PERSONNEL/ADMINISTRATION/LEGISLATION  
COMMITTEE**

1:30 p.m.

Supervisor Keith Carson, Chair  
Supervisor David Brown

Location: Board of Supervisors Chamber – 5th Floor  
County Administration Building  
1221 Oak Street, Oakland, CA 94612

**Summary/Action Minutes**

**I. Federal Legislative Update – CJ Lake**

**Schedule**

Both the House and the Senate will be in session this week, with the Senate coming in this afternoon and the House tomorrow.

**Roe V. Wade**

The Senate will likely vote on legislation as soon as Wednesday that would codify Roe V Wade. However, the legislation does not have the 60 votes necessary to overcome a filibuster.

**FY23 Appropriations**

On April 28th, the “Four Corners” met to discuss a bipartisan/bicameral deal on top line numbers for defense and nondefense appropriations. Although no deal was reached, Senate Appropriations Chairman Patrick Leahy did say conversations would continue. They are trying to reach a deal so that the House and Senate can begin the FY23 process in earnest. At the same time, agency heads continue to brief the House and Senate on their respective budget priorities in various hearings.

**Build Back Better?**

Although a large package will not move forward, Senate Democrats continue to have conversations about what Senator Joe Manchin (D-WV) may be able to support. Senator Patty Murray (D-WA) is working on a childcare package between \$150b-\$200b that would include:

- \$72b for the Child Care Development Block Grant
- \$18b in a new grant that would help states expand access to Pre-K
- \$12b for Head Start to increase teacher wages

**Ukraine Assistance**

House and Senate Democrats are looking to move forward a nearly \$40 billion package in military and humanitarian aid for Ukraine. There is a chance that a package could hit the House floor as soon as tomorrow. This is \$7 billion more than the original request of \$33 billion that was discussed over the last several weeks. The key to success of this moving forward is the fact that Democrats have decided not to attach the \$10 billion Covid funding request to the Ukraine supplemental proposal. Republicans were against packaging the two items together, which would have made it much more difficult to pass. President Biden has requested that the two items be separated as he does not want the Ukraine assistance to get slowed down in an unrelated fight over the ongoing migrant crisis at the U.S.-Mexico border.
