and tear, and in any event in a manner consistent with other similar facilities or buildings owned or leased by the Lessee and its Subsidiaries; (b) subject to Section 9.5, maintain the Improvements and the Site in accordance with all Applicable Laws (including all Environmental Laws) in all material respects, whether or not such maintenance requires structural modifications; (c) maintain the Improvements and the Site in such a way that the Improvements and the Site shall not constitute a danger to persons or things; (d) comply in all material respects with the Insurance Requirements which are in effect at any time with respect to the Leased Property or any part thereof; (e) use the Improvements and the Site only in accordance with Article X; (f) make all necessary or appropriate repairs, replacements and renewals of the Improvements and the Site or any part thereof which may be required to keep the Improvements and the Site in the condition required by the preceding clauses (a) through (e), whether interior or exterior, structural or nonstructural, ordinary or extraordinary, foreseen or unforeseen, and including repairs, replacements and renewals that would constitute capital expenditures under GAAP if incurred by an owner of property; and (g) procure, maintain and comply in all material respects with all licenses, permits, orders, approvals, consents and other authorizations required for the construction, use, maintenance and operation of the Improvements and the Site. The Lessee waives any right that it may now have or hereafter acquire to (x) require the Lessor to maintain, repair, replace, alter, remove or rebuild all or any part of the Improvements or the Site or (y) make repairs at the expense of the Lessor pursuant to any Applicable Laws or other agreements.

SECTION 9.2. Improvements and Alterations.

(a) The Lessee, at the Lessee's own cost and expense, (i) shall make alterations, renovations, repairs, improvements and additions to the Leased Property or any part thereof and substitutions and replacements therefor (collectively, "***Alterations***") which are (A) necessary to repair or maintain the Improvements or the Site in the condition required by Section 9.1 or (B) necessary or advisable to restore the Improvements and the Site to its condition existing prior to a Casualty or Condemnation to the extent required pursuant to Article XIII, and (ii) so long as no Material Default or Event of Default has occurred and is continuing, may undertake Alterations

on the Leased Property so long as such Alterations comply in all material respects with Applicable Laws and are consistent and comply with Section 9.1 and subsection (b) of this Section 9.2.

(b) The making of any Alterations pursuant to subsection (a)(i) above of this Section 9.2 must be in compliance with the following requirements:

(i) The Lessee shall not make any Alterations in violation of the terms of any restriction, easement, condition, covenant or other similar matter affecting title to or binding on the Improvements or the Site.

(ii) No Alterations shall be undertaken until the Lessee shall have procured and paid for, so far as the same may be required from time to time, all permits and authorizations relating to such Alterations of all municipal and other Authorities having jurisdiction over the Improvements or the Site. The Lessor, at the Lessee's expense, shall join in the application for any such permit or authorization and execute and deliver any document in connection therewith, whenever such joinder is necessary or advisable; provided, however, that such joinder shall not constitute or be deemed to constitute, any assumption or responsibility or liability whatsoever.

(iii) The Alterations shall be completed in a good and workmanlike manner and in compliance in all material respects with all Applicable Laws then in effect and with the Insurance Requirements.

(iv) All Alterations shall, when completed, be of such a character as to not materially diminish (A) the utility of the Improvements as a corporate office complex including a corporate office building, lab facilities, and any uses ancillary thereto, (B) the then current Fair Market Value as determined by reference to the Appraisal, or (C) the Fair Market Value as determined by reference to the Appraisal as of the scheduled expiration date of the Lease Term.

(v) The Lessee shall have made adequate arrangements for payment of the cost of all Alterations when due so that the Improvements and the Site shall at all times be free of Liens for labor and materials supplied or claimed to have been supplied to the Improvements or the Site, other than Permitted Liens; provided, that the Lessee shall have the right to engage in Permitted Contests in accordance with Section 9.5.

(vi) The Alterations must be located solely on the Site.

SECTION 9.3. Alterations Subject to Lease.

The following Alterations without further act shall be deemed to constitute a part of the Leased Property and be subject to this Lease:

- (a) Alterations that are in replacement of or in substitution for a portion of the Improvements;
- (b) Alterations that are required to be made pursuant to the terms of Section 9.1 or 9.2(a)(i) hereof; or
- (c) Alterations that are Non-severable or immovable.

To the extent any Alterations are deemed to constitute part of the Leased Property pursuant to the preceding sentence, the Lessee hereby acknowledges and agrees that such Alterations will become upon installation property of the Lessor. The Lessee will, at the Lessor's request, execute and deliver any documents reasonably necessary to evidence or cause the vesting of such interests in and to such Alterations to the Lessor.

If such Alterations are not within any of the categories set forth in clauses (a) through (c) of this Section 9.3 and have not become property of the Lessor in accordance therewith, then such Alterations shall remain the sole property of the Lessee and such Alterations shall not be deemed to be Alterations which are part of the Leased Property. All such Alterations not constituting part of the Leased Property may, so long as no Event of Default is continuing, be removed at any time by the Lessee other than Alterations the removal of which would result in a violation of Applicable Laws. The Lessee shall at its expense prior to the Lease Expiration Date repair any damage to the Improvements or the Site caused by the removal of such Alterations. The Lessor (or the purchaser of the Leased Property if the Lessee elects the Return Option or in connection with a sale pursuant to Section 18.1) may purchase from the Lessee any such Alterations (if not already owned by the Lessor) that the Lessee intends to remove from the Improvements or the Site prior to the Lease Expiration Date, which purchase shall be at the Fair Market Value of such Alterations as determined by the Appraiser at the time of such purchase.

SECTION 9.4. Maintenance and Repair Reports.

During the Lease Term, the Lessee shall keep maintenance and repair reports in sufficient detail, on the same basis as records are kept for similar properties owned or leased by the Lessee or its Subsidiaries, to indicate the nature and date of major work done. Such reports shall be kept on file by the Lessee at its offices during the Lease Term, and shall be made available at the Lessee's office to the Lessor upon reasonable request.

SECTION 9.5. Permitted Contests.

If, to the extent and for so long as (a) a contest of the legality, validity or applicability to the Improvements or the Site or any interest therein of, or the operation, use or maintenance thereof by the Lessee of (i) any Applicable Laws, (ii) any term or condition of, or any revocation or amendment of, or other proceeding relating to, any Governmental Action, or (iii) any Lien or Tax shall be made in good faith, by appropriate proceedings initiated timely and diligently prosecuted, by the Lessee or (b) compliance with such Applicable Laws, Governmental Action, Lien or Tax

shall have been excused or exempted by a valid nonconforming use permit, waiver, extension or forbearance, the Lessee shall not be required to comply with such Applicable Laws, Governmental Action, Lien or Tax but only if and so long as any such contest shall constitute a Permitted Contest.

The Lessor will not be required to join in any Permitted Contest pursuant to this Section 9.5 unless a provision of any Applicable Laws requires, or, in the good faith opinion of the Lessee, it is helpful to the Lessee that such proceedings be brought by or in the name of the Lessor; and in that event, the Lessor will join in the proceedings or permit them or any part thereof to be brought in its name if and so long as (i) no Event of Default is continuing, (ii) the Lessee has not elected the Return Option, and (iii) the Lessee pays all related out-of-pocket expenses, and the Lessee shall be deemed to have acknowledged and agreed that the Lessor is indemnified therefor pursuant to Section 7.1 of the Participation Agreement.

ARTICLE X USE

SECTION 10.1. Use.

The Site on which the Improvements are located shall be used solely for the purposes of a corporate office complex including a corporate office building, lab facilities and any uses ancillary thereto. The Lessee shall not use the Leased Property or any portion thereof for any purpose or in any manner that would diminish (A) the utility of the Improvements as a corporate office complex including a corporate office building and any uses ancillary thereto, (B) the then current Fair Market Value as determined by reference to the Appraisal, or (C) the Fair Market Value as determined by reference to the Appraisal as of the scheduled expiration date of the Lease Term. The Lessee shall use the Leased Property in compliance in all material respects with (a) any Applicable Laws (including Environmental Laws), except to the extent permitted by Section 9.5, (b) any Insurance Requirements, and (c) all of the Operative Documents. The Lessee shall pay, or cause to be paid, all charges and costs required in connection with the use of the Leased Property in accordance with this Lease and the Participation Agreement. The Lessee shall not commit or permit any intentional waste of the Leased Property or any material part thereof.

SECTION 10.2. Trade Compliance; Anti-Corruption.

(a) *Trade Compliance.* The Lessee shall comply with the Trading with the Enemy Act, as amended, and all of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended), federal embargo laws and regulations, and the USA PATRIOT Act in the conduct of all of its activities, including the following: (i) the use, assignment, or sublease of Site or the Improvements by Prohibited Persons; and (ii) the export of any products manufactured at the Improvements to any destination or Prohibited Person.

(b) *Compliance with Anti-Corruption and Anti-Money Laundering Laws:* The Lessee shall at all times comply with all anti-bribery, anti-corruption, anti-money laundering and related

records keeping laws, rules, regulations and orders of any Authority applicable to it or its property, in each case except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. The Lessee will maintain in effect and enforce policies and procedures designed to ensure compliance by the Lessee, its Subsidiaries and their respective directors, officers, employees and agents with applicable economic or financial sanctions or trade embargoes imposed, administered or enforced from time to time by (a) the U.S. government, including those administered by OFAC or the U.S. Department of State or (b) the United Nations Security Council, the European Union or Her Majesty's Treasury of the United Kingdom.

ARTICLE XI INSURANCE

SECTION 11.1. Required Coverages.

During the Lease Term, the Lessee will provide or cause to be provided insurance with respect to the Improvements and the Site of a character usually obtained by the Lessee against loss or damage of the kinds and in the amounts customarily insured against by the Lessee with respect to similar properties, and carry such other insurance as is usually carried by the Lessee with respect to similar properties; provided, that in any event the Lessee will maintain:

(a) *Comprehensive General Liability Insurance.* The Lessee will maintain a comprehensive general liability insurance policy on an occurrence basis, with a combined single limit against claims for third-party bodily injury, including death and third-party property damage in an amount at least equal to \$25,000,000 per occurrence and \$25,000,000 in the aggregate, which may be a blanket policy, including pollution liability insurance for sudden and accidental contamination occurring on, in or about the Improvements or the Site in an amount of not less than \$10,000,000. Such coverage may be subject to deductibles or self-insurance up to an amount that is customarily carried by the Lessee with respect to similar property. Such liability insurance shall name the Lessor as an additional insured and the Lessor shall continue to be named as an additional insured and such policy shall remain in effect until at least the third anniversary of the end of the Lease Term. Notwithstanding the foregoing, Lessee may maintain the contractual liability and pollution liability insurance required above in a separate policy otherwise satisfying the requirements of this Section 11.1(a).

(b) *Builder's Risk Insurance.* At any other time in connection with any construction of or Alteration to any Improvements which enlarge the "footprint" of the Improvements by more than ten percent (10%), the Lessee shall arrange, on behalf of the Lessor and all contractors, to obtain and keep in force an all-risk builder's risk insurance with respect to the Improvements and the construction of such Alterations or Improvements insuring the Lessor's interest in the Improvements and the construction of such Alterations or Improvements including resulting damage from collapse, coverage for fire, hurricanes, flood and coverage against damage or loss caused by machinery accidents and operational and performance testing and start-up, with

extended coverage, in an amount not less than the full replacement cost of the insured building (without deduction for depreciation). The coverage required pursuant to this Section 11.1(b) may be maintained in a separate policy or included in the property insurance policy maintained pursuant to Section 11.1(c).

(c) *Property Insurance.* During the Base Term, the Lessee will maintain all-risk insurance (including coverage for fire, hurricanes, flood and coverage against damage or loss caused by machinery accidents and operational and performance testing and start-up) against loss or damage covering the Leased Property or any portion thereof against such risks customarily maintained by the Lessee with respect to similar properties in an amount not less than the replacement cost of the Improvements, including any costs that may be required to cause the Leased Property to be reconstructed to comply with then current Applicable Laws. Such property insurance shall name each of the Lessor as sole loss payee and as an additional insured.

(d) *Flood Insurance.* To the extent any portion of the Leased Property is located in an area identified as a special flood hazard area by the Federal Emergency Management Agency or other applicable Authority, the Lessee shall (i) obtain flood insurance for the Leased Property in an amount not less than \$150,000,000 on a blanket insurance basis together with Site Port 101, and (ii) require and shall ensure that such flood insurance at all times names Lessor as an additional insured and as loss payee, as its interests may appear.

(e) *Other Insurance.* Insurance shall not cover any terrorism or war risks unless the Lessee carries insurance for such risks generally on similar property it owns or leases.

Insurance provided pursuant to this Section 11.1 (other than permitted self-insurance) shall be written by reputable insurance companies that are financially sound and solvent with a rating of at least "A-" by A.M. Best's or Standard and Poor's or by other insurers approved in writing by the Lessor (including consistent with the Lessee's past practices, insurance companies affiliated with the Lessee). Each policy referred to in this Section 11.1 shall provide that: (i) it will not be canceled or allowed to lapse without renewal, except after not less than thirty (30) days' prior written notice to the Lessor or ten (10) days' prior notice to the Lessor in the case of non-payment of premium; (ii) other than standard policy exclusions, there is no provision in the policies where the interests of the Lessor shall be invalidated by any act or negligence of or breach of warranty by the Lessee or any Person having an interest in the Improvements or the Site; (iii) such insurance is primary and non-contributory with respect to any other insurance carried by or available to the Lessor; (iv) the insurer shall waive customary rights of subrogation, setoff, counterclaim, or other deduction, whether by attachment or otherwise, against any additional insured or loss payee; (v) such general liability policy and pollution legal liability policy shall contain a severability clause providing for coverage of the Lessor as if a separate policy had been issued to the Lessor; (vi) the Lessee will notify the Lessor promptly of any policy cancellation, reduction in policy limits, lapse, modification or amendment, and (vii) the insurer shall not allow for unpaid premiums to be paid by the Lessor.

Except as expressly set forth herein, the insurance required to be maintained by the Lessee under this Section 11.1 may be subject to such deductible amounts or periods, as applicable as is consistent with the Lessee's practice for other properties similar to the Leased Properties owned or leased by the Lessee, and may be carried under blanket policies maintained by or on behalf of the Lessee so long as such policies otherwise comply with the provisions of this Section 11.

SECTION 11.2. Delivery of Insurance Certificates.

Pursuant to Section 3.1(c) of the Participation Agreement, the Lessee shall deliver to the Lessor certificates of insurance reasonably satisfactory to the Lessor evidencing the existence of all insurance required to be maintained hereunder and setting forth the respective coverages, limits of liability, carrier, policy number and period of coverage. Thereafter, throughout the Lease Term, at the time each of the Lessee's insurance policies is renewed (but in no event less frequently than once every twelve (12) months) or upon written request by the Lessor during the continuance of an Event of Default, the Lessee shall deliver to the Lessor certificates of insurance evidencing that all insurance required by Section 11.1 to be maintained by the Lessee with respect to the Leased Property is in effect.

The Lessee agrees that nothing in this Article XI shall prohibit the Lessor from maintaining its own insurance coverage, at its own expense, which coverage shall not reduce the obligations of the Lessee under this Article XI; provided, however, that no such insurance shall be maintained if its maintenance would prevent the Lessee from maintaining insurance as to the Improvements and the Site with insurers when required to do so herein.

**ARTICLE XII
ASSIGNMENT AND SUBLEASING**

During the Lease Term, the Lessee may assign, sublease or transfer to any Person, at any time, in whole or in part, its right, title or interest in, to or under this Lease or any portion of the Leased Property without the prior written consent of the Lessor so long as (v) any such assignment, sublease or transfer would not subject the Lessor to a violation of laws or regulations applicable to the Lessor including those set forth in Section 10.2 hereof, (w) no Event of Default shall have occurred and be continuing or, after giving effect to such assignment, sublease or transfer, would exist, (x) any such sublease is expressly subject and subordinate to this Lease, (y) the Lessee remains liable for all obligations under this Lease after giving effect to any such assignment, sublease or transfer, and (z) the Lessor retains all of its interests in and benefits of the Cash Collateral and receives prior certification thereof from the Lessee and such other evidence thereof as the Lessor may reasonably request. Unless and until the Lessee has exercised the Early Termination Option or the Purchase Option, no sublease may have a term that extends beyond the Base Term Expiration Date. In all cases, the Lessee will promptly provide the Lessor copies of each such assignment, sublease or transfer.

No sublease will discharge or diminish any of the Lessee's obligations hereunder and the Lessee shall remain directly and primarily liable under the Lease with respect to the Leased Property and the Operative Documents to which it is a party. Each sublease permitted hereby shall be made and shall expressly provide in writing that it is subject and subordinate to this Lease and the rights of the Lessor hereunder, shall expressly provide for the surrender of the Leased Property by the sublessee at the election of the Lessor after an Event of Default, shall provide that such provisions may be directly enforced by the Lessor and shall provide that such sublessee expressly agrees to comply with the use restrictions set forth in Article X hereof.

Notwithstanding the first paragraph of this Article XII, the Lessee may not assign or transfer its rights and obligations under this Lease and the other Operative Documents unless (a) on the effective date of any such assignment and transfer, no Event of Default exists, (b) the parties enter into an assignment agreement in form and substance reasonably satisfactory to the Lessor, (c) all filings of or in respect of any such assignment and transfer necessary to protect the rights of the Lessor in the Leased Property and the other Operative Documents are made in a timely fashion, (d) without limiting any provisions of this Article XII, any such assignment and transfer shall include an appropriate provision for the operation, maintenance and insurance of the Leased Property in accordance with the terms hereof, (e) the Lessor shall have received opinions of counsel with respect thereto and such other matters as the Lessor may reasonably request, (f) such assignment and transfer will not result in a Material Adverse Effect, (g) such assignment and transfer will not result in the imposition of any unindemnified Taxes, (h) the Lessor shall have received such other documents and instruments and the Lessee shall take such further acts as the Lessor may reasonably request to evidence and facilitate such assignment and transfer, provided that no such document or instrument shall increase the Lessee's obligations or diminish the Lessee's rights under the Operative Documents or otherwise, and (i) such assignment and transfer will not, with respect to the Lessor, violate the use restrictions set forth in Article X hereof or Applicable Laws and provided, further that, the Lessee shall provide to the Lessor not less than thirty (30) days' prior written notice of such assignment or transfer, such notice to identify the assignee or transferee. No such assignment and transfer will diminish or discharge any of the Lessee's obligations under this Lease or the other Operative Documents.

ARTICLE XIII

LOSS, DESTRUCTION, CONDEMNATION OR DAMAGE

SECTION 13.1. Event of Loss.

(a) *Event of Loss During Base Term.*

(i) *Event of Taking.* If an Event of Taking shall occur during the Base Term, the Lessee shall give the Lessor prompt written notice of such occurrence and the date thereof and the Lessee shall on the next succeeding Payment Date (the "***Next Date***") after such Event of Taking shall have occurred or, if such Event of Taking shall have occurred within ten (10) Business Days preceding a Payment Date, then on the next succeeding

Payment Date after such Next Date shall have occurred, terminate this Lease and, as compensation for such Event of Taking, pay to the Lessor on such Payment Date the Break Even Price.

(ii) *Event of Loss.* If an Event of Loss (other than an Event of Taking) shall occur during the Base Term, the Lessee shall give the Lessor prompt written notice of such occurrence and the date thereof which notice shall contain an election by the Lessee to either (A) purchase the Leased Property from the Lessor on the Next Date after such Event of Loss shall have occurred or, if such Event of Loss shall have occurred within ten (10) Business Days preceding a Payment Date, then on the next succeeding Payment Date after such Next Date shall have occurred, at a purchase price equal to the Break Even Price of the Leased Property (and if the Lessee makes such election the Break Even Price shall become due and payable and the Lessee shall purchase the Leased Property on such Payment Date), or (B) provided no Material Default or Event of Default shall have occurred and be continuing and rebuilding of the Improvements is capable of being completed prior to the end of the Lease Term (as certified in writing by a construction consultant appointed by the Lessee and acceptable to the Lessor), rebuild the Improvements and continue the Lease. If the Lessee elects to rebuild the Improvements, the Lessee shall rebuild the Improvements to the condition required to be maintained pursuant to Section 9.1 and so as not to diminish (A) the utility of the Improvements as a corporate office complex including a corporate office building, and any uses ancillary thereto, (B) the then current Fair Market Value as determined by reference to the Appraisal, or (C) the Fair Market Value as determined by reference to the Appraisal as of the scheduled expiration date of the Lease Term.

(b) *Purchase and Termination.* Upon receipt in full by the Lessor of the Break Even Price pursuant to this Section 13.1(i) above, the Lease shall terminate and the obligations of the Lessee hereunder and under the other Operative Documents (other than any obligations expressed herein, or any other Operative Document as surviving termination of this Lease (including any obligations with respect to any existing Event of Default)) shall terminate as of the date of such receipt. Upon such receipt in full of the Break Even Price, the Leased Property and all rights to any remaining awards or proceeds shall be transferred to the Lessee or its designee in accordance with Section 23.11 hereof.

(c) *Application of Payments Relating to an Event of Loss.* Subject to Section 13.4, all condemnation proceeds and property insurance proceeds received at any time by the Lessee during the Lease Term from any Authority or other Person with respect to any Event of Loss shall be promptly remitted to the Lessor (up to, but not exceeding, the Break Even Price) and, upon the payment in full of the Break Even Price, the Lessor shall assign to the Lessee all rights to any condemnation proceeds and property insurance proceeds and any such condemnation proceeds and property insurance proceeds remaining thereafter or thereafter received shall be paid by the Lessor (whichever shall receive same) over to the Lessee, or as the Lessee may direct, and any receipt of such proceeds shall satisfy the Lessee's obligations under Section 13.1.

SECTION 13.2. Condemnation.

In case of a Condemnation for temporary use of all or a portion of the Leased Property or a Condemnation of a portion of the Leased Property, in each case which is not an Event of Taking, this Lease shall remain in full force and effect, without any abatement or reduction of Rent, and the proceeds and awards received from any Authority relating to such Condemnation shall, so long as no Material Default or Event of Default shall have occurred and be continuing, be paid by the Lessor to the Lessee and, to the extent applicable, shall be used by the Lessee to repair and restore the affected Leased Property to the condition required by Section 9.1. Notwithstanding anything herein to the contrary, any portion of such proceeds that is awarded with respect to the time period after the expiration or termination of the Lease Term (unless the Lessee shall have exercised an option to purchase the Leased Property and consummated such purchase) shall be paid to the Lessor; provided, that if the Lessee has paid the Break Even Price to the Lessor, such proceeds (or the portion of such proceeds in excess of portion thereof applied to the Break Even Price) shall be paid by the Lessor over to the Lessee.

SECTION 13.3. Casualty.

Upon any Casualty during the Base Term with respect to the Leased Property which is not an Event of Loss, this Lease shall remain in full force and effect, without any abatement or reduction of Rent and, if the cost of repair would exceed \$2,000,000 (as reasonably determined by the Lessee), the Lessee shall give to the Lessor written notice of such Casualty. As soon as practicable after such Casualty with respect to the Leased Property has occurred, the Lessee shall repair and rebuild the affected portions of the Leased Property suffering such Casualty (or cause such affected portions to be repaired and rebuilt) to the condition required to be maintained by Section 9.1 and so that the Fair Market Value, utility, useful life and functional capability of such item as restored is at least equivalent to the Fair Market Value, utility and useful life and functional capability of such item as in effect immediately prior to the occurrence of such Casualty (assuming the Improvements were being maintained in accordance with Section 9.1); provided, that at all times during such repair or rebuilding the Lessee shall maintain the Improvements in accordance with Section 9.1.

SECTION 13.4. Proceeds.

If a Material Default or an Event of Default shall have occurred and be continuing, any proceeds received from any Authority or any insurance proceeds, in either case with respect to any Casualty or an Event of Loss, shall be held by the Lessor. So long as no Material Default or Event of Default shall have occurred and be continuing, any such proceeds received from any Authority or any insurance proceeds with respect to any Casualty, or if the Lessee has elected to rebuild the Improvements upon an Event of Loss pursuant to Section 13.1 hereof, with respect to such Event of Loss, shall be paid by the Lessor or by the insurers over to the Lessee up to \$2,000,000. Any such proceeds received from any Authority or any insurance proceeds with respect to any Casualty or, if the Lessee has elected to rebuild the Improvements, with respect to an Event of Loss, in each case, not paid over to the Lessee in accordance with the previous sentence, shall be held by the

Lessor and made available to the Lessee to pay costs actually incurred by the Lessee to restore the Leased Property as required herein in accordance with Section 13.1(a)(ii) and any proceeds received from any Authority or any insurance proceeds remaining after such restoration shall be paid by the Lessor over to the Lessee.

SECTION 13.5. Negotiations.

In the event any part of the Leased Property becomes subject to condemnation or requisition proceedings during the Lease Term, the Lessee shall give notice thereof to the Lessor promptly after the Lessee has knowledge thereof and, to the extent permitted by any Applicable Laws, the Lessee shall control the negotiations with the relevant Authority unless an Event of Default has occurred and is continuing, in which case the Lessor shall be entitled to control such negotiations in consultation with the Lessee; provided, that in any event the Lessor may participate at the Lessor's expense (or if an Event of Default is continuing, at the Lessee's expense) in such negotiations. The Lessee shall give to the Lessor such information, and copies of such documents, which relate to such proceedings, or which relate to the settlement of amounts due under insurance policies required by Section 11.1, and are in the possession of the Lessee, as are reasonably requested by the Lessor. If the proceedings relate to an Event of Taking, the Lessee shall act diligently in connection therewith. Nothing contained in this Section 13.5 shall diminish the Lessor's rights with respect to condemnation proceeds and property insurance proceeds under Section 13.1.

SECTION 13.6. No Rent Abatement.

Rent shall not abate hereunder by reason of any Casualty, any Event of Loss, any Event of Taking or any Condemnation of any portion of the Leased Property, and the Lessee shall continue to perform and fulfill all of the Lessee's obligations, covenants and agreements hereunder notwithstanding such Casualty, Event of Loss, Event of Taking or Condemnation until the Lease Expiration Date.

All such inspections shall be (i) during the Lessee’s normal business hours, (ii) subject to the Lessee’s reasonable confidentiality requirements, and (iii) at the expense and risk of the Inspecting Parties, except that, if a Default or Event of Default has occurred and is continuing, the Lessee shall reimburse the Inspecting Parties for the reasonable out-of-pocket costs and expenses of such inspections and, except for the Inspecting Party’s gross negligence or willful misconduct, such inspection shall be at the Lessee’s risk. No inspection shall unreasonably interfere with the Lessee’s operations. None of the Inspecting Parties shall have any duty to make any such inspection or inquiry. None of the Inspecting Parties shall incur any liability or obligation by reason of making any such inspection or inquiry unless and to the extent such Inspecting Party causes damage to the Improvements or the Site or any property of the Lessee or any other Person during the course of such inspection.

ARTICLE XVI ENVIRONMENTAL MATTERS

SECTION 16.1. Environmental Matters.

unless the Lessor, in its sole discretion, notifies the Lessee to terminate such actions. Nothing in this Article XVI shall reduce or limit the Lessee's obligations under Article VII of the Participation Agreement (which obligations shall include any Claims arising from such actions).

SECTION 16.2. Notice of Environmental Matters.

Promptly upon the Lessee's obtaining knowledge of the existence of any Material Environmental Violation with respect to the Improvements or the Site, the Lessee shall notify the Lessor in writing of such Material Environmental Violation. ARTICLE XVIII ENFORCEMENT

SECTION 18.1. Remedies.

During the continuation of an Event of Default and notwithstanding any Event of Loss or termination of the Lease pursuant to Article XIII, at the Lessor's option and without limiting the Lessor in the exercise of any other right or remedy the Lessor may have on account of such Event of Default, and without any further demand or notice, the Lessor may to the fullest extent permitted under Applicable Laws cause the following to occur:

(a) By notice to the Lessee, the Lessor may terminate the Lessee's right to possession of the Leased Property.

(b) The Lessor may (i) demand that the Lessee, and the Lessee shall upon the written demand of the Lessor, return the Leased Property promptly to the Lessor in the condition required by Section 22.5 and the Lessor shall not be liable for the reimbursement of the Lessee for any costs and expenses incurred by the Lessee in connection therewith, and (ii) without prejudice to any other remedy which the Lessor may have for possession of the Leased Property, and to the extent and in the manner permitted by Applicable Laws, enter upon the Site and Improvements and take immediate possession of (to the exclusion of the Lessee) the Leased Property or any part thereof and expel or remove the Lessee, by summary proceedings or otherwise, all without liability to the Lessee for or by reason of such entry or taking of possession (provided that, the Lessor shall remain liable for actual damages caused by its bad faith, gross negligence or willful misconduct), whether for the restoration of damage to property caused by such taking of possession or otherwise and, in

addition to the Lessor's other damages, the Lessee shall be responsible for all actual and reasonable costs and expenses incurred by the Lessor in connection with any reletting, including brokers' fees and all costs of any alterations or repairs made by the Lessor;

(c) The Lessor may terminate this Lease with respect to all or any part of the Leased Property and/or declare the aggregate outstanding Lease Balance plus all other accrued and unpaid Rent payable by the Lessee (including Break Funding Amount, if any) to be immediately due and payable provided, however, that this Lease shall terminate immediately without notice and the aggregate outstanding Lease Balance and accrued and unpaid Rent and such other amounts payable by the Lessee under the Operative Documents shall become immediately due and payable without demand therefor, upon the occurrence of an Event of Default described in paragraphs (h) or (i) of Article XVII hereof and, subject to the conditions therein, the Leased Property shall be transferred in accordance with Section 20.2 hereof. Without duplication of any other amount recovered pursuant to this paragraph (c), the Lessor shall be entitled to recover from the Lessee the following amounts and take the following actions:

(1) all accrued and unpaid Rent hereunder (including Basic Rent and Supplemental Rent) for the period commencing on the Closing Date through the Final Rent Payment Date with respect to the Leased Property;

(2) the Lessor may elect either of the following with respect to any or all of the Leased Property:

(A) the Lessor may demand, by written notice to the Lessee specifying a payment date (the "**Final Rent Payment Date**") on a Business Day no earlier than thirty (30) days after the date of such notice but, in any event, no later than the date the Leased Property or part thereof is sold pursuant to clause (c)(2)(B) hereof, that the Lessee purchase the Leased Property, and the Lessee shall pay to the Lessor, on the Final Rent Payment Date (in lieu of Basic Rent due after the Final Rent Payment Date), an amount equal to the sum of (x) the Lease Balance computed for the period commencing on the Closing Date to and including the Final Rent Payment Date, plus (y) all accrued and unpaid Rent (including Break Funding Amount, if any) due and unpaid for the period commencing on the Closing Date to and including the Final Rent Payment Date (less any amounts paid by the Lessee under clause (x) above), and upon payment of such amount, and the amount of all other sums due and payable by the Lessee under this Lease and the other Operative Documents (and interest at the Overdue Rate on the amounts payable under this clause (c)(2)(A) from the Final Rent Payment Date to the date of actual payment), the Leased Property shall be transferred to the Lessee or its designee pursuant to Section 23.11; or

(B) the Lessor may sell its interest in the Leased Property and/or pursue any and all remedies under the Security Documents, and, in any

event, the Lessee shall pay to the Lessor an amount equal to the excess, if any, of (x) all amounts described in clause (c)(1) above due the Lessor over (y) the net Sale Proceeds received by the Lessor from the foregoing sale (provided, that in calculating such net Sale Proceeds, all fees, costs, expenses and Taxes to the extent not indemnified and not paid by the Lessee pursuant to Section 7.2 of the Participation Agreement incurred by the Lessor in connection with such sale, including legal fees, shall be deducted from such Sale Proceeds);

(3) Any other amount necessary to compensate the Lessor for all the damages caused by or resulting from the Lessee's failure to perform the Lessee's obligation under this Lease, including the costs and expenses (including reasonable attorneys' fees, advertising costs and brokers' commissions) of recovering possession of the Leased Property, removing Persons or property from the Leased Property, placing the Leased Property in good order, condition, and repair, preparing and altering the Leased Property for reletting, and all other costs and expenses of reletting; and

(4) Such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by Applicable Laws.

(d) The Lessor may exercise any and all rights and remedies under the Security Documents including with respect to the Cash Collateral subject to the Pledge Agreement.

(e) If an Event of Default under this Lease is continuing, Lessor shall have the remedy described in California Civil Code §1951.4 (which provides that, a lessor may continue a lease in effect after lessee's breach and abandonment and recover rent as it becomes due, if the lessee has right to sublet or assign, subject only to reasonable limitations), in which case, this Lease shall continue in effect for so long as the Lessor does not terminate this Lease, and the Lessor may enforce all of the Lessor's rights and remedies under this Lease, including the right to recover the Rent hereunder (including Basic Rent (when applicable) and Supplemental Rent) as it becomes due under this Lease. The Lessee's right to possession shall not be deemed to have been terminated by the Lessor except pursuant to clause (i) above. The following do not constitute a termination of this Lease:

(1) Acts of maintenance or preservation or efforts to relet the Leased Property; and

(2) Withholding of consent to assignment or subletting, or terminating a subletting or assignment by the Lessee.

(f) In the event that the Lessor elects to continue this Lease in full force and effect following the termination of the Lessee's right of possession of the Improvements and the Site, the Lessor, to the maximum extent permitted by Applicable Laws, may enforce all its rights and

remedies under this Lease including the right to recover Rent hereunder as it becomes due. During the continuance of an Event of Default or following the termination of the Lessee's right to possession of the Improvements and the Site, the Lessor may enter the Improvements and the Site in accordance with Applicable Laws without terminating this Lease and sublet all or any part of the Leased Property for the Lessee's account to any Person, for such term (which may be a period beyond the remaining Lease Term), at such rents and on such other terms and conditions as are commercially reasonable. In the event of any such subletting, rents received by the Lessor from such subletting shall be applied (i) first, to the payment of the reasonable costs incurred by the Lessor in maintaining, preserving, altering and preparing the Leased Property for subletting and other reasonable costs of subletting, including reasonable brokers' commissions and attorneys' fees; (ii) second, to the payment of Rent hereunder then due and payable; (iii) third, to the payment of future Rent hereunder as the same may become due and payable hereunder; (iv) fourth, to the payment of all other obligations of the Lessee hereunder and under the other Operative Documents (including the Lease Balance), and (v) fifth, the balance, if any, shall be paid to the Lessee. If the rents received by the Lessor from such subletting, after application as provided above, are insufficient in any period to pay the Rent due and payable hereunder for such period, the Lessee shall pay such deficiency to the Lessor upon demand. Notwithstanding any such subletting for the Lessee's account without termination, the Lessor may at any time thereafter, by written notice to the Lessee, elect to terminate this Lease.

(g) The Lessor may exercise any other right or remedy that may be available to it under Applicable Laws or in equity, or proceed by appropriate court action (legal or equitable) to enforce the terms or to recover damages for the breach hereof, including those arising from a breach by the Lessee of its obligations under Section 20.2 hereof. Separate suits may be brought to collect any such damages for any Rent installment period(s), and such suits shall not in any manner prejudice the Lessor's right to collect any such damages for any subsequent Rent installment period(s), or the Lessor may defer any such suit until after the expiration of the Lease Term, in which event such suit shall be deemed not to have accrued until the expiration of the Lease Term.

(h) The Lessor may retain and apply against the Lessor's damages all sums which the Lessor would, absent such Event of Default, be required to pay to, or turn over to, the Lessee pursuant to the terms of this Lease.

The Lessee acknowledges and agrees that upon the declaration of an Event of Default the amount due and owing by the Lessee to the Lessor hereunder shall be the Lease Balance together with all other then accrued and unpaid Rent payable by the Lessee and that to the maximum extent permitted by Applicable Laws, the Lessee waives any right to contest the Lease Balance as the liquidated sum or agreed upon sum due and owing.

SECTION 18.2. Proceeds of Sale; Deficiency.

(a) All payments received and amounts held or realized by the Lessor at any time when an Event of Default shall be continuing and after the Lease Balance shall have been accelerated pursuant to this Article XVIII as well as all payments or amounts then held or thereafter

received by the Lessor (except for rents received by the Lessor from subletting pursuant to Section 18.1(f), which shall be distributed as set forth therein) and the proceeds of sale pursuant to Section 18.1(c)(2)(B) shall be distributed forthwith upon receipt by the Lessor as follows:

first, to the Lessor, so much of such amount as is required to reimburse the Lessor for any fees, costs, expenses, Taxes or other loss incurred by it (to the extent not previously reimbursed);

second, to the Lessor, so much of such amounts as are required to pay all expenses or fees incurred by the Lessor in connection therewith including Break Funding Amounts, if any;

third, to the Lessor, so much of such amount as is required to pay all accrued Yield thereon;

fourth, to the Lessor, so much of such amounts as are required to pay in full the outstanding amount of the Lease Balance;

fifth, to the Lessor, so much of such amounts as are required to pay all outstanding obligations of the Lessee pursuant to the Operative Documents including all indemnities which are due and payable; and

sixth, to the Lessee, the balance of such amount, if any.

SECTION 18.3. Waiver of Certain Rights.

To the maximum extent permitted by Applicable Laws, (a) the Lessee hereby waives the benefit of any appraisalment, valuation, stay, extension, reinstatement and redemption laws now or hereafter in force and all rights of marshalling in the event of any sale of the Leased Property or any interest therein and (b) if this Lease shall be terminated pursuant to this Article XVIII, the Lessee waives, to the fullest extent permitted by Applicable Laws, (i) any notice of re-entry or the institution of legal proceedings to obtain re-entry or possession, (ii) any right of redemption, re-entry or repossession, (iii) the benefit of any laws now or hereafter in force exempting property from liability for rent or for debt or limiting the Lessor with respect to the election of remedies, (iv) any other rights which might otherwise limit or modify any of the Lessor's rights or remedies under this Article XVIII, and (v) any rights now or hereafter conferred under California Applicable Laws that may require the Lessor to sell, lease or otherwise use the Leased Property, or any part thereof in mitigation of the Lessor's damages upon the occurrence of an Event of Default or that may otherwise limit or modify any of the Lessor's rights or remedies under this Article XVIII.

SECTION 18.4. Remedies Cumulative; No Waiver; Consents.

To the extent permitted by, and subject to the mandatory requirements of, Applicable Laws, each and every right, power and remedy herein specifically given to the Lessor or otherwise in this Lease shall be cumulative and shall be in addition to every other right, power and remedy herein

specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Lessor, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Lessor in the exercise of any right, power or remedy or in the pursuit of any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Lessee or be an acquiescence therein. The Lessor's consent to any request made by the Lessee shall not be deemed to constitute or preclude the necessity for obtaining the Lessor's consent, in the future, to all similar requests. No express or implied waiver by the Lessor of any Event of Default shall in any way be, or be construed to be, a waiver of any future or subsequent Default or Event of Default.

ARTICLE XIX RIGHT TO CURE

If any Event of Default other than those described in paragraphs (h) and (i) of Article XVII shall be continuing and in the Lessor's reasonably exercised judgment the Lessee is not acting diligently and appropriately to cure such Event of Default, the Lessor may, but shall not be obligated to, on five (5) Business Days' prior notice to the Lessee (except in the event of an emergency, in which case only one (1) Business Day's prior notice shall be required), cure such Event of Default and the Lessor shall not thereby be deemed to have waived any default caused by such failure to cure, and the amount of such payment and the amount of the expenses of the Lessor (including reasonable attorneys' fees and expenses) incurred in connection with such cure, together with interest thereon at the Overdue Rate, shall be deemed Supplemental Rent, payable by the Lessee to the Lessor upon demand.

ARTICLE XX EARLY TERMINATION OPTION; OBLIGATION TO PURCHASE; MID-TERM REMARKETING OPTION

SECTION 20.1. Early Termination Option.

Without limitation of the Lessee's purchase obligation pursuant to Section 20.2, the Lessee may, at its option, on any Business Day following the Base Term Commencement Date but prior to the Lessee's election to exercise the Return Option, purchase all, but not less than all, of the Leased Property (the "***Early Termination Option***") at a price equal to the Break Even Price. In order to exercise its option to purchase the Leased Property pursuant to this Section 20.1, the Lessee shall give the Lessor not less than thirty (30) days' prior written notice of such election which election, in each case, shall be irrevocable when made. Notwithstanding anything herein to the contrary, the Lessee shall not be permitted to exercise the Early Termination Option following the occurrence and during the continuance of an Event of Default unless it shall (i) elect the Early Termination Option on or before ten (10) Business Days following such Event of Default, and (ii)

consummate the purchase of the Leased Property by the Lessee (or its designee) before twenty (20) Business Days following such Event of Default. Upon receipt of the Break Even Price, the Leased Property shall be transferred to the Lessee (or its designee) pursuant to Section 23.11.

SECTION 20.2. Required Purchase.

So long as the Lessor has not exercised any other remedy inconsistent therewith, the Lessee shall be obligated to purchase the Leased Property for the Break Even Price automatically and without notice upon the occurrence of any Event of Default described in clauses (h) or (i) of Article XVII and upon receipt of the Break Even Price the Leased Property shall be transferred to the Lessee (or its designee) pursuant to Section 23.11.

SECTION 20.3. Mid-term Remarketing Option.

At any time during the Lease Term other than after the occurrence and during the continuance of an Event of Default, the Lessee shall have the option (the “***Remarketing Option***”) to designate a third party purchaser and to cause the Lessor to sell the Leased Property to such purchaser on the date designated for the sale thereof by the Lessee (the “***Remarketing Sale Date***”) provided, that the Lessor shall have received the Remarketing Sale Proceeds of such sale together with (in the case where such Remarketing Sale Proceeds do not equal or exceed the Break Even Price) additional cash amounts paid to the Lessor by the Lessee, as Supplemental Rent, in an amount equal to the excess of the Break Even Price over such Remarketing Sale Proceeds. If the Remarketing Sale Proceeds exceed the Break Even Price as of such Remarketing Sale Date, the Lessor shall pay over to the Lessee the portion of the Remarketing Sale Proceeds in excess thereof after satisfaction of all amounts due hereunder or under the other Operative Documents. Subject to, and concurrent with, the receipt by the Lessor of funds equal to or in excess of the Break Even Price, on the Remarketing Sale Date, the Lessor shall convey to the Lessee or its designee the Leased Property in accordance with Section 23.11. The Lessee shall be responsible for the payment of all fees and expenses of the Lessor (including reasonable attorneys’ fees and expenses) incurred in connection with any exercise or purported exercise of the Remarketing Option.

**ARTICLE XXI
END OF TERM OPTIONS**

SECTION 21.1. End of Term Options

At least one hundred and eighty (180) days, but not more than two hundred seventy (270) days prior to the Return Date, the Lessee shall, by delivery of an irrevocable written notice to the Lessor, exercise one of the following options:

(a) Purchase for cash for the Break Even Price all, but not less than all, of the Leased Property then subject to this Lease on the last day of the Lease Term (the “***Purchase Option***”) and if the Lessee shall have elected the Purchase Option, upon the payment to the Lessor of the Break

Even Price, the Leased Property shall be transferred to the Lessee (or its designee) pursuant to Section 23.11; or

(b) Provided no Default or Event of Default or Event of Loss shall have occurred and be continuing, return the Leased Property to the Lessor at the end of the scheduled expiration date of the Lease Term (the “**Return Option**”). The Return Option shall be conditioned upon and subject to the fulfillment by the Lessee of each of the terms and conditions set forth in Article XXII and, thereafter, the Lessee shall have no further obligations to pay Basic Rent or the remaining Lease Balance. The Lessee shall not enter into any additional subleases or renew any subleases with respect to the Leased Property following the Lessee’s election of the Return Option. Following the Lessee’s election of the Return Option, the Lessee shall not remove any Alterations.

SECTION 21.2. Election of Options.

In the event the Lessor shall not have received the foregoing notice from the Lessee on or prior to the date that is one hundred and eighty (180) days prior to the Return Date, by delivery of written notice via nationally recognized overnight courier to the Lessee, the Lessor may notify the Lessee of the expiration of the election notice period set forth in the preceding section. If, in any event, the Lessee fails to make a timely election under Section 21.1 hereof, the Lessee shall be deemed to have elected the Purchase Option. The Lessee may not elect the Return Option if there exists on the date the election is made a Default, an Event of Default or an Event of Loss. In the event a Default or an Event of Default or an Event of Loss shall have occurred after the election by the Lessee, or deemed election by the Lessee, of the Return Option, then notwithstanding any such election or deemed election, the Lessee shall be deemed to have elected the Purchase Option with respect to the Leased Property.

**ARTICLE XXII
RETURN OPTION**

SECTION 22.1. Return Option Procedures.

(a) If the Lessee elects the Return Option and the Lessor elects to require the Lessee to offer to sell the Leased Property, at the option of the Lessor, (x) the purchaser shall be reasonably entitled (whether on or before the Return Date or thereafter) to be granted a temporary easement or other right of access from the Lessee on the Leased Property to enable the purchaser to have access over paths and streets necessary to remarket the Leased Property (the “**Easement**”) (which obligation of the Lessee to grant such Easement hereunder shall survive the termination of this Lease), or (y) the Lessee shall use commercially reasonable efforts as non-exclusive agent for the Lessor to obtain the highest all cash purchase price for the Leased Property. In the event the Lessee receives any bid, the Lessee shall within five (5) Business Days after receipt thereof and, at least five (5) Business Days prior to the Return Date, certify to the Lessor in writing the amount and terms of such bid and the name and address of the party (who shall not be the Lessee or any Subsidiary of the Lessee or, unless the sum of (i) the Sale Proceeds pursuant to a proposed bid

which the Lessee desires to accept plus (ii) the Recourse Deficiency Amount plus (iii) any amount payable pursuant to Section 7.5 of the Participation Agreement is not less than the Break Even Price, any Person with whom the Lessee has an understanding or arrangement regarding their future use, possession or ownership of the Leased Property or the Lessor's other rights, title and interest in and to the Leased Property, but who may be the Lessor, any Affiliate thereof, or any Person contacted by the Lessor (other than any Person otherwise forbidden from being such purchaser pursuant to the foregoing parenthetical)) submitting such bid, and the Lessee and any sublessee shall confirm in writing both to the Lessor and to the bidder that it will vacate the Leased Property (unless some other reasonable understanding or arrangement between the bidder and Lessee is reached and permitted pursuant this Section above) and take such reasonable steps as may be required to grant to the bidder the Easement on or before the Return Date.

(b) If the sum of (i) the Sales Proceeds pursuant to a proposed bid which the Lessee desires to accept plus (ii) the Recourse Deficiency Amount plus (iii) any amount payable pursuant to Section 7.5 of the Participation Agreement is not less than the Break Even Price, then the Lessee shall determine and accept such bid; otherwise, the Lessor shall have the right, in its sole and absolute discretion to accept or reject any bid so presented by the Lessee. As non-exclusive selling agent, the Lessee's expenses and the out-of-pocket expenses incurred by the Lessor in connection with any such bidding and sale process pursuant to this Section 22.1 as well as all costs and expenses incurred by the Lessor or, unless agreed to be the responsibility of the buyer, a buyer or potential buyer of the Leased Property to place the Leased Property in the condition required by Section 9.1, shall be deducted from the Sale Proceeds. On the Return Date, so long as no Event of Default or Default or Event of Loss shall have occurred and be continuing: (w) the Lessee shall transfer all of the Lessee's right, title and interest in the Leased Property if any, that the Lessor does not yet hold pursuant to the terms of the Operative Documents to the bidder, if any, which shall have submitted the bid (if any) accepted pursuant to this Section 22.1(b), in the same manner and in the same condition and otherwise in accordance with all of the terms of this Lease, warranted free and clear of all Liens other than Permitted Liens described in clauses (a) (but only if the bidder has elected to keep this Lease in effect) and (b) of the definition thereof and liens for Taxes not yet delinquent; (x) subject to the prior or current payment by the Lessee of all amounts due under clause (y) of this sentence, the Lessor shall comply with any conditions to transfer set forth in Section 22.2 in order to transfer its interests in the Leased Property for cash to such bidder; (y) the Lessee, as non-exclusive selling agent, shall simultaneously pay to the Lessor all of the amounts required pursuant to Section 22.3; and (z) after payment in full of all amounts owing to the Lessor hereunder and under the terms of the bid, this Lease shall terminate or, at the Lessee's option, shall be assigned by the Lessor without recourse or warranty by the Lessor to a designee concurrent with the payment of such designated amount. The Lessor shall not have any responsibility for procuring any purchaser; provided, however, that the Lessor and its designees may engage in activities to market and sell the Leased Property and may terminate the Lessee as its non-exclusive selling agent upon one (1) Business Day's notice. Any such activities reasonably undertaken by the Lessor pursuant to this Section 22.1(b) shall be at the Lessor's sole cost and expense (which shall be deducted from the Sale Proceeds in accordance with the foregoing), and shall not reduce the Lessee's obligations, as non-exclusive selling agent, under this Section 22.1(b)

(or during the Extended Remarketing Period) to use commercially reasonable efforts, as non-exclusive selling agent, to sell the Leased Property in accordance with the requirements of this Section 22.1(b) and Section 22.2. If the Sale Proceeds exceed the Break Even Price as of the Return Date, the Lessee shall retain or be entitled to receive the portion of the Sale Proceeds in excess thereof. If the Sale Proceeds are less than the aggregate outstanding Break Even Price, the Lessee shall pay or shall cause to be paid to the Lessor, as Supplemental Rent, on the date of such sale (but not later than the Return Date), in addition to the Sale Proceeds, an additional amount as set forth in the last sentence of Section 22.3(a) hereof.

SECTION 22.2. Sale.

The Lessee, as non-exclusive selling agent, shall, on the Return Date, at the Lessee's own expense (without right of reimbursement therefor out of gross sale proceeds except as provided in the third sentence of Section 22.1(b) above), negotiate the terms of any applicable sale, such that the Leased Property transferred to the purchaser in accordance with Section 22.1 hereof is (i) free and clear of all Liens, other than Permitted Liens described in clauses (a) (but only if the purchaser has elected to keep this Lease in effect) or (b) of the definition thereof and liens for Taxes not yet delinquent, and (ii) (A) in the condition required by the terms of this Lease, (B) capable of operating in accordance with the purposes set forth in the Appraisal, (C) without any lessees claiming relief or exemption from judicial execution, and (D) in compliance with all Applicable Laws. The Lessee, as non-exclusive selling agent, shall obtain all necessary governmental consents and approvals and make all governmental filings required by the Lessee or the Lessor in connection with any sale and grant of rights. The Lessor shall take such reasonable steps as may be required under the applicable sale agreement to transfer the Leased Property to the purchaser. The Lessee, as non-exclusive selling agent, shall cooperate with the purchaser of the Leased Property in order to facilitate the transfers of the use, ownership and operation of the Leased Property by such purchaser after the date of the sale or transfer, including providing all books, reports and records regarding the maintenance, repair and ownership of the Leased Property and granting or assigning all licenses necessary for the operation of the Leased Property and cooperating in seeking and obtaining all necessary Governmental Actions. The Lessee shall also, on the Return Date, vacate and cause any sublessee to vacate the Leased Property, unless otherwise permitted pursuant to Section 22.1(a). As a further condition to the Lessee's rights hereunder, the Lessee shall pay the total cost for the completion of all Alterations commenced after the Base Term Commencement Date and prior to the Return Date, and, subject to the Lessee's right to use applicable insurance proceeds as set forth in Article XIII hereof, for the repair and rebuilding of the affected portions of the Leased Property suffering a Casualty after the Base Term Commencement Date. Such Alterations and all such repairs and rebuilding shall be completed prior to the Return Date. Unless the Lessee shall have exercised or been deemed to have exercised its Purchase Option or the Leased Property is to be sold to an independent purchaser, prior to the Return Date, the Lessee shall furnish to the Lessor and the independent purchaser hereunder a reasonably current preliminary environmental survey for the Leased Property dated no earlier than forty-five (45) days prior to the Return Date, from an environmental consultant satisfactory in the reasonable discretion of the Lessor certifying that there exists no environmental contamination with respect to the Leased

Property which would adversely affect the marketability, fair market value or useful life, as determined by the Appraisal, of the Leased Property or have an adverse effect on the Lessor and addressed to the Lessor in form and substance satisfactory in the reasonable discretion of the Lessor. The obligations of the Lessee under this Section 22.2 shall survive the expiration or termination of this Lease. Unless the Lessee shall have exercised or been deemed to have exercised its Purchase Option or the Leased Property is to be sold to an independent purchaser, the Lessor shall be entitled to perform such investigation, including obtaining reports of engineers and other experts as to the condition and state of repair and maintenance of the Improvements and the Site required by this Section 22.2 and as to the compliance of the Leased Property with Applicable Laws, including Environmental Laws, as it deems appropriate. The Lessee, at its sole cost and expense (without right of reimbursement therefor out of gross sale proceeds but, subject to the Lessee's right to use applicable insurance and condemnation proceeds as set forth in Article XIII hereof), shall cause the repair or other remediation of any discrepancies between the actual condition of the Improvements and the Site and the condition required under this Lease, such repair or remediation to be completed not later than the Return Date.

SECTION 22.3. Application of Sale Proceeds and Recourse Payments.

(a) On the Return Date, in connection with the Lessee's exercise of the Return Option, the Lessee shall pay to the Lessor all accrued and unpaid Rent then due together with all other amounts due and payable by the Lessee to the Lessor or any Indemnitee. The Lessee also shall cause to be paid to the Lessor, from the aggregate Sale Proceeds (after application of gross sale proceeds to payment of any deed or transfer tax thereon not paid by the purchaser thereof and payment or reimbursement to the Lessee and/or the Lessor for any costs or expenses incurred by the Lessee and/or the Lessor in connection with the actions required under Sections 22.1 and 22.2, excluding any provision thereof which expressly specifies that the Lessee's costs shall not be reimbursable out of gross sale proceeds), the aggregate outstanding Break Even Price as of the Return Date (as determined after the payment of all Rent due on such date and application of all other payments hereunder by the Lessee in accordance with Section 22.3(c) hereof). If the Sale Proceeds exceed the Break Even Price as of the Return Date, the Lessee shall retain or be entitled to receive the portion of the Sale Proceeds in excess thereof. If the Sale Proceeds are less than the aggregate outstanding Break Even Price, the Lessee shall pay or shall cause to be paid to the Lessor, as Supplemental Rent, on the Return Date, in addition to the Sale Proceeds, an additional amount equal to the lesser of (x) the amount that the Break Even Price exceeds the Sale Proceeds or (y) provided no Default or Event of Default or Event of Loss has occurred and is continuing, the Recourse Deficiency Amount.

(b) The obligation of the Lessee to pay the amounts determined pursuant to Sections 22.3(a) and 22.4 shall be recourse obligations of the Lessee, and such payments by the Lessee shall not limit any other obligation of the Lessee under the Operative Documents, including pursuant to Article VII of the Participation Agreement.

(c) If on any date prior to the expiration of the Extended Remarketing Period, the Lessor shall receive any amounts that constitute payment of the Recourse Deficiency Amount and

any Sale Proceeds following the Lessee's election to return the Leased Property at the Return Date, the Lessor shall apply such amounts in the following order of priority:

first, to the Lessor, so much of such amount as is required to reimburse the Lessor for any fees, costs, expenses, Taxes or other loss incurred by it (to the extent not previously reimbursed);

second, to the Lessor, so much of such amounts as are required to pay all expenses or fees incurred by the Lessor in connection therewith;

third, to the Lessor, so much of such amount as is required to pay all accrued Yield thereon;

fourth, to the Lessor, so much of such amounts as are required to pay in full the outstanding amount of the Lease Balance;

fifth, to the Lessor, so much of such amounts as are required to pay all outstanding obligations of the Lessee pursuant to the Operative Documents including all indemnities due and payable; and

sixth, to the Lessee, the balance of such amount, if any.

SECTION 22.4. Failure to Sell Leased Property.

(a) If the Leased Property shall not have been sold on or prior to the Return Date, in accordance with and subject to the provisions of this Article XXII, then the Lessee and the Lessor hereby agree as follows:

(i) the Lessee shall pay or shall cause to be paid to the Lessor, as Supplemental Rent, on the Return Date, an amount equal to the Recourse Deficiency Amount plus all other Rent then due under this Lease and the other Operative Documents or, in the event a Default or Event of Default or an Event of Loss shall have occurred and be continuing on such date, the Break Even Price and, in the case where the Break Even Price is paid, the Lessor shall convey to the Lessee or its designee the Leased Property in accordance with Section 23.11; and

(ii) at the option of the Lessor, if the Lessee has not paid the Break Even Price as set forth in Section 22.4(a)(i) above, the Lessee shall be required to continue using commercially reasonable efforts as non-exclusive agent for the Lessor to sell the Leased Property in accordance with Sections 22.1 and 22.2 for the period (the "***Extended Remarketing Period***") commencing on the Return Date, and ending on the earliest of (w) the date occurring twenty-four (24) months following the Return Date, (x) the sale of the Leased Property in accordance with the provisions of Sections 22.1 and 22.2 or such earlier date as the Lessor has received payment in full of the Break Even Price, (y) the delivery of

a written notice from the Lessor to the Lessee at any time terminating this Lease, which notice shall indicate that such termination is being made pursuant to this Section 22.4(a)(ii) and the date such termination shall be effective, and (z) the delivery of a written notice from the Lessee to the Lessor pursuant to which the Lessee notifies the Lessor of its election to terminate the Extended Remarketing Period. The notice given by the Lessee pursuant to Section 22.4(a)(ii)(z) shall indicate that it is being made pursuant to Section 22.4(a)(ii)(z) and shall set forth the date of termination of the Extended Remarketing Period; provided, however, in no event shall such effective date occur prior to the twenty-fourth (24th) month following the Return Date. On the last day of the Extended Remarketing Period, if the Leased Property has not been sold during the Extended Remarketing Period in accordance with Section 22.2, the Lessee shall also make the payments required under Section 22.4(a)(i), to the extent not already paid under such Section. Nothing in this Section 22.4(a)(ii) shall adversely affect any other rights the Lessor may have to terminate this Lease pursuant to any other Section of this Lease or the Lessor's right to pursue any remedy hereunder as a result of an Event of Default arising as a result of the Lessee's failure to comply with the requirements set forth herein including pursuant to Article XVII or the Lessee's obligation to pay amounts arising under Article VII of the Participation Agreement.

(b) Following the expiration of the Extended Remarketing Period (or, if not so extended by the Lessor, following the Return Date) and the absence of any sale of the Leased Property, the Lessor may sell the Leased Property and require that the Lessee (pursuant to documents reasonably acceptable to the Lessee and the purchaser of the Leased Property) facilitate the transfers of the ownership, leasing and operation of the Leased Property to the Lessor or any third party designated by the Lessor including providing all books, reports and records regarding the maintenance, repair and ownership of the Leased Property, granting or assigning all licenses necessary for the operation of the Leased Property and cooperating in seeking and obtaining all necessary Governmental Actions and otherwise doing all things reasonably necessary to convey and deliver possession of the Leased Property to any such Person in order to maximize the Lessor's opportunity to recover the Lease Balance plus Yield at the Overdue Rate on any unpaid Lease Balance and all other accrued and unpaid Rent. Upon such sale and transfer of the Leased Property, the Lessee's possession under this Lease shall terminate; provided that any provisions hereof that expressly survive the expiration or other termination of this Lease shall survive such termination.

(c) The Lessor may sell or lease the Leased Property and the Lessor's other interest in and to the Leased Property to any third party at such reasonable times and for such amounts as the Lessor deems commercially reasonable and appropriate in order to maximize the Lessor's opportunity to recover the unpaid Lease Balance. If the Lessee returns the Leased Property to the Lessor in accordance with this Section 22.4 and, following the expiration of the Extended Remarketing Period, the Lessor subsequently sells the Leased Property for cash Sale Proceeds, Sale Proceeds shall be applied by the Lessor in the following order of priority:

(i) first, to the Lessor, Sale Proceeds shall be applied to any fees, costs, expenses, Taxes or other loss incurred by it (to the extent not previously reimbursed);

(ii) second, to the Lessor, Sale Proceeds shall be applied to the Break Even Price until the Break Even Price is paid in full (*provided that*, all costs and expenses arising from or related to the Leased Property which accrue after the later of the Return Date and the date the Lessee ceases to occupy the Leased Property shall be excluded from the Break Even Price for purposes of this Section 22.4(c)(ii));

(iii) third, to the Lessee, Sale Proceeds shall be applied to the Recourse Deficiency Amount;

(iv) fourth, to the Lessor, Sale Proceeds shall be applied, to the extent not previously paid to the Lessor pursuant to clause (i) or clause (ii) above, to any other amounts payable to the Lessor pursuant to any expense reimbursement or indemnification by the Lessee pursuant to the provisions of the Operative Documents;

(v) fifth, to the Lessor, Sale Proceeds shall be applied to any costs or expenses excluded from the Lease Balance as a result of the proviso in Section 22.4(c)(ii) above;

(vi) sixth, to the Lessor, Sale Proceeds shall be applied to all other amounts, if any, accrued and payable by the Lessee to the Lessor under the Operative Documents, to the extent not previously paid to the Lessor pursuant to clauses (i), (ii), (iv) or (v) above; and

(vii) seventh, to the Lessee, the balance, if any, of any Sale Proceeds shall be distributed to, or as directed by, the Lessee.

(d) The Lessor's appointment of the Lessee as the Lessor's non-exclusive agent to use commercially reasonable efforts to obtain the highest all-cash price for the purchase of the Leased Property and the Lessor's interest in the Leased Property shall not restrict the Lessor's right to market or lease the Leased Property and the Lessor's interest in the Leased Property or to retain one or more sales agents or brokers (with the costs and expenses thereof being paid out of the Sale Proceeds, as provided in Sections 22.1(a) and 22.3(a) hereof).

(e) Subject to Applicable Laws, the Lessor reserves all rights under this Lease and the other Operative Documents arising out of the Lessee's breach of any provisions of this Lease (including this Article XXII), whether occurring prior to, on or after the Return Date, including the Lessee's breach of any of its obligations under this Article XXII, including the right to sue the Lessee for damages.

(f) To the greatest extent permitted by Applicable Law, the Lessee hereby unconditionally and irrevocably waives, and releases the Lessor from, any right to require the Lessor at any time prior to the Return Date or the expiration of the Extended Remarketing Period,

as applicable, to market the Leased Property and the Lessor's other interest in and to the Leased Property at all or for any minimum purchase price or on any particular terms and conditions, the Lessee hereby agrees that if the Lessee shall elect or shall be deemed to have elected the Return Option, its ability to sell the Leased Property and the Lessor's other interest in and to the Leased Property on or prior to the Return Date, and to cause any Person to submit a bid to the Lessor pursuant to Section 22.1 shall constitute full and complete protection of the Lessee's interest hereunder.

(g) During the period following the Lessee's exercise of the Return Option, the obligation of the Lessee to pay Rent with respect to the Leased Property (including the installment of Rent due on the Return Date) shall continue undiminished; provided that such amounts subsequent to the Return Date (assuming the Lessee has returned the property to the Lessor) shall accrue and be payable out of the Sale Proceeds of any sale in accordance with Section 22.4(c).

SECTION 22.5. Surrender and Return.

(a) Upon the expiration or earlier termination of the Lease Term, and provided that the Lessee, if so entitled, has not exercised its option to purchase the Leased Property, the Lessee shall peaceably leave and surrender and return the Leased Property to the Lessor in the same condition in which the Leased Property existed on the Closing Date and such subsequent date on which any Alterations that constitute part of the Improvements were constructed, except as completed, repaired, rebuilt, restored, altered or added to as required by or permitted by any provision of this Lease (ordinary wear and tear excepted). The Lessee shall remove from the Leased Property on or prior to such expiration or earlier termination all property situated thereon which is not the property of the Lessor and the Leased Property shall be broom clean and the Lessee shall repair any damage caused by such removal. Property not so removed shall become the property of the Lessor and the Lessor may cause such property to be removed from the Leased Property and disposed of, and the Lessee shall pay (without right of reimbursement out of gross sale proceeds) the reasonable cost of any such removal and disposition and of repairing any damage caused by such removal.

(b) Except for surrender upon the expiration or earlier termination of the Lease Term hereof, no surrender to the Lessor of this Lease or of the Leased Property shall be valid or effective unless agreed to and accepted in writing by the Lessor.

(c) Without limiting the generality of the foregoing, upon the surrender and return of the Leased Property to the Lessor pursuant to this Section 22.5, the Leased Property shall be (w) capable of being immediately utilized by a third-party purchaser or third-party lessee without further inspection, repair, replacement, alterations or improvements, licenses, permits, or approvals, except for any of the foregoing required solely by virtue of the change in ownership (other than to the Lessor), use or occupancy of the Leased Property, (x) in compliance with all Applicable Laws including any of the foregoing required by virtue of a change in ownership, use or occupancy of the Leased Property other than to or by the Lessee, (y) subject to any Shared Use Agreement, Appurtenant Rights and Restrictions or other cross easement agreement as may be

necessary to comply with Applicable Laws, to make any such property marketable and to increase the aggregate value of the Leased Property and the other Sites, and (z) free and clear of any Lien. Until the Leased Property has been surrendered and returned to the Lessor in accordance with the provisions of this Section 22.5, the Lessee shall continue to pay the Lessor all Rent due hereunder.

(d) the Lessee acknowledges and agrees that a breach of any of the provisions of this Section 22.5 may result in damages to the Lessor that are difficult or impossible to ascertain and that may not be compensable at law. Accordingly, upon application to any court of equity having jurisdiction over the Leased Property or the Lessee, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee set forth in this Section 22.5.

(e) Upon the request of the Lessor, the Lessee shall continue to maintain its insurance policies for the Leased Property, to the extent permitted by such policies and solely for the remaining period for which premiums have already been paid, provided that the Lessor pays or reimburses the Lessee for the pro rata cost thereof.

ARTICLE XXIII MISCELLANEOUS

SECTION 23.1. Binding Effect; Successors and Assigns; Survival.

The terms and provisions of this Lease, and the respective rights and obligations hereunder of the Lessor and the Lessee shall be binding upon them and their respective successors, legal representatives and assigns (including, in the case of the Lessor, any Person to whom the Lessor may transfer the Leased Property or any interest therein in accordance with the provisions of the Operative Documents), and inure to their benefit and the benefit of their respective permitted successors, legal representatives and assigns (including, in the case of the Lessor, any Person to whom the Lessor may transfer the Leased Property or any interest therein in accordance with the provisions of the Operative Documents).

SECTION 23.2. Severability.

Any provision of this Lease that shall be prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction, and the Lessee shall remain liable to perform its obligations hereunder except to the extent of such unenforceability. To the extent permitted by Applicable Laws, the Lessee hereby waives any provision of law that renders any provision hereof prohibited or unenforceable in any respect.

SECTION 23.3. Notices.

Unless otherwise specified herein, all notices, requests, demands or other communications to or upon the respective parties hereto shall be in writing and shall be delivered and shall be deemed to have been given in accordance with Section 8.3 of the Participation Agreement.

SECTION 23.4. Amendment; Complete Agreements.

Neither this Lease or any other Operative Document nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of the Participation Agreement. This Lease, together with the other Operative Documents, is intended by the parties as a final expression of their agreement and as a complete and exclusive statement of the terms thereof, all negotiations, considerations and representations between the parties having been incorporated herein and therein. No course of prior dealings between the parties or their officers, employees, agents or Affiliates shall be relevant or admissible to supplement, explain, or vary any of the terms of this Lease or any other Operative Document. Acceptance of, or acquiescence in, a course of performance rendered under this or any prior agreement between the parties or their Affiliates shall not be relevant or admissible to determine the meaning of any of the terms of this Lease or any other Operative Document. No representations, undertakings, or agreements have been made or relied upon in the making of this Lease other than those specifically set forth in the Operative Documents.

SECTION 23.5. Headings.

The Table of Contents and headings of the various Articles and Sections of this Lease are for convenience of reference only and shall not modify, define or limit any of the terms or provisions hereof.

SECTION 23.6. Original Executed Counterpart.

The single executed original of this Lease marked as Counterpart No. 1 shall be the “original executed counterpart” of this Lease. To the extent that this Lease constitutes chattel paper, as such term is defined in the Uniform Commercial Code as in effect in any applicable jurisdiction, no security interest in this Lease may be created through the transfer or possession of any counterpart other than the “original executed counterpart.”

SECTION 23.7. Governing Law.

This Lease has been delivered in, and shall in all respects be governed by and construed in accordance with the laws of, the State of New York, without regard to conflicts of laws principles (except Section 5-1401 of the New York General Obligations Law), including all matters of construction, validity and performance, except as to matters relating to the perfection of the security interests hereunder and the exercise of rights and remedies with respect thereto, which shall be governed by and construed in accordance with the laws of the State of California.

SECTION 23.8. No Joint Venture.

Any intention to create a joint venture or partnership relation hereunder or pursuant to any other Operative Document between the Lessor and the Lessee is hereby expressly disclaimed.

SECTION 23.9. No Accord and Satisfaction.

The acceptance by the Lessor of any sums from the Lessee (whether as Basic Rent or otherwise) in amounts which are less than the amounts due and payable by the Lessee hereunder is not intended, nor shall be construed, to constitute an accord and satisfaction of any dispute between the Lessor and the Lessee regarding sums due and payable by the Lessee hereunder, unless the Lessor specifically deems it as such in writing.

SECTION 23.10. Survival.

The termination of this Lease pursuant to Section 18.1 shall in no event relieve the Lessee of its liabilities and obligations hereunder which accrued prior to such termination, all of which shall survive any such termination. The extension of any applicable statute of limitations by the Lessee, the Lessor or any other Indemnitee shall not affect such survival.

SECTION 23.11. Transfer of Leased Property.

Except as may be applicable under Article XXII, any transfer of the Leased Property pursuant to this Lease shall be at the Lessee's expense. Upon receipt by the Lessor of payment in full of the Break Even Price pursuant to the applicable provision of this Lease, the Leased Property shall be transferred to the Lessee or any designee it may identify.

Any transfer of the Lessor's interest in and to the Leased Property pursuant to this Lease shall be transferred on an "as is, where is, with all faults" basis, without covenants or warranties of title and without recourse, representation or warranty of any kind, other than with respect to the Lessor, the absence of Lessor Liens, and together with the due assumption by the Lessee (or its designee), of, and due release of the Lessor from, all obligations relating to the Leased Property. In connection with any transfer to an independent third party, the Lessee shall, or shall ensure that its designee shall, execute and deliver such documents, certificates and estoppels as may be required to facilitate the transfer of the Leased Property. Any provision in this Lease or other Operative Document to the contrary notwithstanding, no transfer of the Leased Property to the Lessee or to a third party buyer pursuant to the Return Option shall be made until the Lessor has received all Rent and other amounts then due and owing by the Lessee hereunder and under the other Operative Documents. At or subsequent to the transfer or return of all or any of the Leased Property to a third party buyer pursuant to the Return Option, the Lessee will provide the Lessor with such lien and title searches as the Lessor may reasonably request to demonstrate to the Lessor's satisfaction that the Leased Property is subject to no liens other than Permitted Liens as described in clauses (a) or (b) of the definition thereof and the lien of Taxes not yet delinquent. Notwithstanding anything contained herein or in the other Operative Documents to the contrary,

any obligation of the Lessor to transfer any assets to the Lessee shall be satisfied by a transfer of such assets to any designee selected by it.

SECTION 23.12. Enforcement of Certain Warranties.

Unless an Event of Default shall have occurred and be continuing, the Lessor authorizes the Lessee (directly or through agents), without assuming any responsibility for the existence of such warranty or the validity of the authorization granted hereunder at the Lessee's expense, to assert, during the Lease Term, all of the Lessor's rights (if any) under any applicable warranty and any other claim that the Lessee or the Lessor may have under the warranties provided in connection with the Improvements and the Lessor agrees to cooperate, at the Lessee's expense, with the Lessee and its agents in asserting such rights. Any amount recovered by the Lessee under any such warranties shall be retained by or paid over to the Lessee, subject to Section 23.13.

SECTION 23.13. Security Interest in Funds.

Upon receipt of such notice, MUFGCLF and, if applicable, such Participant shall advise LRC as to its approval of such proposed LRC Substitute Deposit Taker (which approval shall not be unreasonably withheld), conditioned or delayed and shall provide a good faith estimate of the effect thereof on its effective yield under the Operative Documents taking into account the loss of the Deposit Account holding the Cash Collateral and other factors deemed relevant by MUFGCLF in good faith and, if applicable, such Participant, and the estimated increase in Basic Rent chargeable under the Lease and other modifications needed under the Operative Documents each determined in good faith in the event of such substitution in order to maintain its net economic benefits thereunder (which estimates are subject to change prior to the date of the actual substitution). Following its receipt of such approval(s) and estimates, LRC may elect in a writing delivered to MUFGCLF and such Participant, if applicable, to designate the proposed LRC Substitute Deposit Taker as the new, substitute Deposit Taker for one or more existing Deposit Takers and the intended date therefor, which shall not be less than ten (10) Business Days nor more than twenty (20) Business Days therefrom. Such designation shall be subject to the receipt by MUFGCLF and any such Participant of (i) evidence that such Deposit Taker satisfies the requirements of a LRC Substitute Deposit Taker, (ii) a Deposit Agreement and a Control Agreement, each among Lessor and/or such Participant, LRC and such LRC Substitute Deposit Taker, each of which shall become an Operative Document and shall be in form and substance reasonably acceptable to all parties thereto, (iii) a modification of the Lease and other Operative Documents by Lessor and LRC to reflect the increase in Basic Rent and other modifications necessary under the Operative Documents in the event

of such substitution in order to maintain Lessor's net economic benefits thereunder and the modifications to the terms and conditions of this Agreement, in form and substance reasonably acceptable to all parties thereto, and (iv) such certificates, opinions and other documentation as Lessor and/or such Participant may reasonably request. LRC shall be responsible for all reasonable, out-of-pocket costs and expenses incurred by MUFGCLF and any Participant with respect to the foregoing. Upon consummation of such substitution, such existing Deposit Taker shall cease being a Deposit Taker hereunder and subject to the termination provisions therein, the Deposit Agreement to which such existing Deposit Taker is a party shall terminate and the related Cash Collateral shall be transferred to the LRC Deposit Taker subject to the Operative Documents as modified or delivered above.

(E) Delivery of Deposit Taker's Agreements by LRC and MUFGCLF. To the extent required for the designation of a new Deposit Taker by MUFGCLF or any Participant pursuant to subparagraph 3(D)(1), or to permit the substitution or replacement of a Deposit Taker for MUFGCLF or any Participant as provided in subparagraphs 3(C) and 3(D), LRC and MUFGCLF shall promptly execute and deliver any properly completed Deposit Taker's Agreement requested by MUFGCLF or the applicable Participant.

(F) Constructive Possession of Collateral. The possession by a Deposit Taker of any money, instruments, chattel paper, financial assets or other property constituting Collateral or evidencing Collateral shall be deemed to be possession by MUFGCLF or a person designated by MUFGCLF, for purposes of perfecting the security interest granted to MUFGCLF hereunder pursuant to the UCC or other Applicable Law; and notifications to a Deposit Taker by other Persons holding any such property, and acknowledgments, receipts or confirmations from any such Persons delivered to a Deposit Taker, and control agreements made by any such Person with Deposit Taker with respect to any such property, shall be deemed notifications to, or acknowledgments, receipts or confirmations from, or control agreements with, financial intermediaries, bailees or agents (as applicable) of such Deposit Taker for the benefit of MUFGCLF for the purposes of perfecting such security interests under Applicable Law.

However, nothing in this subparagraph will be construed to permit or authorize any replacement of Cash Collateral required by this Agreement with other types of Collateral or any substitution of other types of Collateral for Cash Collateral hereunder.

(G) Attempted Setoff by Deposit Taker. By delivery of a Deposit Taker's Agreement, each Deposit Taker must agree not to setoff or attempt a setoff, without in each case first obtaining the prior written authorization of MUFGCLF (which MUFGCLF will not grant without the prior written consent of all Participants, if applicable), obligations owed to such Deposit Taker against any Collateral held by it from time to time. Nevertheless, LRC acknowledges and agrees (without limiting its right to recover any resulting damages from any Deposit Taker that violates such agreements) that MUFGCLF shall not be responsible for, or be deemed to have taken any action against LRC because of, any violation of such agreement by any Deposit Taker. Further, and without limiting the foregoing, as additional consideration for MUFGCLF's accommodations to LRC, including MUFGCLF's acceptance of the Collateral in lieu of other forms of security as collateral for the Secured Obligations,

LRC hereby waives and covenants not to assert any defense or claim arising out of (i) the California antideficiency laws, including without limitation California Code of Civil Procedure Sections 580a, 580b, 580d and 726, and (ii) without limiting the generality of the foregoing, Walker v. Community Bank, 10 Cal. 3d 729, 111 Cal. Rptr. 897, 518 P.2d 329 (1974), Security Pacific Nat'l Bank v. Wozab, 51 Cal. 3d 991, 275 Cal. Rptr. 201, 800 P.2d 557 (1990), and similar cases, to the extent such claim arises out of or relates to the exercise of set off rights by any Deposit Taker.

4. DELIVERY AND MAINTENANCE OF COLLATERAL.

(A) Delivery of Cash Collateral by LRC. On the Base Term Commencement Date as a condition precedent thereto under the Participation Agreement, LRC must deliver or cause to be delivered to Deposit Takers for deposit directly into the Deposit Accounts, in either case subject to the pledge and security interest created hereby, funds as Cash Collateral then needed (if any) in an amount equal to the Lease Balance. As of the date hereof, MUFGBank currently maintains \$34,974,967.40, which amount will reduce dollar for dollar the amount of Cash Collateral to be delivered by the Lessee on the Base Term Commencement Date.

(B) Status of the Deposit Accounts Under the Reserve Requirement Regulations. Each Deposit Taker shall be permitted to structure the Deposit Account maintained by it as a nonpersonal time deposit under 12 C.F.R., Part II, Chapter 204 (commonly known as "Regulation D"). Accordingly, any Deposit Taker may require at least seven days advance notice of any withdrawal or transfer of funds from the Deposit Account maintained by it and, to the extent LRC has the right to request withdrawals therefrom, may limit the number of withdrawals or transfers from such Deposit Account to no more than six in any calendar month, notwithstanding anything to the contrary herein or in any deposit agreement that LRC and such Deposit Taker may enter into with respect to such Deposit Account. As necessary to satisfy the seven days' notice requirement with respect to withdrawals by MUFGBank when required by LRC pursuant to the provisions below, MUFGBank shall notify the affected Deposit Takers promptly after receipt of any notice from LRC described in subparagraph 5(B).

(C) Acknowledgment by LRC that Requirements of this Agreement are Commercially Reasonable. LRC acknowledges and agrees that the requirements set forth herein concerning receipt, deposit, withdrawal, allocation, application and distribution of Cash Collateral by MUFGBank, including the requirements and time periods set forth in the Paragraph 5, are commercially reasonable.

(D) Change of Account Office. Any Eligible Deposit Taker as defined in clause (1) of the definition thereof may relocate its Account Office to a location outside of the States of California and New York at no cost to LRC so long as no Event of Default shall have occurred or be continuing.

5. WITHDRAWAL OF COLLATERAL.

(A) Withdrawal of Cash Collateral Upon the Occurrence and During the Continuance of an Event of Default. Upon the occurrence and during the continuance of an

Event of Default, without any instruction or request of LRC, MUFGCLF may withdraw and retain any Cash Collateral held by any Deposit Taker (which retention by MUFGCLF shall be free and clear of all liens and security interests hereunder and any rights of LRC thereto shall be released, terminated and waived without further action) as a payment on behalf of LRC of any amounts then due from LRC under Article XVIII of the Lease. To the extent MUFGCLF has exercised its rights and remedies thereunder and the Secured Obligations have been indefeasibly satisfied in full in accordance with Article XVIII of the Lease, LRC may require MUFGCLF to withdraw and promptly pay to LRC any Cash Collateral still held by any Deposit Taker.

(B) Withdrawal and Application of Cash Collateral to Reduce or Satisfy the Secured Obligations to MUFGCLF. Except following the occurrence and during the continuance of an Event of Default, to satisfy the Secured Obligations in full, LRC may require MUFGCLF to withdraw and retain any Cash Collateral held by any Deposit Taker on the earlier of the Base Term Expiration Date or, if applicable, on the date of any purchase or sale of the Leased Property pursuant to Articles XX, XXI, or XXII (which retention by MUFGCLF shall be free and clear of all liens and security interests hereunder and any rights of LRC thereto shall be released, terminated and waived without further action) as a payment on behalf of LRC of any amounts then due from LRC under Articles XX, XXI or XXII of the Lease; provided, that by a notice in the form of Exhibit B, LRC must have notified MUFGCLF of the required withdrawal and payment to MUFGCLF at least ten days prior to the date upon which it is to occur and when no Event of Default (under and as defined in this Agreement or as defined in the Lease) has occurred and is continuing. In furtherance of the foregoing, to the extent LRC has (i) validly exercised or been deemed to have exercised the Purchase Option under Article XX or XXI of the Lease, or (ii) validly exercised the Return Option under the Lease and the Recourse Deficiency Amount has been indefeasibly satisfied in full on the Base Term Expiration Date in accordance with Articles XXI and XXII of the Lease, LRC may require MUFGCLF to withdraw and pay to LRC the Cash Collateral held by any Deposit Taker on the Base Term Expiration Date other than an amount equal to the Make Whole Amount as reasonably estimated by MUFGCLF and when no Default or Event of Default (under and as defined in this Agreement or as defined in the Lease) has occurred and is continuing.

(C) Withdrawal and Return of Cash Collateral Following Satisfaction of all Secured Obligations. When (i) all Secured Obligations have been indefeasibly satisfied in full or, (ii) to the extent LRC has validly exercised the Return Option in accordance with Paragraph 5(B) above, at the expiration or termination of the Extended Remarketing Period with respect to the Make Whole Amount, any remaining Cash Collateral that has not been withdrawn and applied against the Secured Obligations shall revert to LRC as provided in subparagraph 9(F), whereupon LRC may require MUFGCLF to withdraw such remaining Cash Collateral then maintained pursuant to this Agreement and promptly transfer such remaining Cash Collateral to LRC.

(D) No Other Right to Require or Make Withdrawals. LRC may not withdraw or require any withdrawal of Collateral from any account or deposit account pledged hereunder, including the Deposit Accounts, except as expressly provided in the preceding subparagraphs of this Paragraph 5. LRC acknowledges that it will have no check writing privileges or line

of credit or credit card privileges under any such pledged account or deposit account, including the Deposit Accounts.

(E) MUFGCLF's Covenant Not to Make Unauthorized Withdrawals. Notwithstanding provisions of any Control Agreement or of any Deposit Taker's Agreement which may state that MUFGCLF is entitled to withdraw Collateral held by any Deposit Taker without any prior consent or authorization of LRC, MUFGCLF covenants to LRC (as between MUFGCLF and LRC) that MUFGCLF will not exercise such rights to withdraw Collateral except (1) as required or permitted by this Paragraph 5, (2) in the exercise of MUFGCLF's rights or remedies as otherwise herein provided, or (3) as may from time to time be requested or approved by LRC.

6. REPRESENTATIONS AND COVENANTS OF LRC.

(A) Representations of LRC. LRC represents to MUFGCLF as follows:

(1) LRC is the legal and beneficial owner of the Collateral (or, in the case of after-acquired Collateral, at the time LRC acquires rights in the Collateral, will be the legal and beneficial owner thereof), subject to the pledge and rights hereby granted in favor of MUFGCLF. No other Person has (or, in the case of after-acquired Collateral, at the time LRC acquires rights therein, will have) any right, title, claim or interest (by way of Lien, purchase option or otherwise) in, against or to the Collateral, except for rights created hereunder. The Collateral shall be deposited with the Deposit Taker hereunder and under the Deposit Taker's Agreement free and clear of any Lien.

(2) MUFGCLF has (or in the case of after-acquired Collateral, at the time LRC acquires rights therein, will have) a valid, first priority, perfected pledge of and security interest in the Collateral, regardless of the characterization of the Collateral as deposit accounts, instruments or general intangibles under the UCC, but assuming that the representations of each Deposit Taker in its Deposit Taker's Agreement are true.

(3) LRC has delivered to MUFGCLF, together with all necessary stock powers, endorsements, assignments and other necessary instruments of transfer, the originals of all documents, instruments and agreements evidencing the Collateral in order to comply with Section 2 of the Deposit Taker's Agreement.

(4) Neither the ownership or the intended use of the Collateral by LRC, nor the pledge of Collateral or the grant of the security interest by LRC to MUFGCLF herein, nor the exercise by MUFGCLF of its rights or remedies hereunder, will (i) violate any provision of (a) Applicable Law, (b) the articles or certificate of incorporation, charter or bylaws of LRC, or (c) any agreement, judgment, license, order or permit applicable to or binding upon LRC or its properties, or (ii) result in or require the creation of any Lien, charge or encumbrance upon any assets or properties of LRC except as expressly contemplated in this Agreement. Except as expressly contemplated in this Agreement, no consent, approval, authorization or order of, and no notice to or filing with any court, governmental authority or third party is required

in connection with the pledge or grant by LRC of the security interest contemplated herein or the exercise by MUFGCLF of its rights and remedies hereunder.

(B) Covenants of LRC. LRC hereby agrees as follows:

(1) LRC, at LRC's expense, shall promptly procure, execute and deliver to MUFGCLF all documents, instruments and agreements and perform all acts which are necessary or desirable, or which MUFGCLF may request, to establish, maintain, preserve, protect and perfect the Collateral, the pledge thereof to MUFGCLF or the security interest granted to MUFGCLF therein and the first priority of such pledge or security interest or to enable MUFGCLF to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Without limiting the generality of the preceding sentence, LRC shall (A) procure, execute and deliver to MUFGCLF all stock powers, endorsements, assignments, financing statements and other instruments of transfer requested by MUFGCLF, (B) deliver to MUFGCLF promptly upon receipt all originals of Collateral consisting of instruments, documents and chattel paper, and (C) cause the security interest of MUFGCLF in any Collateral consisting of securities to be recorded or registered in the books of any financial intermediary or Clearing System requested by MUFGCLF.

(2) When Applicable Law provides more than one method of perfection of MUFGCLF's security interest in the Collateral, MUFGCLF may choose the method(s) to be used. LRC hereby authorizes MUFGCLF to file any financing statements or financing statement amendment covering all or any portion of the Collateral or relating to the security interest created herein.

(3) LRC shall not use or authorize or consent to any use of any Collateral in violation of any provision of this Agreement or any other Operative Document or any Applicable Law.

(4) LRC shall pay promptly when due all Taxes and other governmental charges, Liens and other charges now or hereafter imposed upon, relating to or affecting any Collateral or arising on any interest or earnings thereon.

(5) LRC shall appear in and defend, on behalf of MUFGCLF, any action or proceeding which may affect LRC's title to or MUFGCLF's interest in the Collateral.

(6) Subject to the express rights of LRC under Paragraph 5, LRC shall not surrender or lose possession of (other than to MUFGCLF or a Deposit Taker pursuant hereto), encumber, lease, rent, option, or otherwise dispose of or transfer any Collateral or right or interest therein, and LRC shall keep the Collateral free of all Liens (other than Liens granted under this Agreement). The rights granted to MUFGCLF pursuant to this Agreement are in addition to the rights granted to MUFGCLF in any Control Agreement or other custody, investment management, trust, account control agreement or similar agreement. In case of conflict between the provisions of this Agreement and of any other such agreement, the provisions of this Agreement will prevail.

(7) LRC will not take any action which would in any manner impair the value or enforceability of MUFGCLF's pledge of or security interest in any Collateral, nor will LRC fail to take any action which is required to prevent (and which LRC knows is required to prevent) an impairment of the value or enforceability of MUFGCLF's pledge of or security interest in any Collateral.

(8) Without limiting the foregoing, within five days after LRC becomes aware of any failure of the pledge or security interest contemplated herein in any Deposit Account or Cash Collateral to be a valid, perfected, first priority pledge or security interest (regardless of the characterization thereof as deposit accounts, securities accounts, instruments or general intangibles under the UCC), LRC shall notify MUFGCLF of such failure.

7. AUTHORIZED ACTION BY MUFGCLF.

LRC hereby irrevocably appoints MUFGCLF as LRC's attorney-in-fact for the purpose of authorizing MUFGCLF to perform (but MUFGCLF shall not be obligated to and shall incur no liability to LRC or any third party for failure to perform) any act which LRC is obligated by this Agreement to perform, and to exercise, consistent with the other provisions of this Agreement, such rights and powers as LRC might exercise with respect to the Collateral during any period in which a Default has occurred and is continuing, including the right to (a) collect by legal proceedings or otherwise and endorse, receive and receipt for all dividends, interest, payments, proceeds and other sums and property now or hereafter payable on or on account of the Collateral; (b) enter into any extension, reorganization, deposit, merger, consolidation or other agreement pertaining to, or deposit, surrender, accept, hold or apply other property in exchange for the Collateral; (c) insure, process, preserve and enforce the Collateral; (d) make any compromise or settlement, and take any action it deems advisable, with respect to the Collateral; (e) pay any indebtedness of LRC relating to the Collateral; and (f) execute UCC financing statements and other documents, instruments and agreements required hereunder. Such appointment is coupled with an interest and shall be valid and binding on LRC and its successor and assigns.

8. DEFAULT AND REMEDIES.

(A) Remedies. In addition to all other rights and remedies granted to MUFGCLF by this Agreement and other Operative Documents (except under Other Lease Documents) or by the UCC and other Applicable Laws, MUFGCLF may, upon the occurrence and during the continuance of any Event of Default (as defined herein and in the Lease), exercise any one or more of the following rights and remedies, all of which will be in furtherance of its rights as a secured party under the UCC:

(1) MUFGCLF may collect, receive, appropriate or realize upon the Collateral or otherwise foreclose or enforce the pledge of or security interests in any or all Collateral in any manner permitted by Applicable Law or in this Agreement.

(2) MUFGCLF may notify any Deposit Taker to pay all or any portion of Cash Collateral held by such Deposit Taker directly to MUFGCLF up to an amount equal to the then outstanding Secured Obligations. MUFGCLF shall apply any Cash

Collateral or proceeds of other Collateral received by MUFGCLF after the occurrence of such an Event of Default to the Secured Obligations in any order MUFGCLF believes to be in its best interest. If any such Cash Collateral or proceeds received by MUFGCLF remains after all Secured Obligations have been paid in full, MUFGCLF will deliver or direct the Deposit Takers to deliver the same to LRC or other Persons entitled thereto.

Without limiting the foregoing, when any such Event of Default has occurred and is continuing, MUFGCLF may, without notice or demand, sell, redeem, offset, setoff, debit, charge or otherwise dispose of or liquidate into cash any Collateral and/or to apply it or the proceeds thereof to repay any or all of the Secured Obligations in such order as MUFGCLF believes to be in its best interest, regardless of whether any such Secured Obligations are contingent, unliquidated or unmatured or whether MUFGCLF has any other recourse to LRC or any Other Liable Party or any other collateral or assets (including the Property). Moreover, regardless of whether MUFGCLF commences any action to foreclose the lien and security interest granted in the Lease or the Memorandum of Lease (a **“Property Foreclosure”**) before, after or contemporaneously with any action MUFGCLF may take under this Pledge Agreement to collect Cash Collateral or proceeds of other Collateral, and regardless of whether MUFGCLF actually receives proceeds of a Property Foreclosure before or after it receives Cash Collateral or proceeds of other Collateral, MUFGCLF will be entitled to apply Cash Collateral and proceeds of other Collateral to satisfy or reduce the Secured Obligations before applying the proceeds of a Property Foreclosure to other remaining obligations secured as described in the Lease and the Memo of Lease. Also, MUFGCLF may exercise its rights without regard to any premium or penalty from liquidation of any Collateral and without regard to LRC’s basis or holding period for any Collateral.

In connection with the exercise of its remedies under this Agreement, MUFGCLF may sell from its offices in Los Angeles, California, New York, New York or elsewhere, in one or more sales, at the price as MUFGCLF deems best, for cash or on credit or for other property, for immediate or future delivery, any item of the Collateral, at any broker’s board or at public or private sale, in any reasonable manner permissible under the UCC (except that, to the extent permissible under the UCC, LRC waives any requirements of the UCC) and MUFGCLF or anyone else may be the purchaser of the Collateral and hold it free from any claim or right including, without limitation, any equity of redemption of LRC, which right LRC expressly waives. MUFGCLF may in its sole discretion elect to conduct any sale (and related offers) of any Collateral in such a manner as to avoid the need for registration or qualification thereof under any Federal or state securities laws, that such conduct may include restrictions (including as to potential purchasers) and other requirements (such as purchaser representations) which may result in prices or other terms less favorable than those which might have been obtained through a public sale not subject to such restrictions and requirements and that any offer and sale so conducted shall be deemed to have been made in a commercially reasonable manner.

In connection with the exercise of its remedies, MUFGCLF may also, in its sole discretion, for its own benefit, acting either in its own name or in the name of LRC:

(i) hold any monies or proceeds representing the Collateral in a cash collateral account in U.S. dollars or other currency that MUFGCLF reasonably selects and invest such monies or proceeds on behalf of LRC;

(ii) convert any Collateral denominated in a currency other than U.S. dollars to U.S. dollars at the spot rate of exchange for the purchase of U.S. dollars with such other currency which is quoted by a branch or office of MUFGCLF's Parent selected by MUFGCLF (or, if no such rate is quoted by MUFGCLF's Parent on any relevant date, then at a rate estimated by MUFGCLF on the basis of other quoted spot rates) or another prevailing rate that MUFGCLF reasonably deems more appropriate; or

(iii) apply any portion of the Collateral, first, to pay or reimburse all costs and expenses of MUFGCLF and then to all or any portion of the Secured Obligations in such order as MUFGCLF may believe to be in its best interest.

In any event, LRC will pay to MUFGCLF upon demand all expenses (including reasonable, out-of-pocket fees, costs and expenses of counsel to MUFGCLF and any Participant) incurred by MUFGCLF in connection with the exercise of any of MUFGCLF's rights or remedies under this Agreement.

Notwithstanding that MUFGCLF may continue to hold Collateral and regardless of the value of the Collateral, LRC will remain liable for the payment in full of any unpaid balance of the Secured Obligations.

In any case where notice of any sale or disposition of any Collateral is required, LRC hereby agrees that ten (10) days' notice of such sale or disposition is reasonable.

(B) Recovery Not Limited. To the fullest extent permitted by Applicable Law, LRC waives any right to require that MUFGCLF proceed against any other Person, exhaust any Collateral or other security for the Secured Obligations, or to have any Other Liable Party joined with LRC in any suit arising out of the Secured Obligations or this Agreement, or pursue any other remedy in their power. LRC waives any and all notice of acceptance of this Agreement.

LRC further waives notice of the creation, modification, rearrangement, renewal or extension for any period of any of the Secured Obligations of any Other Liable Party from time to time and any defense arising by reason of any disability or other defense of any Other Liable Party or by reason of the cessation from any cause whatsoever of the liability of any Other Liable Party. Until all of the Secured Obligations shall have been paid in full, LRC shall have no right to subrogation, reimbursement, contribution or indemnity against any Other Liable Party and LRC waives the right to enforce any remedy which MUFGCLF has or may hereafter have against any Other Liable Party, and waives any benefit of and any right to participate in any other security whatsoever now or hereafter held by or on behalf of MUFGCLF. LRC authorizes MUFGCLF, without notice or demand and without any reservation of rights against LRC and without affecting LRC's liability hereunder or on the Secured Obligations, from time to time to (a) take or hold any other property of any type from any other Person as

security for the Secured Obligations, and exchange, enforce, waive and release any or all of such other property, (b) after and during the continuance of any Event of Default (as defined herein or in the Lease), apply or require the application of the Collateral (in accordance with this Agreement) or such other property in any order they may determine and to direct the order or manner of sale thereof as they may determine, (c) renew, extend for any period, accelerate, modify, compromise, settle or release any of the obligations of any Other Liable Party with respect to any or all of the Secured Obligations or other security for the Secured Obligations, and (d) release or substitute any Other Liable Party.

9. MISCELLANEOUS.

Time is of the essence as to all payments and deliveries of funds by LRC to MUFGCLF under this Agreement.

(B) Payments by MUFGCLF to LRC. All payments of Cash Collateral withdrawn by MUFGCLF from the Deposit Accounts and required to returned by MUFGCLF to LRC hereunder shall be paid or delivered in immediately available funds by wire transfer to:

(C) Cumulative Rights, etc. Except as herein expressly provided to the contrary, the rights, powers and remedies of MUFGCLF under this Agreement shall be in addition to all rights, powers and remedies given to them by virtue of any Applicable Law, any other Operative Document or any other agreement, all of which rights, powers, and remedies shall be cumulative and may be exercised successively or concurrently without impairing their respective rights hereunder. LRC waives any right to require MUFGCLF to proceed against any Person or to exhaust any Collateral or other collateral or security or to pursue any remedy in MUFGCLF's power.

(D) Survival of Agreements. All representations and warranties of LRC herein, and all covenants and agreements herein shall survive the execution and delivery of this

Agreement, the execution and delivery of any other Operative Documents and the creation of the Secured Obligations and continue until terminated or released as provided herein.

(E) Other Liable Party. Neither this Agreement nor the exercise by MUFGCLF or the failure of MUFGCLF to exercise any right, power or remedy conferred herein or by law shall be construed as relieving LRC or any Other Liable Party from liability on the Secured Obligations or any deficiency thereon. This Agreement shall continue irrespective of the fact that the liability of any Other Liable Party may have ceased or irrespective of the validity or enforceability of any other agreement evidencing or securing the Secured Obligations to which LRC or any Other Liable Party may be a party, and notwithstanding the reorganization, death, incapacity or bankruptcy of any Other Liable Party, or any other event or proceeding affecting any Other Liable Party.

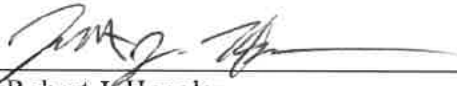

(F) Termination. Upon indefeasible satisfaction in full of all Secured Obligations (other than contingent indemnity obligations for which no Claim has been made or are not due and payable) pursuant to Paragraphs 5(A), (B) or (C) hereof, and upon written request for the termination of this Agreement delivered by LRC to MUFGCLF, MUFGCLF will execute and deliver, at LRC's expense, an acknowledgment that this Agreement and the pledge and security interest created hereby are terminated, whereupon all rights to any remaining Collateral that has not been applied against Secured Obligations in accordance with this Agreement shall revert to LRC.

(G) Governing Law. This Agreement shall be governed by the laws of the State of New York, without giving effect to the conflicts of laws provisions of such State (including, without limitation, Section 5-1401 of the New York General Secured Obligations Law).

binding and enforceable obligation; (iv) Deposit Taker has and will continue at all times to have a first priority perfected and enforceable lien and security interest in the Collateral, subject to no other liens, security interests or encumbrances; (v) LRC shall not take any action or otherwise make any attempt to draw upon, transfer or otherwise dispose of the Collateral or permit the amount of Collateral to decrease at any time; and (vi) LRC shall from time to time at Deposit Taker's request, execute, deliver, acknowledge, file and record such agreements, documents, statements and certificates (including, without limitation, Uniform Commercial Code financing statements), and do such acts and things as are necessary or appropriate to effectuate the purposes of this Agreement. LRC hereby authorizes Deposit Taker to file any Uniform Commercial Code financing statements, amendments thereto or continuations thereof, and any other appropriate security documents or instruments and to give any notices necessary or desirable to perfect any lien or security interest granted hereby, all without the signature of the LRC or to execute such items as attorney-in-fact for the LRC, as may be necessary to further the purposes described herein. Deposit Taker shall provide MUFGCLF with such information with respect to the Deposit Account and all items (and proceeds thereof) deposited in the Deposit Account as MUFGCLF may from time to time reasonably request, and LRC hereby consents to such information being provided to MUFGCLF and agrees to pay all expenses in connection therewith.

7. Exculpation; Indemnity. Deposit Taker undertakes to perform only such duties as are expressly set forth herein. Notwithstanding any other provisions of this Agreement, the parties hereby agree that Deposit Taker shall not be liable for any action taken by it in accordance with this Agreement, including, without limitation, any action so taken at MUFGCLF's request or direction, except direct damages attributable to the Deposit Taker's gross negligence or willful misconduct. In no event shall Deposit Taker be liable for any (i) losses or delays resulting from acts of God, war, computer malfunction, interruption of communication facilities, labor difficulties or other causes beyond Deposit Taker's reasonable control, or (ii) for indirect, special, punitive or consequential damages. LRC agrees to indemnify and hold Deposit Taker harmless from and against all costs, damages, claims, judgments, reasonable attorneys' fees, expenses, obligations and liabilities of every kind and nature (collectively, "**Losses**") which Deposit Taker may incur, sustain or be required to pay (other than those attributable to Deposit Taker's gross negligence or willful misconduct) in connection with or arising out of this Agreement or the Deposit Account (including without limitation, the amount of any overdraft created in the Deposit Account resulting from a Chargeback, and to pay to Deposit Taker on demand the amount of all such Losses.) Neither this Agreement nor any provision hereof may be changed, amended, modified or waived, except by an instrument in writing signed by the parties hereto. Any provision of this Agreement that may prove unenforceable under any law or regulation shall not affect the validity of any other provision hereof. This Agreement shall be governed by the laws of the State of New York, without giving effect to the conflicts of laws provisions of such State (including, without limitation, Section 5-1401 of the New York General Secured Obligations Law) and the parties hereto agree that the State of New York will be deemed to be Deposit Taker's jurisdiction for purposes of Section 9-304 of the New York Uniform Commercial Code as it applies to this Agreement. LRC hereby irrevocably submits to the jurisdiction of the courts of the U.S. Federal and New York State courts sitting in the Borough of Manhattan, New York and waives any objection to or based upon personal jurisdiction, venue, inconvenient forum or service of process in connection with any action or proceeding arising out of or in connection with this Agreement. LRC hereby irrevocably consents to service of process by first class or certified mail, or recognized courier for which a receipt is available, sent to the address shown in Deposit Taker's records. This Agreement may be executed in any number of counterparts which together shall constitute one and the same instrument. LRC HEREBY IRREVOCABLY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR OTHER PROCEEDING BASED UPON OR ARISING OUT OF THIS AGREEMENT, THE PLEDGE AGREEMENT OR ANY RELATED TRANSACTION.

11. Termination and Resignation. This Agreement may be terminated by agreement of MUFGLF and LRC upon fifteen (15) days' prior written notice to Deposit Taker; provided, however, that this Agreement shall terminate immediately upon notice from MUFGLF that all of LRC's obligations secured by the Pledge Agreement are satisfied. Upon termination of this Agreement any funds in the Deposit Account shall be subject to the direction of MUFGLF, including any direction given by MUFGLF that such funds be wired to another "Deposit Taker" designated for MUFGLF or such Participant under and as defined in the Pledge Agreement.
